Fool Me Once Mona Ingram, 2020-05-07 What happens when you combine a feisty female journalist with a former Special Forces operative? Olivia MacMillan wonders what she's let herself in for when she agrees to accompany Josh Morgan to the European Riviera. Josh says he wants her contacts in the casinos so he can play in exclusive, high-stakes poker games. But she soon learns that his motives are more sinister than a simple game of poker. What could make a former Special Forces specialist come out of retirement for one last, kick-ass mission? Author Caution: Unlike my usual sweet romances, this book contains explicit sexual content.

**Fool Me Once** Kelly Richmond Pope, 2023-03-21 A riveting look at the perpetrators, victims, and whistleblowers behind financial crimes, from forensic accounting expert and documentarian Kelly Richmond Pope. Have you ever wondered why Bernie Madoff thought he could brazenly steal his clients' money? Or why investors were so easily duped by Elizabeth Holmes? Or how courageous people like Jeffrey Wigand are willing to become whistleblowers and put their careers on the line? Fraud is everywhere, from Nigerian princes, embezzlers, and Ponzi schemers to corporate giants like Enron and Volkswagen. And fraud is costly. Each year, consumers, small businesses, governments, and corporations lose trillions of dollars to financial crime. We're so accustomed to hearing about fraud that our abilities to identify it and speak about it are limited. No more. In *Fool Me Once*, renowned forensic accounting expert Kelly Richmond Pope shows fraud in action, uncovering what makes perps tick, victims so gullible, and whistleblowers so morally righteous, while also encouraging us to look at our own behaviors and motivations in the hope of protecting ourselves and our companies. By the time you finish this book, you'll have a better understanding of—and perhaps even compassion for—perpetrators, a renewed connection to victims, and an appreciation for those who blow the whistle. Filled with fascinating stories and insightful analysis, *Fool Me Once* will open your eyes and challenge your thinking. It will inspire you to question your own preconceived notions about fraud. It will challenge your beliefs about yourself and other people. And it will help you understand a phenomenon that most of us fail to grasp—until it's too late.

**Foolish Me** Tinnean,2020-07-15 Giving up his life as a rent boy for his lover William Matheson is the easiest decision Theo Bascopolis has ever made. This smart, handsome man wants him in spite of his past and promises to love him forever. But that past has left Theo riddled with insecurities, which have a tendency to turn up when he's at his most vulnerable. Case in point: things seem to fall apart when Wills goes on an extended assignment and the number of times he contacts Theo is precisely zero. Theo might be willing to believe work is getting in the way, but then a message he receives appears to confirm another betrayal. Well, his heart may be broken, but he's not dumb enough to hang around waiting for it to get shattered. He leaves town determined to have nothing more to do with Wills. Wills returns home after an exhausting assignment only to find Theo gone with no explanation. It doesn't take him long to piece together what's happened and determine a plan of action. Wills is a man of his word who keeps his promises, and he has no intention of letting the best man he's ever found walk away from him. But having been betrayed once, is Theo willing to trust his lover not to break his heart again?

*Quid Pro Quirk* James McClinton, PhD, 2014-04 Have you ever read a Bible passage that seemed to contradict other Scriptures, or simply didn't make sense? Have you ever wanted to answer a skeptic who insisted the Bible was full of errors, but didn't know how to respond? Do you hesitate to share your faith because you don't know what you believe or why you believe it? *Quid Pro Quirk* seeks to resolve such issues and help you share the reason for the hope that is within you (1 Peter 3:15). In a legal context, the Latin phrase *quid pro quo* means to exchange something for something, or this for that. *Quid Pro Quirk* uses a courtroom setting to exchange plausible explanations for alleged Bible quirks. The compelling explanations can give you confidence as you add to your knowledge and understanding of God's Word. In *Quid Pro Quirk*, the prosecution begins with an opening statement establishing the background behind each alleged quirk and then finishes with a specific charge. The defense responds, using the Bible and other sources to dispute the charge. After considering all of the evidence, you act as judge and jury in rendering an informed verdict. *Quid Pro Quirk's* explanations are as brief and concise as possible, and yet remain faithful to the letter and spirit of God's Word in responding to a broad spectrum of charges. A handy reference source for the layman that avoids dry and endless rhetoric, *Quid Pro Quirk* focuses on the key facts that can bless you in your quest for God's truth.

When threats from Phoebe's past spark new dangers, Sam and Phoebe discover that neither is what the other expected. Standing on the edge of disaster, the disgraced Ice Queen will have to decide if she wants to forge through life alone, or let an unlikely hero melt her heart.

*I Love Growing Older, But I'll Never Grow Old* Dr. J. Ellsworth Kalas, 2013-04-01 Growing older is a process. Growing old is a conclusion. If you're growing older you see some hope because you have perspective and you keep learning. If you've grown old, you may cynically think that times have never been as bad as they are now, and that they can only get worse." This book is about learning how to "make peace with where you are right now." It's about learning from the past and then moving past it. It's about growing—personally, spiritually, and in our relationships with God and with others. If we think properly about growing older we'll never have to grow old. A discussion guide is included.

As Granger and Olivia rush to stop the escalating threats, it's not just bullets flying, but sparks too. Can Olivia find the strength to open her heart while Granger learns to trust again?
