The Complete Off-Campus Series Set Elle Kennedy, 2023-11-21 *A limited collector's bundle with illustrated covers

and blue sprayed edges on the first print run.* New York Times bestselling author Elle Kennedy brings her signature angst, humor, and spice to the icy-hot Off Campus books. The series follows a house of hockey-playing college roommates and the women who knock them off their pedestals, teaching them that love is worth more than any game-scoring goal. The Deal Hannah Wells might be confident, but she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone...even if it means tutoring the annoying, childish, cocky captain of the hockey team, Garrett Graham, in exchange for a public pretend date. But when one unexpected kiss leads to the wildest sex of their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. The Mistake For college hockey star John Logan, life is a parade of parties and hook-ups, but behind his killer grins hides growing despair about the dead-end road he'll be forced to walk after graduation. A sexy encounter with freshman Grace Ivers is just the distraction he needs, but when a thoughtless mistake pushes her away, Logan plans to spend his final year proving to her that he's worth a second chance. But this time around, she'll be the one in the driver's seat...and she plans on driving him wild. The Score Wild rebound sex after a breakup is definitely not the solution to Allie Hayes's problems, but gorgeous hockey star Dean Di Laurentis is impossible to resist. Just once, though, because even if her future is uncertain, it sure as hell won't include the king of one-night stands. Dean has never met a woman who's immune to his charms...until Allie. For one night, the feisty blonde rocked his entire world--and now she wants to be friends? Nope. It's not over until he says it's over. The Goal College senior Sabrina James has her whole future planned out: graduate from college, kick butt in law school, and land a high-paying job at a cutthroat firm. Her path to escaping her shameful past certainly doesn't include a gorgeous hockey player who believes in love at first sight. One night of sizzling heat and surprising tenderness is all she's willing to give John Tucker...but sometimes, one night is all it takes for your entire life to change. The Legacy Four stories. Four couples. Three years of real life after graduation... A wedding. A proposal. An elopement. And a surprise pregnancy. Can you guess which Off Campus couple is which?

Prequels, Coquels and Sequels in Contemporary Anglophone Fiction Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction: novel expansion, when the plot and characters from a finished novel are retrieved to be developed in new adventures set before, after or during the narrative time of the source-text. If autographic and allographic sequels are almost as old as literature, prequels – that imagine the anteriority of a narrative – and coquels – that develop secondary characters in the same story time as the source-text – are more recent. The overall trend for novel expansion spread in the mid-1980s and 1990s and has since shown no sign of abating. This volume is organised following three types of relationships to the source-texts even if these occasionally combine to produce a more complex structure. This book comprises 11 essays, preceded by an introduction, that examine narrative strategies, aesthetic, ethical and political tendencies underlying these novel expansions. Following the overview provided in the introduction, the reader will find case studies of prequels, coquels and sequels before a final chapter that encompasses them all and more.

Does the Sh— Ever End? Richard Swartz, 2017-09-05 It was certainly not one of the authors primary goals in life to become an alcoholic, but it happened. This book takes you inside the authors head to show the reader how it happened.

Alcohol is cunning, baffling, and powerful. This book takes you aboard the authors journey into alcoholism, as the author openly and honestly describes how for many, many years alcohol was the cure to all that ailed him (and there was a lot). But in the end, alcohol became the ailment itself. The author hopes that this book will help fellow sufferers understand what happened to them the why and the how. The author also hopes it will provide friends and family of fellow sufferers with some insight as to why their loved ones can't really see what's happening and why they continue down their destructive path. It was a journey for the author that lasted longer than it should have but does have a happy ending. It is the authors hope that others can achieve a similar happy ending.

The Graham Effect Elle Kennedy, 2023-10-31 The first book in the Campus Diaries series by New York Times bestselling author Elle Kennedy. Gigi Graham has exactly three goals: qualify for the women's national hockey team, win Olympic gold, and step out of her famous father's shadow. So far, so good, except for two little things. Fine—a little thing and a big, grumpy thing. She needs to improve her game behind the net, and she needs help from Luke Ryder. Ryder is six-foot five, built,

opinionated, rude...and sexy as hell. But he's still the enemy. Briar's new hockey co-captain has his reasons, though. The men's team just merged with a rival program, leaving Ryder with an angry roster where everyone hates one another's guts. To make matters worse, the summer coaching spot he's angling for with the legendary Garrett Graham is out of reach after he makes the worst possible first impression on his hero. So, really, this compromise with Gigi is win-win. He helps her make the national team, she puts in a good word with her dad. The only potential snag? This bone-deep, body-numbing, mind-spinning chemistry they're trying to ignore. It's a dangerous game they're playing, but the risks just might be worth it. '[Elle Kennedy] does an exceptional job creating equally flawed and endearing characters and conjuring palpable chemistry between the leads. Sparkling dialogue and a solid supporting cast help to keep the pages flying. As romantic as it is spicy, this will leave readers eagerly awaiting the next installment.' – Publishers Weekly, starred review

Wanna Bet? Artie Lange, Anthony Bozza, 2018-07-17 Lange's entertaining book makes it clear that, no matter how wild and risky his lifestyle may be, he takes comedy more seriously than anything else. —Publishers Weekly When Artie Lange's first book, the #1 New York Times bestseller, *Too Fat To Fish*, hit the top of the charts, audiences learned what Howard Stern listeners already knew: that Artie is one of the funniest people alive. He is also an artist haunted by his fair share of demons, which overtook him in the years that followed. After a suicide attempt, a two-year struggle with depression, and years of chronic opiate addiction, Artie entered recovery and built himself back up, chronicling his struggle in brave detail in his next book and second New York Times bestseller, *Crash and Burn*. In his hilarious third book, the two-time bestselling author, comedian, actor, and radio icon explains the philosophy that has kept his existence boredom-free since the age of 13—the love of risk. An avid sports bettor and frequent card player, Lange believes that the true gambler gets high not from winning, but from the chaotic unknown of betting itself. He recounts some of his favorite moments, many of which haven't involved money at all. In this candid and entertaining memoir, he looks back at the times he's wagered the intangible and priceless things in life: his health, his career, and his relationships. The stories found in *Wanna Bet?* paint a portrait of a man who would just as quickly bet tens of thousands of dollars on a coin toss as he would a well thought out NBA or NFL wager. Along for the ride are colorful characters from Artie's life who live by the same creed, from a cast of childhood friends to peers like comedian and known gambler Norm McDonald. The book is a tour of a subculture where bookies and mobsters, athletes and celebrities ride the gambling roller coaster for the love of the rush. Through it all, somehow Artie has come out ahead, though he does take a few moments to imagine his life if things hadn't quite gone his way. Unrepentant and unrestrained, the book is Lange at his finest.
