The Best of Helmut Newton Helmut Newton, Zdenek Felix, 1996 Helmut Newton is not a conventional fashion photographer. While many of his photos have appeared in fashion magazines, the fact remains that they are not your typical fashion photography. Even when the women are wearing fashionable clothes, the photos are more than mere fashion shots: they possess a timeless quality that at first appears inexplicable. The women in Newton's photos are mostly placed in settings that transcend the present & its impermanence. Newton's women also wear clothes, undergarments, & shoes that cannot be assigned to any particular trend in fashion. In fact, the artist has little interest in fashion at all. His chief interest is the female body—more than just its curves & angles, but its language, its drama, its sexual energy, its profundity. The Best of Helmut Newton is a collection of his finest work. Over 100 photos spanning Newton's career, demonstrate his gift for creative poses, daringly arranged scenery, & unique perspectives. In this collection are intimate photographs of celebrities such as Jodie Foster, Debra Winger, Elizabeth Taylor, Isabella Rossellini, Daryl Hannah, & many more. The Best of Helmut Newton also includes an overview of Newton's career & exhibits, & two essays on his work.

Vogue on Yves Saint Laurent Natasha Fraser-Cavassoni, 2015-10-06 Originally born in Algeria, Yves Saint Laurent moved to Paris when he was 18, and only three years later he was handpicked by Christian Dior to take the reins as designer of his fashion house. Over time, Saint Laurent resurrected haute couture from the casual mores that predominated in the 1960s, but also offered chic cachet to ready-to-wear clothing. He was among the earliest of designers to incorporate non-European references into his work, and in 1983 he became the first living designer to be feted with a solo exhibition at The

Metropolitan Museum of Art in New York. Vogue on Yves Saint Laurent is a stellar volume in the series from the editors of British Vogue, featuring 20,000 words of original biography and history and studded with more than 80 images from their unique archive of images taken by leading photographers.
