CL Gary

LADIES OF THE LAKE. CATHY. GOHLKE, 2023

Ladies of the Lake Caitlin Matthews, John Matthews, 1992 This exhilarating exploration provides authentic textual background to a complex mythology about nine of the women in Arthurian legend. In addition, there are guided visualizations for each of the Ladies, which will open pathways to readers on their own personal quest.

Ladies of the Lake Haywood Smith,

Ladies of the Lake Haywood Smith, 2010-08-31 From Haywood Smith, the New York Times bestselling author of THE RED HAT CLUB novels comes a pitch perfect story of four sisters who are forced to come together after years of silence Sisters Dahlia, Iris, Violet, and Rose—all with grown children of their own—have a complicated relationship, so when their grandmother's will requires them to spend the whole summer—without friends or family—camping in at her run-down lodge on remote Lake Clare in order to inherit the valuable land, old rivalries and new understanding emerge, with plenty of laughs along the way. Desperate to save her Buckhead home from foreclosure after being left in the lurch, recent divorcee Dahlia must complete the summer and sell her share immediately. Practical, even-tempered Violet will be no problem, but Iris has been Dahlia's nemesis since she learned to say, no to her big sister. And super-sweet, quirky Garage Sale Queen Rose is so green she'd test the patience of a saint. As tempers flare and old secrets are revealed, four grown women discover that the past is never truly buried, in Haywood Smith's Ladies of the Lake.

Ladies of the Lake Kathleen Bagley, 2004-06-01 Ladies of the Lake is a collection of twenty-three interviews and 120 accompanying photographs of the women at home in their unusual camps and surrounding environments. Ladies like eighty-two-year-old Helen Murray, who converted her camp to a popular club after World War II with zany style and grace; the eccentric yet practical artist Margo Fish, who hand-built the charming and enchanting Tapawingo compound out of intricate twig and stone; and scratch-golfer and financial-expert Sue Riggins, who lost her one true love but managed to hang on to her camp. All are united by the lake's remarkable hold on them. This book is for anyone who visits or appreciates Lake Placid and the Adirondack area and has an interest in the region's rich culture and history. But it is also written for women and men who spend time on the water anywhere, for lovers of the changing seasons, for armchair enthusiasts who have never visited the area, and for anyone who wonders or delights in the serendipitous and inspiring lives of women everywhere.
