International Brand Management of Chinese Companies Sandra Bell, 2008-03-29 China is certainly doing its best to keep the world mesmerized by its economic achievements. The Chinese economic growth story that begun 30 years ago has in terms of dynamics and duration long since surpassed all those “economic miracles” which have brought Germany, Japan, and the South East Asian Tigers into the top-league of the industrialized world. The rapid expansion of the Chinese economy has gone along with a fledgling re-integration of China into the global economic system. In the course of the last 30 years China has become a major player in the global economy and today is on a trajectory towards even greater prominence. In recent years, the Chinese economy seems to have reached an important threshold line of economic development and global integration. In the first quarter century of reform and global opening, Chinese enterprises have been largely confined to a ‘passive’ role in the global division of labor. Foreign enterprises as the proprietors of greatly superior business models, production technologies, management models as well as very competitively established brands have been integrating Chinese players in their value chains and global operations. Lacking the necessary production technologies, products as well as marketing knowledge to successfully address OECD-consumers, Chinese enterprises have been hardly able to enter the global markets without such guidance. Now, this constellation is changing.

Protecting, Promoting and Supporting Breastfeeding Mary A. Uyoga,Seema Miharshahi,Bindi Borg,2025-03-14 Breastfeeding is widely recognized as the best start to life for all infants and one of the most effective, and cost effective, investments nations can make for the future health of their community. The World Health Organisations recommend exclusive breastfeeding for the first 6 months of life and introduction of nutritionally adequate and safe complementary (solid) foods at 6 months together with continued breastfeeding up to 2 years of age or beyond. Enabling women to breastfeed is key to the sustainable development goals as it improves nutrition, ensures food security, and reduces inequalities between and within countries. Lack of breastfeeding is an important issue with health, social, and economic implications. Infants who do not receive breast milk are more likely to experience infections and poorer health outcomes than breastfed infants. In addition, there are also health implications for mothers who do not breastfeed.

Cigar Box Lithographs Charles J. Humber,2019-12-05 Just as this publication was ready for the printer, a very rare cigar box was listed on an internet auction site. Recognizing its rarity and extraordinary appeal, a decision was made to bid on it with the hopes of purchasing it. As author, I won. But I also knew that it was too late to include this Davy Crockett cigar box alongside the more than 100 other cigar boxes already headlined and profiled in this particular 200-page volume. After winning the bid a final decision was made to illustrate this cigar box on the back cover of this production. In so doing readers have a chance to scrutinize a very rare and a one-of-a-kind cigar box. Of course, any cigar box that lithographically headlines Davy Crockett usually identifies the famous American frontiersman with the Alamo (see this Volume, page 114) and how he and 200 Texans were killed in 1836 by Santa Anna's 1500 strong Mexican forces. A wide-spread interest in Davy Crockett ever since has become the norm. Tennessee Ernie Ford popularized him in 1955 with his hit "The Battle of Davy Crockett". John Wayne immortalized Davy Crockett when he played the famous frontiersman in the 1960 Hollywood blockbuster, *The Alamo*. The stunning lithographic print on the inside lid of a wooden cigar box made by William Simpson of Massachusetts, circa 1900, now highlights this back cover of this book and demonstrates the ultimate bravery of a young Davy Crockett protecting individuals inundated with a blizzard and petrified of wolves trying to push their way into the pioneer Log Cabin (see this Volume, pages 108- 109) that the legendary frontiersman is valiantly guarding and resolutely defending. This Davy Crockett lithographic print is one of the highlight prints of the book....
