**The Mystery Tree house, Book 1** Bamidele Isaac Akinlabi, 2024-12-06 In the heart of an uncharted ocean, far from any shore, stands a towering tree unlike any other, a tree that holds life, death, and secrets deep within its ancient bark. This is The Mystery Tree House, a refuge and a curse for the shipwrecked souls who find themselves marooned on its immense roots. When a fierce storm leaves a diverse band of survivors stranded on this colossal tree, they soon discover its life-sustaining waters and mystical properties. Led by Warrior Is Born, a West African sailor turned reluctant leader, they carve out a new society within the tree's hollowed trunk. But beneath the paradise they build, shadows lurk, dark forces that threaten to unravel their fragile existence. As they struggle to survive and understand the tree's mysterious power, the tree house reveals its true nature, a place where treachery festers as deeply as the roots that anchor it to the sea floor. As Warrior Is Born ascends to kingship, he must navigate a web of power struggles, ancient prophecies, and supernatural forces. The stakes are nothing less than the survival of his people and the very soul of the tree itself. The Mystery Tree house is a gripping tale of leadership, sacrifice, and the eternal battle between human ambition and the natural world's inscrutable power. Discover a world where myth and reality intertwine, and every decision could be their last.

**Claimed By The King's Gamma** Jessica Hall, She was freed from death, only to become a servant in the King's castle. Until one man saw her for who she truly was. Abbie never wanted to be saved. Because sometimes, survival feels like another kind of prison. She was freed from death, only to become a servant in the King's castle. Until one man saw her for who she truly was. When King Kyson intervened on the day of her execution, she was given a choice—become a servant in the Valkyrie Kingdom or be left to die at the hands of her alpha. She chose to live. But living has never felt so empty. Trapped in a castle that will never truly be her home, Abbie is haunted by her past, her trauma, and the scars no one else can see. Until Gannon—the King's Gamma—sees her. Gannon is cold, unreadable, and terrifying. He is everything Abbie should fear. And yet, in his presence, she feels something she hasn't in years. Safe. But safety is an illusion. Because when Abbie's fated mate appears—a man who will stop at nothing to claim her—she must decide: Trust the man who terrifies her? Or submit to the one who swears she belongs to him? Sometimes, the worst mistake is choosing wrong.
