Presenting the Past Susan Porter Benson, Stephen Brier, Roy Rosenzweig, 1986 In recent years, history has been increasingly popularized through television docudramas, history museums, paperback historical novels, grassroots community history projects, and other public representations of historical knowledge. This collection of lively and accessible essays is the first examination of the rapidly growing field called public history. Based in part on articles written for the *Radical History Review*, these eighteen original essays take a sometimes irreverent look at how history is presented to the public in such diverse settings as children's books, Colonial Williamsburg, and the Statue of Liberty. *Presenting the Past* is organized into three areas which consider the role of mass media (Packaging the Past), the affects of applied history (Professionalizing the Past) and the importance of grassroots efforts to shape historical consciousness (Politicizing the Past). The first section examines the large-scale production and dissemination of popular history by mass culture. The contributors criticize many of these Hollywood and Madison Avenue productions that promote historical amnesia or affirm dominant values and institutions. In *Professionalizing the Past*, the authors show how non-university based professional historians have also affected popular historical consciousness through their work in museums, historic preservation, corporations, and government agencies. Finally, the book considers what has been labeled people's history--oral history projects, slide shows, films, and local exhibits--and assesses its attempts to reach such diverse constituents as workers, ethnic groups, women, and gays. Of essential interest to students of history, *Presenting the Past* also explains to the general reader how Americans have come to view themselves, their ancestors, and their heritage through the influence of mass media, popular culture, and public history. Author note: Susan Porter Benson is Associate Professor and Chair of History at Bristol Community College in Massachusetts. Stephen Brier is Director of the American Social History Project and Senior Research Scholar at the Graduate Center, City University of New York. Roy Rosenzweig is Associate Professor of History and Director of the Oral History Program at George Mason University in Virginia.

Books and Beyond Kenneth Womack,2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter, and book clubs, including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories, such as cyberpunk, fantasy literature, flash fiction, GLBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Reading in America for pleasure and knowledge continues to be popular, even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres, such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

The Readers' Advisory Guide to Mystery John Charles,Candace Clark,Joanne Hamilton-Selway,Joanna Morrison,2012 Revision of: *The mystery readers' advisory: the librarian's clues to murder and mayhem* / John Charles, Joanna Morrison, [and] Candace Clark. -- Chicago: American Library Association, 2002.

Tech-Savvy Reading Promotion Nancy J. Keane,2019-04-17 Unleash new possibilities for reading promotion and readers' advisory with these technological tools that can help you to catch the interest of young readers and direct them toward positive reading experiences. Gone are the days of browsing library bookshelves—today's readers live much of their lives on their devices. Learn how to meet these young readers in their online activities by using technological tools that support independent reading and reading choices. This book shows you how to use not only more traditional social media such as

Facebook and blogs but also video, audio and print applications, databases, and more. You'll learn how to use new apps such as Moovly, Koma Koma, and Booksnap; well-known media including Twitter, Skype, Flickr, and Goodreads; and Soundcloud, Smore, Flipgrid, and ebook clubs for reading promotion and readers' advisory. For each of these technologies, you'll find a brief description of the platform, its content and applications, notes about the platform and its cost, how to use it for book promotion, and step-by-step instructions for promotional activities. Screenshots and drawings illustrate the instructions.

Stories NeverEnding Jan Irving, 2004-02-28 Children will delight in creating their very own art museum, participating in a storytelling festival, holding a yummy dinner theatre, creating a keen jeans book bag, and much more. In addition, each chapter contains a list of ideas that serve as springboards for activities that you can develop on your own. With writing projects, wordplay, arts and crafts, dramatics, math problems, history lessons, and more, this guide makes it easy to engage young learners while building literacy and reading skills, along with a love of books and reading. Grades K-6

Evaluating and Promoting Nonfiction for Children and Young Adults Don Latham, 2025-01-07 Evaluating and Promoting Nonfiction for Children and Young Adults isn't another bibliography that will quickly become outdated. Instead, it situates nonfiction resources within the recent emphasis on reading nonfiction as a way of enhancing critical thinking and combating susceptibility to "fake news." Donald Latham offers strategies for evaluating nonfiction for the purposes of collection development, providing readers' advisory, and developing programs using nonfiction for children and young adults. The book includes lists of professional resources as well as recommended nonfiction titles.

Book Lust Nancy Pearl, 2009-09-29 What to read next is every book lover's greatest dilemma. Nancy Pearl comes to the rescue with this wide-ranging and fun guide to the best reading new and old. Pearl, who inspired legions of literateurs with What If All (name the city) Read the Same Book, has devised reading lists that cater to every mood, occasion, and personality. These annotated lists cover such topics as mother-daughter relationships, science for nonscientists, mysteries of all stripes, African-American fiction from a female point of view, must-reads for kids, books on bicycling, chick-lit, and many more. Pearl's enthusiasm and taste shine throughout.

Good Books Matter Shelley Staggs Peterson, Larry Swartz, 2008 Based on extensive research on the features that make children's books appealing and appropriate, this valuable teacher resource offers guidance on selecting books, strategies for specific grade levels, suggestions for extension, and tips for assessment. This teacher-friendly book is organized around the major genres -- traditional literature, picture books, nonfiction, poetry, and multicultural texts -- that will inspire young readers. Throughout the book, teachers will find suggestions for using literature to implement shared reading, reading aloud, and response strategies with emergent, developing, and independent readers.

Thematic Guide to Popular Nonfiction Lynda G. Adamson, 2006-01-30 Popular nonfiction is widely read, and is increasingly prominent in the curriculum. This guide helps students, teachers, and librarians identify popular works of

nonfiction related to particular themes. Included are alphabetically arranged entries on 50 themes, such as Animals, Exploration, Genocide, Immigrants, Poverty, and Race Relations. Each entry begins with a definition and discussion of the theme, followed by critical summaries of three or four works of nonfiction. The entries conclude with lists of additional nonfiction for further reading, and the Guide closes with lists of additional themes and related works, along with a bibliography of works on popular nonfiction.

Of Mercy & Of Death David Dupuis, 2019-10-24 In 1167, a German nun has a troubling vision, prophesizing the end times. In 1917, Mary appears to three children in Fatima, Portugal, revealing mysterious secrets. In 1936, a young man is inexplicably hurled to his death off the side of a mountain in Italy, and the newborn he unknowingly leaves behind is spirited away to America by his terrified mother. But why? Tackling events throughout the early 20th century, *The Seven Keys of Hildegard: Of Mercy & Of Death* will challenge the very truth of what the church and the world knows. Through two world wars, and from the Vatican in Rome, Italy, to New York City and small town Canada, two knowing popes, an unsuspecting archbishop and a monsignor become entangled in Hildegard's ancient web of prophecies. And one thing is certain—Armageddon is nigh.
