Billy 9F David Finley,2021-11-03 BILLY 9F Like Orwell's 1984 — but even funnier! In a grim School-centred dystopia where humour is outlawed and laughter—even a single HA!—is met with an excruciating electric shock to the neck, Billy 9F is the ultimate threat: a Class Clown. When he's labeled a menace for his extremely convincing and sublimely funny fake snot, barf and turd pranks, Billy joins a underground comedic resistance movement with a mysterious new student, Jamie 9F, her mysterious grandfather, the Major, an ultra-mysterious revolutionary leader named Poopoo the Clown, and Billy's not-at-all mysterious but highly malfunctioning android mentor, Uncle Mike. To free his imprisoned parents, save his little sister's life and liberate the joyless populace, Billy must fully realize his own natural-born gifts—and harness the awesome power of laughter. Billy 9F is darkly funny, fast, and surprisingly hopeful. Perfect for fans of *The Giver* and *Scythe*, Billy 9F will appeal to readers 12 years of age to infinity who love page-turners with big ideas—and lots of laughs!

Edward Albee and Absurdism ,2017-01-05 In *Edward Albee and Absurdism*—the inaugural volume in the new book series, *New Perspectives in Edward Albee Studies*—Michael Y. Bennett has assembled an outstanding team of Edward Albee scholars to address Albee's affiliation with Martin Esslin's label, "Theatre of the Absurd," examining whether or not this label is appropriate. From scholarly essays and lengthy review-essays to an important interview with the noted playwright and

director, Emily Mann, the aim of this collection is to, at last, directly (and indirectly) confront Esslin's label in regards to Albee's plays in order to create a scholarly atmosphere that allows future Albee scholars to move on to new and, frankly, more relevant lines of inquiry. Contributors are: Michael Y. Bennett, Linda Ben-Zvi, David A. Crespy, Colin Enriquez, Lincoln Konkle, David Marcia, Dena Marks, Brenda Murphy, Tony Jason Stafford, and Kevin J Wetmore Jr.

Learning to Care Robert Wuthnow, 1995-11-02 Urgent calls have gone forth--from the White House and Congress, from schools, churches, synagogues, and other agencies--for Americans to become more involved in caring for the needy and in serving their communities. And as federal and state governments across the nation cut back on aid to the poor and disabled, the role of volunteerism can only grow in importance. But how can we inspire caring behavior in our young when so many adults seem indifferent to the problems of the needy, when many problems (such as homelessness) seem beyond individual effort, and when agencies often come under fire for ineffectiveness if not corruption? Drawing on deeply moving personal accounts from young people who have become involved in community service, as well as on data from recent national surveys, *Learning to Care* looks at why teenagers become involved in volunteer work, what problems and pressures they face, and what we can do to nurture caring in our youth. Robert Wuthnow's intimate interviews bring to life the stories of high school student volunteers, teenagers such as Tanika Lane, a freshman who works with Literacy Education and Direction (LEAD), a job-training program for inner-city kids, and Amy Stone, a homecoming queen and student-body president at a suburban southern school who organizes rallies for AIDS awareness. Through these profiles, Wuthnow shows that caring is not innate but learned, in part from the spontaneous warmth of family life, and in part from finding the right kind of volunteer work. He contends that volunteers' sense of service is shaped by what they find in school service clubs, in shelters for the homeless, in working with AIDS victims, or in tutoring inner-city children. And Wuthnow also argues that the best environment to nurture the helping impulse is the religious setting, where in fact the great bulk of volunteering in America takes place. In these organizations, as well as in schools and community agencies, teenagers can find the role models and moral incentives that will instill a sense of service that they can then carry into their adult life. Robert Wuthnow is one of our leading commentators on religious life in America, the author of *Acts of Compassion*, which was nominated for both a Pulitzer Prize and a National Book Award. *Learning to Care*, the sequel to that highly acclaimed volume, offers an eye-opening (and somewhat reassuring) portrait of volunteerism among America's youth, as it helps lay the groundwork for teaching our children to care.

Folktales of Mayotte, an African Island Lee Haring,2023-07-13 The book uncovers the versatility and literary skills of oral narrators in a small African island. Relying on the researches of three French ethnographers who interviewed storytellers in the 1970s-80s, Lee Haring shows a once-colonised people using verbal art to preserve ancient values in the postcolonial world, when the island of Mayotte was transforming itself from a neglected colony to an overseas department of France. The author's innovation is to read ethnographic researches as play scripts—to see printed folktales as accounts of live performances. One storyteller after another comments symbolically on what it is like to be a formerly colonised population. Storytelling women, in particular, combine diverse plots and characters to create traditional-sounding stories, which could not have been predicted from the African, Malagasy, Indian, and European traditions coexisting in Mayotte. Haring's account shows them to be particularly skilled at irony and ambiguity, conveying both submissive and rebellious attitudes in their tales. He makes Mayotte storytelling accessible to a new, English-speaking audience and demonstrates that traditional storytellers in those years were preserving, but also critiquing, their inherited social order in a changing world. Their creative intentions, cultural influences and widely different narrative styles constitute Mayotte's system of the arts of the word. Literary specialists, folklore enthusiasts, and people who like reading stories will find much to appreciate in this engaging and sophisticated book.

Paris Forever Anushka Agrawal,2025-08-04 Paris Forever is a tender, evocative coming-of-age novel that follows the journey of Advika, a girl with a gentle heart, navigating the quiet ache of being misunderstood in a world that moves too fast. In the bustling corridors of college life, she loses her sense of belonging, her voice dimmed by broken friendships and heavy silences. The world around her shifts, and she finds herself retreating inward, holding tight to fragments of who she once was. Just when the light seems too far to reach, Samar enters her world, not to rescue her, but to sit beside her in the dark. With patience, warmth, and unwavering care, he becomes the quiet place where she can finally rest. Their love doesn't rush or roar, it blooms slowly, like trust, like healing. As Advika steps away from the life she once knew, she begins to rebuild, not just a future, but herself. Through family, therapy, and the soft courage that Samar helps her find, she starts to believe in joy again. And years later, beneath the glow of the Eiffel Tower, in a city known for its romance, she finds something deeper than love, peace. Paris, Forever is not just a story of falling in love, but of rising through it. A celebration of second chances, emotional intimacy, and the quiet power of being held by someone who sees your soul and stays.
