Listen to Movie Musicals! James E. Perone,2020-01-13 Listen to Movie Musicals! provides an overview of musical theater on film for fans of the genre, with a focus on 50 must-hear musicals featured in movies. Listen to Movie Musicals! includes an overview of musical theatre and movie musicals in the United States. The 50 movies chosen for critical analysis include many of the best-known film musicals of the past and present; however, the list also includes several important movie musicals that were popular successes that are not necessarily on the best-of lists in other books. This volume also includes a greater focus on the actual music of movie musicals than do most other books, making it a stand-out title on the topic for high school and college readers. Like the other books in this series, this volume includes a background chapter followed by a chapter that contains 50 important essays on must-hear movie musicals of approximately 1,500 words each. Chapters on the impact of movie musicals on popular culture and the legacy of movie musicals further explain the impact of both the movies and their songs.

All In, All Yours Heidi Lee Anderson, 2025-10-21 Where do I go from here? We all have dreams, goals, and hopes for the future. But sometimes, we hit a wall. We face opposition and are forced down detours that make us feel lost, anxious, and unsure of our next steps. We wonder what God is doing in our lives and how to move forward. But even in the twists and turns of life, God has a purpose for us. He wants to free us from fear, doubt, and discouragement, and guide us into the abundant life He's prepared for us in Jesus. All In, All Yours is a 100-day devotional that shows us how God is our rescuer by guiding us through the biblical story of Joshua, as we follow the Israelites on their path from pain to promise. Each reading in this encouraging Christian devotional contains: scripture to show how God has always rescued His people--and still does a story for personal and spiritual growth reflection questions that will help you take the next step in following God's leading As children of God, we've already been given the Promised Land, but it is up to us to follow Him, take bold steps of faith, and trust that God is with us at every point along the journey. When we do, we will see how He paves the way, fights our battles, brings us victory, and fulfills our every need. And no matter where you are in life, you can trust that He will do the same for you in Christ.

Grease Stephen Tropiano,2011-09-01 (Limelight). In the summer of 1978, Grease was the word. On Friday, June 16, 1978, the movie musical made a major comeback when a big-screen version of the long-running rock-and-roll stage musical, Grease , opened in theaters around the country. With a talented cast led by John Travolta and Olivia Newton-John and a memorable score featuring a mixture of oldies-style rock and contemporary pop, Grease captured the look and the feel of an old-fashioned Hollywood musical while taking audiences on a nostalgic trip back to the days of poodle skirts, malt shops, drag racing, and sock hops. Stephen Tropiano takes a fascinating and revealing look at Grease as a cultural phenomenon from its humble beginnings as a fringe musical in Chicago, to its unparalleled success on Broadway, to the making of the film that became the highest-grossing movie musical of all time. You will get an in-depth, close-up look at the making of this Hollywood classic and the creative talent in front and behind the camera that made it all happen. Thirty-plus years after its release, Grease is still the word!

Shih Tzu For Dummies Eve Adamson,2011-02-25 To know a Shih Tzu is to love a Shih Tzu . . . they're irresistible, coy, flirtatious, and passionately devoted companions. They love the good life, and though they can be shrewd (or selectively deaf, or consciously naïve), the Shih Tzu is so endearing that even "big dog" lovers find themselves swooning over this adorable breed. But is the Chinese Charmer the right match for you? Shih Tzu for Dummies answers all of your questions, like: What is a Shih Tzu really like? Can I get a Shih Tzu if I have children or other pets? How difficult is grooming? Can I do it myself or should I get a professional? How do I find a good breeder? What about a good vet? What should my Shih Tzu eat? Do small dogs really need that much training? How can I teach my Shih Tzu some basic commands? The Shih Tzu is built for one job and one job alone: to be your close personal friend for life. A dog bred for companionship must be allowed to do its job, and its job is to be with you. So, if you have the time (for grooming), dedication (for training), and room (on your lap and in your heart), the Shih Tzu is a small dog with a lot of love just waiting for a new best friend.

I was a virgin who found herself lucky enough to be the last girl he'd see before leaving for war the next morning. Soft caresses, silky kisses, and velvety murmurs took me to a place I'd never been, and I knew only he would be able take me back to that place of pure bliss. But he had to go. One night of unadulterated, hot as sin, lust-filled passion was all that was in the cards for us. Seven years passed before I saw him again.

Am I Lying to Myself? Jane Greer PhD,2023-03-04 Learn to talk back to denial and start telling yourself the truth - about yourself, others, and the world around you. Denial is everywhere, keeping us from seeing reality and causing

unhappiness and frustration. It can make things disappear in the blink of an eye. It can also convince you that you are seeing what you want to see even when it isn't there, leading you to believe in nonsense along the way. People employ denial because it makes their life easier in the moment. It even makes it appear to be better, the way you would like it to be, the way you wish it was, rather than what it actually is. Denial reassures you, tells you not to worry, it's not that bad, it could be worse. But the truth is, it is a short-sighted solution, a quick fix, a temporary Band-Aid. *Am I Lying To Myself?* helps readers squelch the tendency to let their own and others' denial rule their lives. This book takes readers through a series of real-world scenarios in which people find themselves mired in denial. It will help you not only recognize denial's sneaky voice, but you will come away from each chapter with a useful skill that will help you address the denial in your own life. After reading this book, it will become second nature to talk back to denial with clarity and strength. This book will teach you how to do that. You will never lie to yourself again.
