

Jackie Wilson Higher And Higher Lyrics

Steve Sullivan

The Lyrics of Civility Kenneth Bielen, 2016-01-20 This book is the first comprehensive scholarly study of religious images in popular music. Examining bestsellers from 1906 to 1971, the work explores the role religious images have in the secularization of American culture. Popular music lyrics that express an adherence to a sacred order are couched in inoffensive, content-less language. These lyrics of civility reflect and shape the increasing secularization of American culture in the twentieth century. The analysis focuses primarily on the way these lyrics reduce the meaning of the terms and theology of the Biblical faith. The aesthetic of civility carries over into theology, the narratives, and the accompanying instrumental arrangements of songs that adhere to the Biblical sacred order. On the other hand, lyrics that reject the Biblical tradition use content-filled, offensive language. The result is that displaced adherents withdraw from the Biblical tradition and turn to alternative cultural religions, or idols of attraction, including popular music, that offer meaning to fill a void in the individual. The secularization of American society, therefore, is not a withdrawal from the idea of religion itself. The analysis focuses on the two dominant themes in songs that include religious images: prayer and heaven. The author explores the songs of the two world wars, the hit parade era, the rhythm and blues and doo-wop of the 1950s, the new folk singer movement, soul music and rock music of the 1960s, and the revival rock of the early 1970s. The work demonstrates the capacity of one form of popular culture to separate adherents from a subculture through diluting the meaning of the language of the subculture's elemental thought. (Ph.D. dissertation, Bowling Green State University, 1994; revised with new preface, bibliography, and index)

Go Home for Dinner Mike Pence, 2023-11-14 The former Vice President looks at the challenges of balancing the demands of life while maintaining a deep commitment to family and faith and how gathering around the dinner table every evening can help keep these principles intact.

Jackie Wilson Tony Douglas, 2005 First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

Listen to Soul! James E. Perone, 2021-02-23 Listen to Soul! Exploring a Musical Genre provides an overview of soul music for fans of the genre, with a focus on 50 must-hear singers, songs, and albums that define it. Listen to Soul! Exploring a Musical Genre provides both an overview and a critical analysis of what makes soul music in the United States. A list of 50

songs, albums, and musicians includes many of the best-known hits of the past and present as well as several important popular successes that are not necessarily on the best-of lists in other books. Like the other books in this series, this volume includes a background chapter followed by a chapter that contains 50 critical essays on must-hear albums, songs, and singers, approximately 1,500 words each. Chapters on the impact of soul music on popular culture and the legacy of the genre further explain the impact of these seminal compositions and musicians. This volume additionally includes a greater focus on soul music as a genre, making it a stand-out title on the topic for high school and college readers.

The Routledge Handbook of Love in Philosophy Adrienne M. Martin, 2019-01-15 The Routledge Handbook of Love in Philosophy collects 39 original chapters from prominent philosophers on the nature, meaning, value, and predicaments of love, presented in a unique framework that highlights the rich variety of methods and traditions used to engage with these subjects. This volume is structured around important realms of human life and activity, each of which receives its own section: I. Family and Friendship II. Romance and Sex III. Politics and Society IV. Animals, Nature, and the Environment V. Art, Faith, and Meaning VI. Rationality and Morality VII. Traditions: Historical and Contemporary. This last section includes chapters treating love as a subject in both Western and non-Western philosophical traditions. The contributions, all appearing in print here for the first time, are written to be accessible and compelling to non-philosophers and philosophers alike; and the volume as a whole encourages professional philosophers, teachers, students, and lay readers to rethink standard constructions of philosophical canons.

All Music Guide to Soul Vladimir Bogdanov, 2003-08 With informative biographies, essays, and music maps, this book is the ultimate guide to the best recordings in rhythm and blues. 20 charts.

Love Barbara H. Rosenwein, 2021-09-21 We make sense of love with fantasies, stories that shape feelings that are otherwise too overwhelming, incoherent, and wayward to be tamed. For love is a complex, bewildering, and ecstatic emotion covering a welter of different feelings and moral judgments. Drawing on poetry, fiction, letters, memoirs, and art, and with the aid of a rich array of illustrations, historian Barbara H. Rosenwein explores five of our most enduring fantasies of love: like-minded union, transcendent rapture, selfless giving, obsessive longing, and insatiable desire. Each has had a long and tangled history with lasting effects on how we in the West think about love today. Yet each leads to a different conclusion about what we should strive for in our relationships. If only we could peel back the layers of love and discover its “true” essence. But love doesn’t work like that; it is constructed on the shards of experience, story, and feeling, shared over time, intertwined with other fantasies. By understanding the history of how we have loved, Rosenwein argues, we may better navigate our own tumultuous experiences and perhaps write our own scripts.

The Latinist: A Novel Mark Prins, 2022-01-04 An NPR Best Book of 2022 Ingenious....a superb literary suspense novel that calls to mind an earlier such debut, Donna Tartt’s *The Secret History*. —Maureen Corrigan, *Washington Post* A

contemporary reimagining of the Daphne and Apollo myth, *The Latinist* is a page-turning exploration of power, ambition, and the intertwining of love and obsession. Tessa Templeton has thrived at Oxford University under the tutelage and praise of esteemed classics professor Christopher Eccles. And now, his support is the one thing she can rely on: her job search has yielded nothing, and her devotion to her work has just cost her her boyfriend, Ben. Yet shortly before her thesis defense, Tessa learns that Chris has sabotaged her career—and realizes their relationship is not at all what she believed. Driven by what he mistakes as love for Tessa, Chris has ensured that no other institution will offer her a position, keeping her at Oxford with him. His tactics grow more invasive as he determines to prove he has her best interests at heart. Meanwhile, Tessa scrambles to undo the damage—and in the process makes a startling discovery about an obscure second-century Latin poet that could launch her into academic stardom, finally freeing her from Chris's influence. A contemporary reimagining of the Daphne and Apollo myth, *The Latinist* is a page-turning exploration of power, ambition, and the intertwining of love and obsession.

Forward Marcia Barrett, 2018-06-21 Coming to London aged thirteen from desperate poverty in Jamaica; pregnant at fifteen; fifteen years later singing in Boney M, one of the biggest international groups of the late-1970s; a messy group split during the 1980s; a 1990s solo career interrupted by six bouts of cancer - ovarian, breast, lymph node (twice), spine and oesophagus - and having to learn to walk again. Yet throughout Marcia Barrett has remained totally cheerful, relentlessly optimistic and a shining inspiration, looking on every obstacle as a mere inconvenience rather than anything insurmountable. Now, she is ready to tell her fantastic story, which is much more than just a pop star autobiography. It is a charming, candid, laugh-out-loud story of survival, triumph, indomitable spirit and total upfullness, often driven by sheer force of will. It is a feelgood story which will resonate amongst all.

You Don't Own Me Trevor Tolliver, 2015-08-01 1963 - tail fins were in, sock hops were hot, and a fairytale white knight was president., That summer, sixteen year-old singer Lesley Gore released her debut single, "It's My Party " propelling her to Number One on the charts., For the next several years, the crowned Princess of Pop dominated the radio with a string of hits including "Judy's Turn to Cry " "She's A Fool " "Sunshine, Lollipops & Rainbows " and the rousing anthem for independence, "You Don't Own Me " making her the most successful and influential solo female artist of the 60s., But beneath the bubblegum façade was a girl squirming against social and professional pressures to simply be herself and to forge a future where she could write and perform music beyond the trappings of teenage angst and love triangles., Assembled over five years of research and interviews, this is the first and long overdue biography of Lesley Gore, one of pop music's pioneering Mothers, which chronicles her meteoric rise to fame, her devastating fall from popularity and struggle for relevance in the 1970s, and her reemergence as a powerful songwriter, political activist, and camp icon., The biography includes behind-the-scenes stories about the making of her hit records, debunks or clarifies popular myths about her career, and places her

remarkable life and times within a historical context to reveal how her music was both impacted by, and contributed to, each decade of her astounding fifty-year career.

Rock in the Musical Theatre Joseph Church, 2019-10-01 Today's musical theatre world rocks. Now that rock 'n' roll music and its offshoots, including pop, hard rock, rap, r&b, funk, folk, and world-pop music, are the standard language of musical theatre, theatre singers need a source of information on these styles, their origins, and their performance practices. *Rock in the Musical Theatre: A Guide for Singers* fills this need. Today's musical theatre training programs are now including rock music in their coursework and rock songs and musicals in their repertoires. This is a text for those trainees, courses, and productions. It will also be of great value to working professionals, teachers, music directors, and coaches less familiar with rock styles, or who want to improve their rock-related skills. The author, an experienced music director, vocal coach, and university professor, and an acknowledged expert on rock music in the theatre, examines the many aspects of performing rock music in the theatre and offers practical advice through a combination of aesthetic and theoretical study, extensive discussions of musical, vocal, and acting techniques, and chronicles of coaching sessions. The book also includes advice from working actors, casting directors, and music directors who specialize in rock music for the stage.

Selections from Rolling Stone Magazine's 500 Greatest Songs of All Time - Early Rock to the Late '60s Alfred Music, 2008-06-19 Sixty-one of the best songs of the rock era, all chosen from Rolling Stone magazine's 500 Greatest Songs of All Time list. The book covers 61 classic songs spanning 1954 to the late 1960s all arranged to include all important guitar parts and yet remain easily playable. Songs include: * 96 Tears * All Along the Watchtower * All I Have to Do Is Dream * Be-Bop-A-Lula * Blowin' in the Wind * Born to Be Wild * Both Sides, Now * The Boxer * Bye Bye Love * A Change Is Gonna Come * Dance to the Music * Don't Let Me Be Misunderstood * Eight Miles High * Everyday People * For What It's Worth * Gimme Some Lovin' * Gloria * God Only Knows * Great Balls of Fire * Heartbreak Hotel * Help! * Higher and Higher * Honky Tonk Women * Hound Dog * House of the Rising Sun * I Can See for Miles * I Got a Woman * I Got You Babe * I Want to Hold Your Hand * In the Midnight Hour * Jumpin' Jack Flash * The Letter * Like a Rolling Stone * Maybellene * Mr. Tambourine Man * Mustang Sally * My Generation * Mystery Train * Papa's Got a Brand New Bag * People Get Ready * Piece of My Heart * Ring of Fire * Rock Around the Clock * Runaway * Satisfaction * Soul Man * The Sound of Silence * Spoonful * Stand By Me * Subterranean Homesick Blues * Summertime Blues * Sunshine of Your Love * Sympathy for the Devil * That's All Right * Wake Up Little Susie * The Wanderer * The Weight * What'd I Say * White Room * A Whiter Shade of Pale * Whole Lotta Shakin' Goin On

Love Songs for Lifelong Devotion Pasquale De Marco, 2025-04-10 Love, the most powerful emotion known to humankind, has inspired countless works of art, literature, and music throughout history. Among these artistic expressions,

love songs hold a special place, captivating hearts and transcending generations with their ability to articulate the inexpressible language of love. In this comprehensive exploration of love songs, we embark on a musical journey that delves into the depths of this universal emotion, examining its many facets and manifestations through the lens of popular music. From timeless classics to contemporary hits, we uncover the stories behind the songs, the emotions they evoke, and the cultural impact they have had on society. Love songs have the unique ability to connect people from all walks of life, regardless of their background, culture, or beliefs. They provide a common ground where we can all come together and celebrate the universal experience of love. Through their lyrics and melodies, love songs have the power to transport us to different times and places, allowing us to experience the joys, heartbreaks, and complexities of love from the safety of our own homes. In this book, we explore the various themes and genres of love songs, from the tender ballads that express devotion and longing to the upbeat and celebratory anthems that capture the exhilaration of new love. We also delve into the role of love songs in popular culture, examining their impact on movies, television shows, and advertisements. Whether you are a lifelong music lover, a casual listener, or simply someone who appreciates the beauty of love, this book is an invitation to rediscover the magic of love songs and delve into the rich tapestry of emotions they evoke. Let the music be your guide as we explore the universal language of love, one song at a time. If you like this book, write a review!

Encyclopedia of Great Popular Song Recordings Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day, from Scott Joplin to Kanye West, from Stephen Foster to Coldplay, *The Encyclopedia of Great Popular Song Recordings*, Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth. Approximately 1,000 key song recordings from 1889 to the present are explored in full, unveiling the stories behind the songs, the recordings, the performers, and the songwriters. Beginning the journey in the era of Victorian parlor balladry, brass bands, and ragtime with the advent of the record industry, readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s. The odyssey continues through the Swing Era of the 1930s; rhythm & blues, bluegrass, and bebop in the 1940s; the rock & roll revolution of the 1950s; modern soul, the British invasion, and the folk-rock movement of the 1960s; and finally into the modern era through the musical streams of disco, punk, grunge, hip-hop, and contemporary dance-pop. Sullivan, however, also takes critical detours by extending the coverage to genres neglected in pop music histories, from ethnic and world music, the gospel recording of both black and white artists, and lesser-known traditional folk tunes that reach back hundreds of years. This book is ideal for anyone who truly loves popular music in all of its glorious variety, and anyone wishing to learn more about the roots of virtually all the music we hear today. Popular music fans, as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting.

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular,

less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Rock Lyrics Quiz Book Presley Love, 1994 A compendium of the most memorable lyrics of rock 'n' roll, here is a fun and challenging way for rock trivia fans to test their knowledge of the great songs of the '50s through the '90s. Whether it's the Motown Sound, British Invasion, Psychedelic Rock, Punk, or just plain Elvis, here are lyrics in many different categories.

Billboard, 1967-09-23 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Dolly Parton, Gender, and Country Music Leigh H. Edwards, 2018-01-06 The Foreword Indies Gold Medal Winner that "analyzes Dolly Parton as a performance art project designed to subvert gender and class expectations" (Shondaland). Dolly Parton is instantly recognizable for her iconic style and persona, but how did she create her enduring image? Dolly crafted her exaggerated appearance and stage personality by combining two opposing stereotypes—the innocent mountain girl and the voluptuous sex symbol. Emerging through her lyrics, personal stories, stage presence, and visual imagery, these wildly different gender tropes form a central part of Dolly's media image and portrayal of herself as a star and celebrity. By developing a multilayered image and persona, Dolly both critiques representations of femininity in country music and attracts a diverse fan base ranging from country and pop music fans to feminists and gay rights advocates. In *Dolly Parton, Gender, and Country Music*, Leigh H. Edwards explores Dolly's roles as musician, actor, author, philanthropist, and entrepreneur to show how Dolly's gender subversion highlights the challenges that can be found even in the most seemingly traditional form of American popular music. As Dolly depicts herself as simultaneously "real" and "fake," she offers new perspectives on

country music's claims of authenticity. "A valuable contribution to studies of celebrity, gender, music, media, and popular culture that should be useful to scholars working in any of these areas." —Celebrity Studies "A stellar exploration of how Parton deftly balanced traditional country aesthetics with her willingness to rebel against those same trappings by completely owning her image and how she performed her femininity." —Bearded Gentlemen Music

New Orleans Radio Dominic Massa, 2014-10-20 From humble beginnings in a physics lab on the campus of Loyola University came the sounds of the first radio station in the lower Mississippi River Valley when WWL Radio signed on in 1922. The little station would grow into a national powerhouse, with its morning Dawnbusters show and nightly broadcasts from the Blue Room of the Roosevelt Hotel. The city's second oldest station, WSMB, with studios in the Maison Blanche Building, developed its own cast of favorites, including Nut and Jeff. Later, in the city known as the birthplace of jazz, radio played a key role in popularizing early rock and roll. Disc jockeys at leading stations WRIX and WNOE helped develop the Crescent City sound, along with local personalities with colorful names like Poppa Stoppa, Jack the Cat, and Dr. Daddy-O.
