If I Can't Have You, No One Can Don Lasseter, 2014-08-26 Lady Killer Richard Namey, 26, drug abuser and woman-beater, had already threatened a previous girlfriend with a gun, but she'd gotten away. Sarah Rodriguez, 21, wasn't so lucky. On April 16, 2002, in Orange County, California, she and her true love, Matt Corbett, 20, were forced off the road by Namey, who shot them both at point-blank range with a .357. Sarah was killed. Corbett was paralyzed for life. Real Hero After a 42-mile chase, Namey was finally cornered in a drainage tunnel by a police dog. He pleaded manslaughter, claiming he'd really meant to kill himself in front of Sarah. No deal. The man he faced was not your average deputy district attorney: Dennis

Conway had pulled himself out of a wayward life torn by seemingly insurmountable tragedy and into law school. He knew all about guys like Namey--and exactly where to find the holes in his story. The verdict: first-degree murder, life sentence. Score one for the good guys. Includes 16 pages of shocking photos.

Of Greater Value Mark Mann, 2001-10 Have you heard from our hero? Have you heard from the hero within you? Has that inner voice ever compelled you to reach for an elusive dream, or did you turn away, and deny that dream as foolishness? What if fantasy and reality converged, and you were given the chance to make a dream come true? How far would you go? How much of yourself would you risk?

The Devil Rides Outside John Howard Griffin, 2010-10 No less a critic than Clifton Fadiman called *The Devil Rides Outside* a staggering novel. The first novel of John H. Griffin, it written during the author's decade of blindness following an injury suffered during the closing days of World War II. As *Time Magazine* described it, *The Devil Rides Outside* has some things relatively rare in U.S. letters: energy, earnestness and unashamed religious fervor. Written as a diary, the novel relates the intellectual and spiritual battles of a young American musicologist who is studying Gregorian chant in a French Benedictine monastery. Even though he is not Catholic, he must live like the monks, sleeping in a cold stone cell, eating poor food, sharing latrine duties. His dreams rage with memories of his Paris mistress; his days are spent being encouraged by the monks to seek God. He takes up residence outside the monastery after an illness, but he finds the village a slough of greed

and pettiness and temptation. Indeed, as the French proverb says, the devil rides outside the monastery walls.

The Journey To An Undefeated Mind Yolanda Lear,2020-11-29 “The Journey To An Undefeated Mind” is a book inspired by myself, the author's personal battle against mental health. It is about all the lessons and blessings I learnt along my journey. I wanted to share this with other's so that they can get through their own journey. My book The Journey To An Undefeated Mind is all about the reader, it is a direct conversation or speech from the author to the reader. Guiding them through this journey, advising them, encouraging them, speaking life into them when they feel low. Something I didn't have around me, as often as I would have liked it when I was going through my journey, my battles against mental health. I believe my book, could be a big help to many people facing mental health, whether you are facing it alone or not. It's like having a pocket size friend travel along with you. Ok maybe slightly bigger than pocket size. But you get what I mean. How often have you had to face something, and you wished you had that extra bit of help guiding you through. Enough support to help you on the right path. But not too much, so you can learn to do it yourself. This is what my book is there for. That extra bit of support. That motivator, friend that shows you your worth. Shows you that you can, and always could do it. You just had to start believing in yourself. This is what “The Journey To An Undefeated Mind” is there for. To get you to start believing in yourself again. To get you to understand, that in life, you are bound to fall, bound to fail a couple times. But you will only be defeated, if you choose to stay down, if you choose to stay defeated. Having an “Undefeated Mind” means yes in life, we may fail, we may take some L's, but we won't be defeated in life.

Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence James

Abdelmalek,2022-08-01 In our daily lives, we run into multiple emotions. We may run into troubles, yet we can find peace. We may face hardships, yet we can find prosperity. We may find suffering, yet we can find comfort. We may get angry, yet we can find calmness. We may get desperate, yet we can find hope. We may hate others, yet we can find love. We may judge others, yet we can find forgiveness. We may hurt others, yet we can be a help. We may stumble others, yet we can be an inspiration. We may curse, yet we can bless. We may gossip, yet we can pray. It is simply a choice between living as the world and living through Jesus. Jesus is always present as He promised. God is always near as He assured us. We run into sorrow because we forget God's true promises. We are sad in our life because we forget Christ's guidance. If we look at God's words and contemplate about how much He cares for us and how much He loves us, We will be able to handle any situation at any time, by any means, through Christ our Lord.

The Price of Emotions Morgan B. Blake, 2025-01-22 In a world where emotions are bought and sold, the price of feeling has never been higher. *The Price of Emotions: How Artificial Feelings Can Destroy Us* takes you on a dark, chilling journey into the dangerous world of purchasing emotions, where the consequences are as twisted as they are irreversible. This collection of morbid, psychological short stories delves deep into the human psyche and explores the terrifying impact of artificial emotions, where feelings are no longer born from experience but bought from an app, manipulated, and consumed. What happens when grief, happiness, anger, and love become commodities? What happens when people choose to buy these emotions in order to escape their pain or to find temporary solace? The characters in these stories discover the horrific truth: emotions, when artificially manufactured, become uncontrollable, devastating forces that warp their realities and destroy their lives. In one story, a woman buys sorrow to mourn the loss of a loved one, only for the grief to become an unshakable, consuming shadow that she can never escape. In another, a man purchases rage to confront his enemies, but the anger grows so powerful that it destroys everything in its path—his relationships, his career, and his sanity. Each tale is a haunting exploration of how these emotions, once artificial, take on a life of their own, twisting and overwhelming the very people who sought them. From a man desperate to find happiness through a quick purchase, only to find that the fleeting joy leaves him emptier than before, to a woman who buys love in a bid to fix her broken heart, but ends up trapped in an unhealthy obsession—each story presents a disturbing vision of how our need for control over our emotions can lead us down a path of darkness. These characters make choices they believe will liberate them, but in the end, they only find deeper despair, confusion, and isolation. *The Price of Emotions* is not just a collection of dark, psychological tales—it is a thought-provoking exploration of the price we pay for manipulating our feelings, and the devastating consequences when we try to outsource the essence of what makes us human. Will we ever learn to live with our real emotions, or will we continue to fall victim to

the artificial? If you love hauntingly unsettling stories that make you question the very nature of your existence, this collection is for you. Brace yourself for a gripping, unrelenting experience, where the cost of artificial emotions is not just a financial one—it is your soul.
