Heartbeat of a Survivor Nita Tin, 2025-05-01 I glanced behind me and saw my husband being detained. The guards interrogated him and took his photo as the flashbulbs illuminated his face. The moment felt like an eternity as they searched Pe's body from head to toe. And then, he was forced to sign yet another confession. Looking on, I held my breath in anticipation as my 5-year-old son asked, Are they going to let us go? Nita Tin, born in Rangoon, Burma, and descended from nobility, was raised in an opulent lifestyle. But as her country came under the control of a ruthless military dictator, her whole life changed. She lived through a brutal massacre of university students shot down by the government, the imprisonment of family members, struggle, oppression, and poverty. As newlyweds, she and her husband survived life in an impoverished village riddled with life-threatening illnesses in a region where there was no electricity or drinking water, and very few medical supplies, as he cared for 100,000 patients as a solo physician in cramped and unhygienic quarters. Then, in 1973, she fled her home of Golden Pagodas with her husband and two children to enter the Land of Liberty, where her soul was set free in a greater way than she could have ever dreamed possible. She is passionate about sharing this story because she was the person who was set free from bondage, fear, and tyranny to a life overflowing with freedom, hope, victory, and joy. Through the valleys and difficult trials in her life, she discovered that no matter the circumstance, the pain, the heartache, the loss, or the sorrow, God can break the chains that hold us, leading us to a life that is abundant and meaningful. Her story is a faith journey of unending marital romance rooted in a never-ending spiritual hunger and an ever-growing experience of God's love. A former Buddhist, Nita Tin is originally from Burma, currently known as Myanmar. She is the co-founder of Tin Laser Vision and The Aesthetic and Wellness Spa and was Practice Administrator of the Chattanooga and North Georgia medical practice for 45 years. She is an avid Motivational Speaker, a Conference Leader, a Bible Teacher, an Author, an Artist, and a Life Coach. She received the 2023 Lydia Impact Award from the Scenic City Women's Network for her contribution as an Extraordinary Working Christian Woman. A movie script based on her story was officially chosen by the Christian Worldview Film Festival 2023 and was awarded 2nd place. The movie Heartbeat of a Survivor is currently in the works. Her prolific letters of encouragement and heart-warming lectures pointing to God's grace and mercy have ministered to hundreds of students, friends, colleagues, and patients. The journey to our eternal home is her theme, and her message is hope, strength, and encouragement for a child of God traveling through the pain and hopelessness of a fallen world and God's offer of freedom and salvation for those who are still trapped in sin's darkness. Her life's verse is found in Jeremiah 31:3: I have loved you with an everlasting love, therefore with lovingkindness have I drawn you. God's unending love is what she pours out through her life and ministry as she seeks to draw believers closer to bask in the love of a heavenly Father. Nita describes herself as an emptied, broken vessel, saved to tell of the glorious gospel of Christ.

**Best Words, Best Order** S. Dobyns, 2016-04-30 In this new edition of Best Words, Best Order, Stephen Dobyns further

For this new second edition, Dobyns has added two new essays, one dealing with the idea of beauty in poetry and another dealing with the almost mystical way poets connect seemingly disparate elements in a single work.

**The Personal Path to Virtue** Carolyn Ragodos,2014-08-20 Are You the Ruby Woman? The word virtuous means high moral excellence. As you look into becoming the Virtuous Woman, you must realize she is of great value to God, and - more importantly - she is very rare. Rubies are the rarest and most valuable of all gems and rubies are exceedingly fragile. The miner that finds them must have great skill in cutting and removing the ruby because it is easily fractured and lost when handled incorrectly. However, when the ruby is mined, cut with precision, and placed in a setting, its strength rivals that of a diamond. You are the precious ruby in this story, and your value to God is far above the value of many rubies. The Master Miner, God, has found you, loves you, and desires for you to be set in a ring to show off how rare and beautiful you really are.

*Chasing Adonis* Tim Bergling, 2013-04-03 What is it about some men that makes them an object of our deepest desires? And how far are we willing to go in pursuit of those desires? *Chasing Adonis: Gay Men & the Pursuit of Perfection* delves into one of the most central mysteries of gay life: What is it gay men find attractive in other men, and why? How much is nature, how much is nurture . . . or maybe just clever marketing? This unique book examines steroid use, body image disorders, gym culture, Internet hook-ups, obsession, stalking, porn, erotic Web sites, strip clubs and everything else that makes gay men act a little bit nutty when they meet someone who drives them crazy! Frank, sexy, and controversial, it uses a light touch to examine a serious subject: how gay society objectifies the male body. Tim Bergling, author of *Sissyphobia: Gay Men and Effeminate Behavior* and *Reeling in the Years: Gay Men's Perspectives on Age and Ageism*, surveys gay men about their individual concepts of beauty and desire and about the almost unattainable Adonis standard many of them set for themselves. Teenagers, senior citizens, and the guys stuck in the middle discuss the idea of perfection, how much it changes or evolves over time, and whether the exterior package outweighs what's inside. From the author: It never ceases to amaze me just how powerful the 'd-word' (desire) can be, how it can take control of our lives and shut everything out, sometimes for just a few moments, sometimes for days or weeks at a time, depending on how badly we're smitten. Ask just about anybody, and they can likely pull up a story from their past when they've done something incredibly stupid or ill-advised, or maybe just something completely out of character, in pursuit of their heart's desire. *Chasing Adonis* examines: obsession and rejection self-esteem issues the allure of youth preferences in body shapes, types, and sizes designer genes vs. first impressions assessing body parts narcissism or comfort level-why men chase after guys who look like them AIDS and HIV gay
