

The Unshakable Kingdom And The Unchanging Person

Eli Stanley Jones

The Unshakable Kingdom and the Unchanging Person Eli Stanley Jones, 1972 Jesus swept onto the scene declaring that the Kingdom of God had arrived! He proclaimed that we would experience life at its fullest only when we organize our lives around the Kingdom. E. Stanley Jones suggests that life in any other way is a muddled, maddening, and impossible way to live. Throughout the centuries we have lost the Kingdom as a clearly defined and workable system for order and influence in our daily lives. We have reduced the Kingdom by putting it into narrower molds, a refuge now, a present security, a future hope, anything but the Kingdom as Jesus preached it - God's total answer to man's total need now. Dr. Jones shows us how to claim our spiritual heritage and the abundant life promised us by embracing the Kingdom and Person of Jesus. He suggests how our experience with God and His Kingdom should be taught and shared in the life of the individual, in the life of the church and in the nations of the world.

Chasm Larry W. Poland, 2014-06-01 Dr. Larry Poland's book, *Chasm: Crossing the Divide Between Hollywood and People of Faith*, explores the century-old warfare between the world of entertainment and mainstream Americans, those "flyovers" between Hollywood and New York. It is filled with fascinating first-person stories exposing the conflicts over excess, entitlement, morality, God, faith, and intrinsic value. Dr. Poland's three decades in Hollywood as a consultant on the faith community informs his analysis. Stunning stories from inside the industry are told with insight and good humor. Biting criticisms of those on both sides of the divide end with a call to build trust and goodwill.

Incense and Thunder Dudley Hall, 2006-06-01 Prayer is sometimes perceived as a duty, a discipline, or a means to maturity. It is talked about more than it is done. Prayer is really not only the opportunity to fellowship with God, but a partnership with Him. As we send up prayer (incense), He answers back with expressions of power (thunder). When we engage in prayer from this perspective, we experience heaven affecting earth. Prayer becomes a privilege and it is easier than most think.

Upward! Steve Harper, Paul W. Chilcote, 2023-12-19 A powerful guide for new and longtime United Methodists. Upward! is a simple but brilliant course on Wesleyanism for regular people. It thoroughly and methodically guides readers through the distinctive qualities of the Wesleyan way—the theology, practices, habits, and attitudes that characterize Methodist people. Paul W. Chilcote and Steve Harper, two of Methodism's most beloved teachers, offer this extraordinary book as an invitation to a life of wisdom and wonder in our current world. It is a book of both instruction and celebration, teaching (or reminding) us what makes the Wesleyan way most gracious and lovely. Pastors and other leaders will use Upward as their primary resource for sharing the Wesleyan approach. It can be used in a wide variety of ways and settings—as a sermon series, congregation-wide study, or for new member classes, to name a few. Individuals will use the book as a personal study, ideally in connection with others. Upward! helps leaders and readers to: - correct misconceptions about Wesleyan theology - clarify and reclaim Wesleyan theology - gain a new framework for understanding Wesleyan theology and sharing it with others

Life God's Gracious Gift W.D. Lewis, 2021-08-31 God is looking for people who will commit their lives for the sake of his Kingdom. God is looking for people who will move from the conversion experience to live as Christ lives. God is looking for people who will become Christ like. That kind of life takes more than courage. It takes more than insight. It takes the very Spirit of Christ, living within us and empowering our lives every day! If you will commit your life to Jesus Christ, you will begin to think just as he thinks. The Savior will enable you to lay your life on the line as he did! You must spend your life on something, why not make it something eternal?

Christianity and Suffering Rodney L. Reed, 2017-12-14 We often hear these days that the centre of Christianity is moving toward the Global South and Africa is a key player in that movement. This makes the study of African Christianity and African realities important – even more so when it is being done by Africans themselves in their own context. The Africa Society of Evangelical Theology (ASET) was created to encourage research and sustained theological reflection on key issues

facing Africa by and for African Christians and those working within African contexts. The volumes in the ASET series constitute the best papers presented at the annual conferences of ASET and together they seek to fill this important gap in the literature of Christianity. Africa is all too familiar with suffering. Yet there is a dearth of sustained theological reflection on suffering by Africans, or for Africans. *Christianity and Suffering: African Perspectives* addresses this need and is the fruit of the 5th Annual Conference of the Africa Society of Evangelical Theology. The contributions address age-old issues like why God does not prevent or relieve human suffering; they wrestle with causes of suffering including witchcraft, poverty, curses, and war; and they also explore appropriate Christian responses to suffering, all from within the African context. The Africa Society of Evangelical Theology (ASET) is a professional society, founded in 2009 for the purpose of fostering evangelical theological scholarship and to facilitate collegial relationships among scholars and practitioners of the Christian religion in Africa. Its core values are: (1) Faithfulness to the Bible, (2) Professional ethics, (3) Creative and critical thinking, (4) Christ-like humility, (5) Community of scholars encouraging, respecting, and learning from one another, and (6) Development and inspiration of young scholars. Confident Witness--changing World Craig Van Gelder, 1999 In *Confident Witness -- Changing World*, twenty-two scholars and skilled ministry practitioners explore this complex question not only theoretically but also in practical terms immediately useful to pastors and church leaders.

Change for the First Time, Again Scott Lencke, 2016-09-27 Change is everywhere in life. God seems to have designed it that way. Whether beautiful or painful, life-altering or small, our pages are written with a story of change. If change is everywhere, we are encountering new realities all the time: from our first conversation with a person to our first kiss to a new job to our first experience with loss. When encountering change, we can be hesitant to embrace it, even outright resist it. It could be scary or hard or too much or not as much as we desired, or possibly a combination of these. Because change is constant, it can seem as if we are walking through the same scenarios again and again. We have felt these feelings before, or had these conversations before. These painful moments seem to never fade. Even as we journey through the same situation for a second or third or tenth time, it calls for something new, for our story of change to continue in God. Who Ordered the Universe? Nick Hawkes, 2015-07-17 Dr Nick Hawkes gathers evidence from science, history, and mathematics to seek out the signature of God. By surveying the various fields of study, he gathers a mass of evidence, concluding that faith in God is reasonable and that the evidence invites it. Addressing the big questions of origins and meaning, Hawkes considers the cosmos and the arguments for a Creator behind creation. He looks at biology, and the ideas

of Darwin and Dr Richard Dawkins. He examines the significance of suffering and the phenomenon of mathematics - the code by which we understand how things work. He sifts through history and how it has been 'molded'. He considers the nature of truth, and whether it is ever knowable, and if so how; and he takes a long, hard look at ideas about the afterlife. What we believe is important. It becomes our identity, something we stake our very lives upon. Who Ordered The Universe? is essential reading for those battling with identity and their place in the world. It is the ideal gift for a non-Christian friend.

No Love So Sure Paul Francis Lanier,2003-10

Evangelism Renewed Henry H. Knight,2025-04-08 Evangelism has entered a new day. From the 1980s to the present a vast array of new forms of evangelism have emerged, shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God. Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century, these newer approaches speak more of the reign and love of God, relationship and community, and both personal and social transformation. They are very diverse, but each has something to contribute to how we understand and practice evangelism. This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news.

Un Reino Inverso Bill White,2020-04-14 In Jesus' greatest sermon, He begins with the Beatitudes: nine statements that turn our world upside down. He's establishing a counterculture, a different way to seeing reality, with a shocking set of blessings. Jesus is asking us to join Him in a kingdom that challenges everything we normally believe and hold dear... and offers us more than we've ever imagined. Sound intriguing? Hold on tight. Look at this modern translation: God's kind of happiness comes to those who know they are poor. Divine comfort is showered on those whose hearts are broken with grief. If you are truly meek, the whole world belongs to you. And for those of you who are suffering for doing the right thing -- Awesome! It's a party time! You belong in God's hall of fame! In this book, Pastor Bill White gives us a door of understanding. If we walk through it, we'll find that these paradoxical truths turn conventional wisdom upside down... and they fill our hearts with God's love, forgiveness, wisdom, and strength.

Supernatural Skyline Jim Hylton,2010-08-21 While revival may be for a season, the Kingdom of God is “unshakeable and never-ending.” The Supernatural Skyline unpacks revival, then proposes God’s greater plan of continuing Kingdom encounters. Full of supernatural experiences and practical expressions of Christ living in and working through His people today, The Supernatural Skyline will expand your vision of the Kingdom to include exciting new spiritual possibilities. Written for thinking Christians who want church life to be meaningful, relevant, and culturally engaging, The Supernatural Skyline contends that the church needs to accept the “keys to the Kingdom” and use those keys to unlock doors currently closed to Christ and His purpose. Defining the Kingdom of God as Jesus’ life enacted in every sphere—justice, government, economics, education, art—any realm that influences people and their culture—this book will challenge you to consider fresh concepts

and biblically sound principles.

The Life God Blesses Gordon MacDonald, 1997-04-27 In *The Life God Blesses*, author and pastor Gordon MacDonald asks the question, are we prepared to weather the storms of life? In this book, MacDonald steers us toward the disciplines, convictions, silence, beauty, and spirit that feed and prepare the soul to recognize and receive God's blessing. MacDonald reaches into the Bible and into the experiences of godly men and women of history to discover what can be done to lead a blessed life, then leads you through the steps that are necessary to develop a mature soul.
