

After This Alice McDermott

Linda De Roche

After This Alice McDermott, 2006-09-05 Alice McDermott's powerful novel is a vivid portrait of an American family in the middle decades of the twentieth century. Witty, compassionate, and wry, it captures the social, political, and spiritual upheavals of those decades through the experiences of a middle-class couple, their four children, and the changing worlds in which they live. While Michael and Annie Keane taste the alternately intoxicating and bitter first fruits of the sexual revolution, their older, more tentative brother, Jacob, lags behind, until he finds himself on the way to Vietnam. Meanwhile, Clare, the youngest child of their aging parents, seeks to maintain an almost saintly innocence. *After This*, alive with the passions and tragedies of a determining era in our history, portrays the clash of traditional, faith-bound life and modern freedom, while also capturing, with McDermott's inimitable understanding and grace, the joy, sorrow, anger, and love that underpin, and undermine, what it is to be a family.

Someone Alice McDermott, 2013-11-07 The quietest life can resonate the longest. A beautiful, bittersweet masterpiece about a remarkable journey of the heart SHORTLISTED FOR THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD 2015 LONGLISTED FOR THE NATIONAL BOOK AWARD 2014 Someone begins on the stoop of a Brooklyn apartment building where Marie is waiting for her father to come home from work. It is the 1920s and in her Irish-American enclave the stories of her neighbours unfold before her short-sighted eyes. As the years pass Marie's own history plays out against the backdrop of a changing world. This is the story of one life in all its devastating pains and unexpected joys; its bursts of brilliant clarity and moments of profound confusion. Fragments of a curious childhood, of adolescent sexual awakenings, of motherhood and, finally, old age are pieced together in this resonant tale of an unremarkable, unforgettable woman.

'A beautiful book' Sunday Telegraph 'Masterful' Irish Times 'Exquisite' New York Times

Child of My Heart Alice McDermott, 2007-04-01 A young girl's astonishing, poignant first look into the turbulent heart of things I had in my care that summer four dogs, three cats, the Moran kids, Daisy, my eight-year-old cousin, and Flora, the toddler child of a local artist. There was also, for a while, a litter of wild rabbits, three of them, that had been left under our back steps.... Alice McDermott's haunting and enchanting new work of fiction--her first since the bestselling *Charming Billy*, winner of the 1998 National Book Award--is narrated by a woman who was born beautiful. Her parents decided that her best chance in life was to marry a wealthy man, so she was raised on the east end of Long Island, among the country houses of the

rich. On the cusp of fifteen, she is the town's most sought-after babysitter--cheerful, beloved, a wonder with children and animals, but also a solitary soul with an already complex understanding of human nature--when her favorite cousin, Daisy, comes to spend the summer. The narrator's witty, piquant, deeply etched evocation of all that was really transpiring under the surface during that seemingly idyllic season gives her wry tale--infused with suppressed passion, disappointment, and enduring hope--its remarkable vividness and impact. Once again, Alice McDermott explores the mysterious depths of what seems like everyday life with unforgettable insight and resonant emotional power.

That Night Alice McDermott, 2013-11-21 'A stunning work' Sunday Times 'That Night has universal appeal ... there is a depth of feeling here which is beautifully - and seriously - realised' Independent _____ The evocative second novel from National Book Award winner Alice McDermott On a warm suburban night, the sound of lawn sprinklers is drowned out by the rumble of hot rods. Suddenly, a car careens onto a family's neat front yard, teenage boys spill out brandishing chains and leather, and a young man cries out for the girl he loves. Tonight, fathers will pick up snow shovels and rakes to defend their turf, and children will witness a battle fuelled by fierce, true love. This is the night they will talk about and remember as the moment things changed for ever.

The Ninth Hour Alice McDermott, 2017-09-19 A magnificent new novel from one of America's finest writers—a powerfully affecting story spanning the twentieth century of a widow and her daughter and the nuns who serve their Irish-American community in Brooklyn. On a dim winter afternoon, a young Irish immigrant opens a gas tap in his Brooklyn tenement. He is determined to prove—to the subway bosses who have recently fired him, to his pregnant wife—that “the hours of his life . . . belonged to himself alone.” In the aftermath of the fire that follows, Sister St. Saviour, an aging nun, a Little Nursing Sister of the Sick Poor, appears, unbidden, to direct the way forward for his widow and his unborn child. In Catholic Brooklyn in the early part of the twentieth century, decorum, superstition, and shame collude to erase the man's brief existence, and yet his suicide, though never spoken of, reverberates through many lives—testing the limits and the demands of love and sacrifice, of forgiveness and forgetfulness, even through multiple generations. Rendered with remarkable delicacy, heart, and intelligence, Alice McDermott's *The Ninth Hour* is a crowning achievement of one of the finest American writers at work today.

At Weddings and Wakes Alice McDermott, 2003-05-01 A moving evocation of life's inexplicable calamities and also a magical celebration of childhood and the bonds of family, *At Weddings and Wakes* is the story of three generations of an Irish-American family through the eyes of its youngest members

Absolution Alice McDermott, 2023-10-31 AN INSTANT NEW YORK TIMES BESTSELLER Named a Best Book of the Year by Time, Esquire, Good Housekeeping, Kirkus Reviews, Los Angeles Times, NPR, Oprah Daily, Real Simple, and Vogue A riveting account of women's lives on the margins of the Vietnam War, from the renowned winner of the National Book Award.

American women—American wives—have been mostly minor characters in the literature of the Vietnam War, but in *Absolution* they take center stage. Tricia is a shy newlywed, married to a rising attorney on loan to navy intelligence. Charlene is a practiced corporate spouse and mother of three, a beauty and a bully. In Saigon in 1963, the two women form a wary alliance as they balance the era's mandate to be "helpmeets" to their ambitious husbands with their own inchoate impulse to "do good" for the people of Vietnam. Sixty years later, Charlene's daughter, spurred by an encounter with an aging Vietnam vet, reaches out to Tricia. Together, they look back at their time in Saigon, taking wry account of that pivotal year and of Charlene's altruistic machinations, and discovering how their own lives as women on the periphery—of politics, of history, of war, of their husbands' convictions—have been shaped and burdened by the same sort of unintended consequences that followed America's tragic interference in Southeast Asia. A virtuosic new novel from Alice McDermott, one of our most observant, most affecting writers, about folly and grace, obligation, sacrifice, and, finally, the quest for absolution in a broken world.

What About the Baby? Alice McDermott, 2021-08-17 A collection of essays, lectures, and observations on the art of writing fiction from Alice McDermott, winner of the National Book Award and unmatched virtuoso of language and image (Rebecca Steinitz, *The Boston Globe*) *What About the Baby?* Some Thoughts on the Art of Fiction gathers the bestselling novelist Alice McDermott's pithiest wisdom about her chosen art, acquired over a lifetime as an acclaimed writer and teacher of writing. From technical advice ("check that your verbs aren't burdened by unnecessary hads and woulds") to setting the bar ("I expect the fiction I read to carry with it the conviction that it is written with no other incentive than that it must be written"), from the demands of readers ("they'd been given a story with a baby in it, and they damn well wanted that baby accounted for") to the foibles of public life ("I've never subscribed to the notion that a film adaptation is the final imprimatur for a work of fiction, despite how often I've been told by encouraging friends and strangers, 'Maybe they'll make a movie of your novel,' as if I'd been aiming for a screenplay all along but somehow missed the mark and wrote a novel by mistake"), McDermott muses trenchantly and delightfully about the craft of fiction. She also serves throughout as the artful conductor of a literary chorus, quoting generously from the work of other great writers (including Tolstoy, Shakespeare, Nabokov, Morrison, and Woolf), beautifully joining her voice with theirs. These stories of lessons learned and books read, and of the terrors and the joys of what she calls "this mad pursuit," form a rich and valuable sourcebook for readers and writers alike: a deeply charming meditation on the unique gift that is literature.

After Everyone Else Leslie Hooton, 2022-06-28 A 2023 Next Generation Indie Book Award Winner for Best Romance A 2023 Next Generation Indie Book Award Finalist for Best General Fiction From the acclaimed author of *Before Anyone Else* comes a captivating new novel about the lengths we will go to protect the ones we love. Bailey thought she'd gotten her happy ending. She is married to the man she loves, she has started a family, and her design business is flourishing. But when Bailey's ex-husband, a famous TV chef, is found murdered with her DNA all over his apartment and body, she is suddenly facing murder charges in a high-profile case. Already burdened by the demands and challenges of marriage, motherhood, and her career, Bailey now must do everything she can to prove her innocence. But it's the ones she thought would surely be on her side—her enigmatic lawyer and her husband—who might be doubting her innocence the most. Alternating between the past and present, *After Everyone Else* chronicles the grip of the past, the challenges of forgiveness, and the resilient love we save for the person we love after everyone else.

As We Were Saying Wyatt Prunty, Megan Roberts, Adam Latham, 2021-06-09 Every summer for the past thirty years, the Sewanee Writers' Conference has gathered a community of writers for two weeks of workshops, readings, talks, and meetings focused on the craft and art of writing. This book is a selection of craft talks delivered during the conference over the last several years. Some essays focus on one or two authors, some focus on texts, while others cast their regard more broadly. All are written in response to questions generated by the process of writing, as masters of the craft candidly report challenges they confront and the means by which they work to resolve such issues. The eighteen essays encompass poetry, fiction, and playwriting, investigating questions of language, character, design, and meaning, with nuanced readings of particular authors and works alongside more wide-ranging reflections on craft. Designed for audiences of writers and readers across multiple levels and backgrounds, the essays collected in *As We Were Saying* offer original, insightful arguments about the craft of writing and the power of literature.

Houses of Horror Hans Holzer, 2012-02-21 “Have you ever come home and wondered what might be lurking up the stairs, in the dark of the corridor where the lights don’t reach and the soft footfalls of the visitor disappear into the thick carpet?” For more than five decades, Hans Holzer has been delving into disturbances from The Other Side. This Vienna-born researcher, the man they call “The Ghost Hunter,” has devoted much of his adult life to tracking those phantom presences that emerge from the shadows when least expected. Whether we call these spectral personages, “ghosts” or “spirits” or “left behinds,” they hover among us, defying easy explanation or dismissal. No one in America has researched these ghostly beings more assiduously or skillfully than Holzer. Indeed, he has been lauded as the most published paranormal investigator of the past century. This collection contains some of his most famous and controversial cases. *Houses of Horror* takes us deep into history both known and obscure; we encounter accused traitor Aaron Burr and experience the postmortem rustlings of colonial spies. In New Hampshire, a nineteenth century admiral makes things go bump in the night; a girl ghost playfully leaves surprise gifts in an old Kentucky home; and in Illinois, a suicide moves restlessly from room to room. Holzer’s explorations in the seemingly unexplainable have taken him far afield. He ventures down dark corridors in eerie New England mansions and sprawling Southern homes. His ghostly quarry surfaces in Minnesota, the rural Midwest heartland; even in Hollywood and on a moving Swiss train. Ever observant, patiently curious, Holzer jots down the cases and then moves on. This rich collection of hauntings can be read as an extended glimpse into the life beyond life; the realm of the unknown.

Modern American Drama: Playwriting 2000-2009 Julia Listengarten, Cindy Rosenthal, 2019-11-14 The *Decades of Modern American Drama* series provides a comprehensive survey and study of the theatre produced in each decade from the

1930s to 2009 in eight volumes. Each volume equips readers with a detailed understanding of the context from which work emerged: an introduction considers life in the decade with a focus on domestic life and conditions, social changes, culture, media, technology, industry and political events; while a chapter on the theatre of the decade offers a wide-ranging and thorough survey of theatres, companies, dramatists, new movements and developments in response to the economic and political conditions of the day. The work of the four most prominent playwrights from the decade receives in-depth analysis and re-evaluation by a team of experts, together with commentary on their subsequent work and legacy. A final section brings together original documents such as interviews with the playwrights and with directors, drafts of play scenes, and other previously unpublished material. The major playwrights and their plays to receive in-depth coverage in this volume include: * Theresa Rebeck: *Omnium Gatherum* (2003), *Mauritius* (2007), and *The Understudy* (2008); * Sarah Ruhl: *Eurydice* (2003), *Clean House* (2004), and *In the Next Room (or the Vibrator Play)* (2009); * Lynn Nottage: *Intimate Apparel* (2003), *Fabulation or Re-Education of Undine* (2004), and *Ruined* (2008); * Charles Mee: *Big Love* (2000), *Wintertime* (2005), and *Hotel Cassiopeia* (2006).
