Futbolera Brenda Elsey, Joshua Nadel, 2019-05-21 Latin American athletes have achieved iconic status in global popular culture, but what do we know about the communities of women in sport? *Futbolera* is the first monograph on women's sports in Latin America. Because sports evoke such passion, they are fertile ground for understanding the formation of social classes, national and racial identities, sexuality, and gender roles. *Futbolera* tells the stories of women athletes and fans as they navigated the pressures and possibilities within organized sports. *Futbolera* charts the rise of physical education programs for girls, often driven by ideas of eugenics and proper motherhood, that laid the groundwork for women's sports clubs, which began to thrive beyond the confines of school systems. *Futbolera* examines how women challenged both their exclusion from national pastimes and their lack of access to leisure, bodily integrity, and public space. This vibrant history also examines women's sports through comparative case studies of Argentina, Brazil, Chile, Costa Rica, Mexico, and others. Special attention is given to women's sports during military dictatorships of the 1970s and 1980s as well as the feminist and democratic movements that followed. The book culminates by exploring recent shifts in mindset toward women's football and dynamic social movements of players across Latin America.

Futbolera Brenda J. Elsey, Joshua H. Nadel, 2021-07-15 Capturando más de un siglo de luchas, esta conmovedora historia cultural rastrea la evolución de la participación de las mujeres en los deportes en América Latina, desde la educación física hasta los clubes de aficionados y la creación de equipos nacionales. Este trabajo bellamente escrito, meticulosamente trabajado e increíblemente reflexivo no es una mera descripción de las mujeres y el deporte en América Latina. Se trata, más bien, de la lucha de las mujeres por la equidad en el deporte, sin duda, pero también en todos los ámbitos, completando un espacio que estaba ausente en la historia social de las mujeres. Más allá de proporcionar un tema para iniciar una conversación, este libro tal vez brinde las bases para un campo de estudio completamente nuevo. Amy Bass, profesora en The College of New Rochelle Una contribución transformadora a la historia del fútbol y del deporte en general, en América Latina y más allá. *Futbolera* brilla con historias fascinantes e inéditas, a la vez que reúne a la perfección una rica variedad de análisis social, cultural y discursivo. Una lectura imprescindible. Laurent Dubois, Duke University, autor de *The Language of the Game*
