Praying with Your Kids Before School - One Verse. One Prayer Holly A. Melton,2020-05 Once our children begin

school, time with them is greatly decreased and other people begin to influence their lives. It is one of the most crucial times for us to be intentional in discipling our children. But how do we do it? And when can we do it with our busy schedules? We disciple our children by reading the Bible, discussing how to apply it to our lives and then praying together for God to continue to make us more like Him. Praying with Your Kids Before School will guide you to do just that each day of the school year. You don't have to start in August, you just have to start. Remember, prayer changes us. Prayer brings us closer to God and each other by growing in our understanding of scripture and asking Him to help us to apply it to our lives. The sooner we bring this discipline into our homes, the sooner God can guide us how to disciple our children in the way they should go. Each week has a theme to explore in the Bible that can be prayerfully applied to you and your child's lives. Every verse is also paraphrased into an easier understanding for younger children, with a shorter prayer for them to recite, so that the book can be used on both older and younger children. At the end of each chapter there will be a blank page where you can write out a personal prayer related to the topic for your child. This book becomes not only a guide on how to disciple your child, but a precious keepsake of how you've prayed for them and how God answered your prayers for your child throughout the year. This one discipline, that can renew our minds, change our attitudes and impact our behaviors and decisions. If we are faithful to spend these few minutes with God in prayer, we can be transformed together to become stronger and to become more of who God wants us to be. One verse, one prayer just might change the trajectory of their lives!

Defined are the roles and responsibilities of parents in raising children who learn to rely on God for their strength and power to be victorious in any situation. Stressing the importance of starting early, actual prayers are shared that children can memorize. Biblical parents and their prayers are also highlighted, providing excellent examples of how praying for children pleases God to answer. You don't have to be a great spiritual prayer warrior for God to answer your prayers for your children. The secret is God. You don't get great answers because you're more spiritual than others, or because you've prayed longer or better. The secret is God! The simplest prayer launched with the simplest faith can set the wheels of Heaven in motion. Trust Him to do great things for your children.

Words to Jesus Cindy Branton, 2021-07-27 Is there anything more important than teaching your children to pray? In this book of prayers, children partner with parents and read through words that will imprint your child's heart with God's truth. As you pray together, your child will see biblical answers to difficult questions in life. In this book there are prayers for a variety of real life situations that impact a child's life. There are 15 litanies (prayers with a leader and a responder) for your

child to learn and delight in. A few of the topics covered are: Waking Up in the Morning Dealing With Change When I'm Angry When I Have a Bad Dream Your child will adore and cherish this book because the language is specially crafted for them. This will be the book they ask for on repeat because the colorful characters bring each situation to life. Kids can relate to the big feelings that each lovable animal is experiencing. Parents will love this book because it's so much more than a book of prayers. Being a collection of litanies, there is a part designed for parents and a part designed for children. Your child can read it with you, well before they even know all of their letters. Children will memorize the repeated words, not only allowing them to be a part of the experience, but also hiding God's word in their tender hearts. There is also a list of other activities that parents can do with this book, making it a new experience every time you read. This is the book you will want to keep near you, whether it's at the dining room table, the bedside, or even tucked in a diaper bag. This would be a perfect gift for a baby shower, or even a young child's birthday. Buy one for your own children and experience the power of prayer together. Two of the most important things we can do for our children is to pray for them and to teach them to pray. Words to Jesus allows you to do both.

100 Prayers for Children Sandra Schroeder, 2017-04-19 100 Prayers for Children is a wonderful tool for parents to utilize in teaching their children to have a one-on-one relationship with God through prayer. Sandra's book encourages children over the age of eight to start a journey to get to know their Heavenly Father, through prayer and scripture verses at the end of each prayer. Memorization of key verses can also end up lasting a lifetime, to help in times of need. This book is designed to be read with a parent or grandparent, however, as your child develops and grows in stature, they will be able to dive into the prayers by themselves. It is Sandra's hope that your child will find that greater adventure with God in having their prayers answered as they come into an honest relationship with Jesus Christ.
