Meet Me Halfway Lilian T. James,2022-03-29 Madison gave her heart to a boy at the age of sixteen, but all she got in return was a broken heart and a swollen belly. Alone with a baby and desperate for the love and affection she hadn't found, she turned to a man who sealed his claim of devotion with a diamond ring. He promised her a family. A life. A future. But his lies had only been a cover for the personal hell he introduced her to daily. Now, at twenty-five, Madison has long since stopped believing in love. It's simply not a square on her bingo card. Balancing single parenthood, three jobs, and online courses, she doesn't have the time anyway. So when the broody neighbor living in the other side of her duplex leaves a rude note on her door, she's not interested. Not in his dark hair, not in his physique, and definitely not in the dimples she's only seen a hint of. She's one hundred percent, absolutely, not interested. Not even a little.

Meet Me Halfway Dayane de Oliveira,

String Me Along Lilian T. James, 2023-05-30 Between moving across the country to help her best friend and building her music career from scratch, Layla is pretty dang proud of what she's accomplished. She's booked every weekend, and her name is quickly becoming well known in the area. So it comes as a shock when her booking agent slowly stops calling her. That is, until she runs into the musician who's been stealing her gigs. She can't deny he has a voice to die for and the body of a god, but neither helps the fact that his personality is pure poison. Their exchanges never fail to boil her blood, but it's a game she starts to look forward to, and she's determined not to back down first. She always thought she wanted the sweet love she sings about. But with every quick-tongued remark and heated glance, she realizes sweet might not burn the way she needs. And what better way to stoke a fire than with a little bit of hate.
