The Widow; Directed to the Widow's God. with an Introduction John Angell James,2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1849 edition. Excerpt: ... CHAPTER IV. CONSOLATION. Yes ! consolation. Yours, even yours is not a case that excludes all comfort. There is balm for the wounds of a widow's heart. 1. It may seem a strange and unlikely method of comforting you, to remind you of happiness for ever fled, and scenes of enjoyment that have vanished like some bright vision; but is it not a comfort to retrace the history of your union, and to remember that you loved and were beloved; that you lived in harmony and peace with your departed husband; that you had his confidence and his heart, and he yours; that you travelled pleasantly together in this desert world, and made the journey a delightful one while it lasted ? You have nothing but holy and happy reminiscences, Is not this better than the retrospect of an ill-assorted match, and the scenes of discord and strife which such unions bring with them ? His picture, his chair, his dear name, if they form the most sorrowful, yet, at the same time, do they awaken the most sacred associations. His image, as it rises in the region of imagination, is no sullen spectre, cold, frowning, and perturbed, and that looks upon you as if to upbraid you for the past; but it is a blessed shade, smiling, complacent, and calm, that still beams with the same affection with which it was wont to do: and you feel as if you had nothing to offer in the way of apology or atonement, for the purpose of propitiating and tranquillizing it. You still feel in mysterious and happy fellowship, though separated by the wide deep gulph of the grave. Extract comfort, then, from your very tears, for love has left a drop even in them. You were happy, and that should prevent you being wretched now: you were his comfort on earth, and assisted him on his pilgrimage to heaven;...

Writing Widowhood Jeffrey Berman,2015-10-06 The death of a beloved spouse after a lifetime of companionship is a life-changing experience. To help understand the reality of bereavement, Jeffrey Berman focuses on five extraordinary American writers—Joan Didion, Sandra Gilbert, Gail Godwin, Kay Redfield Jamison, and Joyce Carol Oates—each of whom has written a memoir of spousal loss. In each chapter, Berman gives an overview of the writer's life and art before widowhood, including her early preoccupation with death, and then discusses the writer's memoir and her life as a widow. He discovers that writing was, for all of these authors, both a solace and a lifeline, enabling them to maintain bonds with their lost loved ones while simultaneously moving on with their lives. These memoirs of widowhood, Berman maintains, reveal not only courage and resilience in the face of loss, but also the critical role of writing and reading in bereavement and recovery.

Widows Under Hindu Law David Brick,2023 This book comprises the first exhaustive history of the treatment and status of widows under classical Hindu law, a complex and highly influential tradition of jurisprudence spanning over two millennia of Indian history (300 BCE-1800 CE). As such, this book both contributes to our understanding of how male attitudes toward women evolved in pre-modern India and provides crucial context for important colonial debates on Hindu widow remarriage and the Hindu custom of widow self-immolation or sati.
