Pearl S. Buck

Pearl S. Buck Theodore F. Harris, Pearl S. Buck, 1969

The Good Earth Pearl S. Buck, 2012-08-21 The Pulitzer Prize-winning, New York Times–bestselling novel about a peasant farmer and his family in early twentieth-century China. The Good Earth is Buck's classic story of Wang Lung, a Chinese peasant farmer, and his wife, O-lan, a former slave. With luck and hard work, the couple's fortunes improve over the years: They have sons, and save steadily until one day they can afford to buy property in the House of Wang—the very house in which O-lan used to work. But success brings with it a new set of problems. Wang soon finds himself the target of jealousy, and as good harvests come and go, so does the social order. Will Wang's family cherish the estate after he's gone? And can his material success, the bedrock of his life, guarantee anything about his soul? Winner of the Pulitzer Prize and the William Dean Howells Award, *The Good Earth* was an Oprah's Book Club choice in 2004. A readers' favorite for generations, this powerful and beautifully written fable resonates with universal themes of hope and family unity. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

The Good Earth Pearl S. Buck, 2002-07 Get your A in gear! They're today's most popular study guides—with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes(TM) has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes'(TM) motto is Smarter, Better, Faster because: - They feature the most current ideas and themes, written by experts. - They're easier to understand, because the same people who use them have also written them. - The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered—context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources—you don't have to go anywhere else!

Pearl S. Buck: the Complete Woman Pearl Sydenstricker Buck, 1971

The Story Bible Pearl S. Buck, 1997 With her magical ability to tell a story, the Nobel and Pulitzer Prize-winning author of *The Good Earth*, Pearl S. Buck, retells 72 stories from the Old and New Testaments in language both understandable and enjoyable to the modern reader.

Pearl S. Buck's Book of Christmas Pearl S. Buck, 1986 The many moods and faces of Christmas are portrayed in this

collection of short fiction by nineteenth-and early-twentieth-century authors.

The Patriot Pearl S. Buck,2013-05-21 A Chinese dissident is torn between love and country in this novel from the New York Times–bestselling author of *The Good Earth*. When Wu I-wan starts taking an interest in revolution, trouble follows: Winding up in prison, he becomes friends with fellow dissident En-lan. Later, his name is put on a death list and he’s shipped off to Japan. Thankfully, his father, a wealthy Shanghai banker, has made arrangements for his exile, putting him in touch with a business associate named Mr. Muraki. Absorbed in his new life, I-wan falls in love with Mr. Muraki’s daughter, and must prove he is worthy of her hand. As news spreads of what the Japanese army is doing back in China, I-wan realizes he must go back and fight for the country that banished him. *The Patriot* is an engrossing story of revolution, love, and reluctantly divided loyalties by the Nobel Prize–winning author renowned for her novels set in Asia and informed by the sweep of history, including the New York Times bestsellers *The Living Reed* and *The Hidden Flower*. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

Sons Pearl S. Buck,2012-08-21 The second installment in Pearl S. Buck's acclaimed *Good Earth* trilogy: the powerful story of three brothers whose greed will bring their family to the brink of ruin *Sons* begins where *The Good Earth* ended: Revolution is sweeping through China. Wang Lung is on his deathbed in the house of his fathers, and his three sons stand ready to inherit his hard-won estate. One son has taken the family's wealth for granted and become a landlord; another is a thriving merchant and moneylender; the youngest, an ambitious general, is destined to be a leader in the country. Through all his life's changes, Wang did not anticipate that each son would hunger to sell his beloved land for maximum profit. At once a tribute to early Chinese fiction, a saga of family dissension, and a depiction of the clashes between old and new, *Sons* is a vivid and compelling masterwork of fiction. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Portrait of a Marriage Pearl S. Buck,2013-05-21 A wealthy painter falls in love with an illiterate Pennsylvania farm girl in this novel from the New York Times–bestselling author of *The Good Earth*. At the turn of the century, an upper-class painter from Philadelphia goes searching for inspiration. He finds his muse on a farm—the farmer’s beautiful and humble daughter. His portrait of her becomes one of his most inspired works, but his passion for the illiterate girl doesn’t stop at the easel: He returns to marry her and settle down to country life—a journey that means bridging enormous gaps between their cultures, breaking from his parents, and creating tension between their friends. Pearl S. Buck compassionately imagines both sides of the complex marriage, and in addition, creates a wonderfully vivid picture of America leading up to the Second World War. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

Peony Pearl S. Buck,2012-08-21 A young Chinese woman falls in love with a Jewish man in nineteenth-century China in this evocative novel by the Nobel Prize–winning author of *The Good Earth*. In 1850s China, a young girl, Peony, is sold to

work as a bondmaid for a rich Jewish family in Kaifeng. Jews have lived for centuries in this region of the country, but by the mid-nineteenth century, assimilation has begun taking its toll on their small enclave. When Peony and the family's son, David, grow up and fall in love with one another, they face strong opposition from every side. Tradition forbids the marriage, and the family already has a rabbi's daughter in mind for David. Long celebrated for its subtle and even-handed treatment of colliding traditions, Peony is an engaging coming-of-age story about love, identity, and the tragedy and beauty found at the intersection of two disparate cultures. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

A Pearl Buck Reader Reader's Digest Editors, Pearl Sydenstricker Buck, 1985

Pavilion of Women Pearl S. Buck, 2012-08-21 A "vivid and extremely interesting" novel of an upper-class Chinese wife's quest for freedom, from the Nobel Prize-winning author of *The Good Earth* (The New Yorker). At forty, Madame Wu is beautiful and much respected as the wife of one of China's oldest upper-class houses. Her birthday wish is to find a young concubine for her husband and to move to separate quarters, starting a new chapter of her life. When her wish is granted, she finds herself at leisure, no longer consumed by running a sixty-person household. Now she's free to read books previously forbidden her, to learn English, and to discover her own mind. The family in the compound are shocked at the results, especially when she begins learning from a progressive, excommunicated Catholic priest. In its depiction of life in the compound, *Pavilion of Women* includes some of Buck's most enchanting writing about the seasons, daily rhythms, and customs of women in China. It is a delightful parable about the sexes, and of the profound and transformative effects of free thought. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

The Woman Who Was Changed Pearl S. Buck, 1995-08-01

The Big Wave Pearl S. Buck, 2012-08-21 The classic tale of a Japanese boy orphaned by a tsunami from the author of *The Good Earth*, the first American woman to win the Nobel Prize in Literature. On a mountainside in Japan, two boys enjoy a humble life governed by age-old customs. Jiya belongs to a family of fishermen; his best friend, Kino, farms rice. But when a neighboring volcano erupts and a tidal wave swallows their village—including Jiya's family—life as they know it is changed forever. The orphaned Jiya must learn to come to terms with his grief. Now facing a profoundly different life than the one he'd always taken for granted, he must decide on a new way forward. Written with graceful simplicity, *The Big Wave* won the Children's Book Award of the Child Study Association of America when it was first released. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Portrait of a Marriage Pearl S. Buck, 1996

With a Delicate Air Pearl Sydenstricker Buck, 1968-05-01

Imperial Woman Pearl S. Buck, 2004-11 In this Nobel Prize winner Pearl S. Buck recreates the life of one of the most

intriguing rulers during a time of intense turbulence. Pearl S Buck's knowledge of and fascination with the Empress's life are contagious. She reveals the essence of this self-involved and infamous last Empress, while taking the reader through China's struggle for freedom and democracy.

The Rainbow Pearl Sydenstricker Buck,1974 The memorable last novel by America's beloved Pulitzer Prize winner.

Pearl S. Buck Paul A. Doyle,1980 A literary critic's evaluation of Pearl Buck's works, and a description of her work.

Pearl S. Buck Peter Conn,1998-01-28 One of the most popular novelists of the twentieth century, winner of a Pulitzer and Nobel Prize for Literature and an active social and political campaigner, particularly in the field of women's issues and Asian-American relations, Pearl Buck has, until now, remained 'hidden in public view'. Best known, perhaps, as the prolific author of *The Good Earth*, Buck led a career which extended well beyond her eighty works of fiction and non-fiction and deep into the public sphere. In this critically acclaimed biography, Peter Conn retrieves Pearl Buck from the footnotes of literary and cultural history and reinstates her as a figure of compelling and uncommon significance in twentieth-century literary, cultural and political history.
