I Love You to the Moon and Back, 2020

Cole I Love You to the Moon and Back Aaron Dean Ruotsala, 2009-05 Like most parents, the thought of having to bury your child never crossed our minds, especially from a cancer we had never heard about. Before July 2008, I didn't know that a cancer like adrenocortical carcinoma even existed. To think that someone so innocent and who had so much life ahead of him could even get cancer was beyond our comprehension. The topic of childhood cancer was completely unknown to us. Now here I am writing the obituary for my son Cole. - Prologue

To the Moon and Back Karen Kingsbury, 2018-05-29 From #1 New York Times bestselling author Karen Kingsbury comes a "heart tugging and emotional" story in the Baxter Family collection that will "touch readers deeply" (RT Book Reviews) featuring two people who lost their parents in the same national tragedy—two people desperate to find each other and the connection they shared for a single day...that changed everything. Brady Bradshaw was a child when the Oklahoma City bombing killed his mother. Every year, Brady visits the memorial site on the anniversary to remember her. Eleven years ago on that day, he met Jenna Phillips, who was also a child when her parents were killed in the attack. Brady and Jenna shared a deep heart connection and a single beautiful day together at the memorial. But after that, Brady never saw Jenna again. Every year when he returns, he leaves a note for her in hopes that he might find her again. This year, Ashley Baxter Blake and her sister Kari Baxter Taylor and their families take a spring break trip that includes a visit to the site to see the memorial's famous Survivor Tree. While there, Ashley spots a young man, alone and troubled. That man is Brady Bradshaw. A chance moment leads Ashley to help Brady find Jenna, the girl he can't forget. Ashley's family is skeptical, but she pushes

them to support her efforts to find the girl and bring them together. But will it work? Will her husband, Landon, understand her intentions? And is a shared heartache enough reason to fall in love? With *To The Moon and Back* “Kingsbury skillfully weaves a tale of divine love” (Publishers Weekly, starred review) in an unlikely love story about healing, redemption, hope, and the belief that sometimes a new tomorrow can grow from the ashes of a shattered yesterday. “Kingsbury writes with seemingly effortless poetic elegance, capturing the tender, intimate moments of daily family life as well as heart-wrenching flashbacks to fatal tragedy. A moving story of survival, of faith, and of beauty from the ashes” (Booklist).

The Feelings Within a Kid Poems Robert E. Parker V,2022-10-20 Rob finally opens up with this poetry and shows it has many categories, opening a door into his life for his audience. Love Falling deep into it, finding out what it is and how it work and times just wanting to discard it Feeling towards others Finds poetry as the best way to express the feelings of one, my a note with a big meaning Or a letter pouring out everything Feeling within the kid Running into the worse problems and having the heaviest feeling sitting on your heart. After Rob realized he had a skill for writing, he started to use writing to cope with the things he went through instead of turning to hurting himself, other people or doing some to regret. Rob started his big break as a writer by letting his readers in on his journey as a poet, with his poetry notebook "The Feelings Within Da Kid Poems VOL 1". Rob's poetry is described as "uncensored" in a way of being wild, off the wall, real, and not accepted in society as censored. Our Journal Our Journey - Vol. 2 Tammy Bimrose, 2013-02 The journey continues with more laughter, more thrill and Michael being typical Michael. This journey has many twists and turns and one twist I have found to be spiritually captivating, not just for me, but all who call this planet home. This journey started with the first volume where it opened our minds to fathom that there is in fact an afterlife. I have been informed by Jesus that time is of the essence and now is the most important period of our lives, where all Religious beliefs, all Prophecies, and Mythology converge. It is time to allow yourself to further open your minds, and accept the reality that is contained within. In your hands is hope for a better tomorrow. If you are willing, we are here to give you wings so you can learn to soar the skies, as yesterday has come and gone, today you hold hope for a better tomorrow. So if you dare to rise up, we will be alongside you.”- Michael Jackson in spirit. God, Jesus, Siddhartha Gautama Buddha, Meher Baba and Michael Jackson have their say... Are you ready to listen? What have you got to lose? A foreshadowing that you should not ignore...
