**The Complete Lyrics of Irving Berlin** Robert Kimball, Linda Emmet, 2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies \* Always \* Cheek to Cheek \* White Christmas \* God Bless America \* There's No Business Like Show Business \* and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top

Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The breadth of his accomplishment is staggering.

A&R *Pioneers* Brian Ward,Patrick Huber,2018-06-26 Association for Recorded Sound Collections Certificate of Merit for the Best Historical Research in Recorded Roots or World Music, 2019 A&R *Pioneers* offers the first comprehensive account of the diverse group of men and women who pioneered artists-and-repertoire (A&R) work in the early US recording industry. In the process, they helped create much of what we now think of as American roots music. Resourceful, innovative, and, at times, shockingly unscrupulous, they scouted and signed many of the singers and musicians who came to define American roots music between the two world wars. They also shaped the repertoires and musical styles of their discoveries, supervised recording sessions, and then devised marketing campaigns to sell the resulting records. By World War II, they had helped redefine the canons of American popular music and established the basic structure and practices of the modern recording industry. Moreover, though their musical interests, talents, and sensibilities varied enormously, these A&R pioneers created the template for the job that would subsequently become known as record producer. Without Ralph Peer, Art Satherley, Frank Walker, Polk C. Brockman, Eli Oberstein, Don Law, Lester Melrose, J. Mayo Williams, John Hammond, Helen Oakley Dance, and a whole army of lesser known but often hugely influential A&R representatives, the music of Bessie Smith and Bob Wills, of the Carter Family and Count Basie, of Robert Johnson and Jimmie Rodgers may never have found its way onto commercial records and into the heart of America's musical heritage. This is their story.
