Morgan Elizabeth

Tis the Season for Revenge Morgan Elizabeth, 2022-10-25 Abbie Keller thought that Richard Bartholemew Benson the Third would be her forever. In their four years of dating, she never doubted that she wouldn't end up with his grandmother's engagement ring on her finger. Sure, she had to change a few things about herself to fit that mold, like dying her hair, dressing more conservatively, and finding golf enjoyable (honestly the most difficult of the changes), but she was sure that at the end of it all, it would be worth it. That is, until he leaves her crying outside her apartment wearing a Halloween costume, having broken it off with her because she's just not serious enough. She was just fun, he tells her - and now that Richard has become a partner at his law firm in his sights, he needs to focus on work. So she does what every girl does when she's broken up with: she calls her friends, gets drunk, dyes her hair, and formulates her plan for revenge. It just so happens that the universe supports her efforts and gives her the perfect match to prove to her ex that he made a huge mistake: his boss. Abbie starts dating the founding partner of Richard's law firm, Damien Martinez, with one thing in mind: convincing him to invite her to the huge annual Christmas party as his date. But when the relationship starts to become something more than casual dating and Abbie sees that the tough New York lawyer has a soft side, will she be able to follow through with her plan of deceit?

Lucifer Vol. 3: Blood in the Streets Richard Kadrey,2017-10-31 He's faced down God Himself, and lived (and died, and lived again) to tell the tale. Now Lucifer Morningstar, the most irresistible antihero in all of Creation, is free to turn the final page on his past and begin a brand-new chapter in his legendarily eventful life. But before he can start booking retirement cruises, there's still one small matter that requires his attention: an all-powerful entity has usurped his deceased Father's place in Heaven and is preparing to extinguish every last vestige of free will throughout the universe. The Lightbringer has always been the contrary type, and he's not about to change his ways for anyone—or anything—just because they occupy the Throne of Light. And while the former Lord of Hell now rules only within the boundaries of his nightclub, Ex Lux, he still has powerful allies and devoted enemies—all of whom are ripe for manipulation. Together, this motley militia is poised to take their fight from the heights of the Silver City to the depths of the Inferno. Against them stand multiple armies of angels, demons, and every dread thing imaginable that lies between them. Can Lucifer overcome their onslaught and keep his club, his city, and his indomitable independence intact? Or, after countless millennia, has the Devil's tab finally come due? Find out

in LUCIFER VOL. 3: BLOOD IN THE STREETS—the shocking conclusion to the newest saga of the Fallen One from the acclaimed creative team of Richard Kadrey, Lee Garbett, Antonio Fabela, Holly Black, Marco Rudy and Ben Templesmith, collecting issues #13-19 of the signature VERTIGO series.

Five Plays Thomas Middleton, 1988 Thomas Middleton (1580-1627) was one of the most prolific and fascinating playwrights of the Jacobean era, producing nearly fifty theatrical pieces in a quarter of a century. This collection comprises five of his most powerful plays, from the comedies satirizing city life, *A Trick to Catch the Old One*, and *A Chaste Maid in Cheapside*, to his later tragedies *Women Beware Women* and *The Changeling*, in which Middleton reveals a world dominated by the corrupting power of lust and subject to the futility of human pretensions. Also included is *The Revenger's Tragedy*, originally ascribed to Cyril Tourneur, a Revenge Play infused with sardonic wit and biting irony.

The Débutante; Or, The London Season Mrs. Gore (Catherine Grace Frances), 1846

The Off Season Jack Cady, 2015-07-04 There is a curse on Point Vestal. Time moves differently in this sleepy Northwestern coastal town, where the ghosts of the past roam the streets as readily as the living inhabitants. It's still the late 19th century, and underneath the quaint touristy allure of the commingling of the past and present is a lurking darkness. August Starling, a decadent (and dead) crime baron, has a plan for Point Vestal because the magical nature of the town is a haven for sinners fleeing judgment for their crimes. And the only residents who can stop him are newcomers to town: a defrocked Episcopalian priest and a talking cat, who is fluent in seven languages. *The Off Season* is an effusive meditation on

the nature of the fantastic, by a writer the Atlanta Constitution calls a lasting voice in modern American literature. Cady, winner of both the Nebula and the World Fantasy Award, has given us a consummate yarn, told with many digressions and anecdotes that combine with folksy humor to create a tall tale suffused with pathos and melancholy.
