JS Bruner

Fountain Garden Pamela Baron, 2023-02-24 Lexi Davies Kirk, a middle-aged woman who is about to be divorced from her wealthy husband, has a lot on her plate. Both her parents—the bitter and comedic Oscar and the beautiful Annabella—are residents of Fountain Garden, the care home on Cody Island, which is soon closing its doors. Lexi flies to her childhood home, bringing along teenage daughter Malia and her precocious friend Rayna. Could the chaos and unexpected events that unfold over the next couple of days give Lexi reason to believe that she is strong enough to face her uncertain future? Maybe Lexi's new path begins with a simple town cruise, trading in her expensive boots for a pair of flip-flops and giving herself permission to enjoy a spark that ignites between her and an intriguing stranger. Through wry humour and sarcasm, the beloved elderly residents of Fountain Garden, their families, and the facility's committed caretakers show us that it is possible to live more than one life in a lifetime. The colourful characters take us on a journey through their triumphs and challenges in relationships, heartbreaks, dashed dreams, and the difficulty of embracing change, revealing the undeniable truth: that being surrounded by love and support makes life a lot more bearable.

Problems, Women, and Problems with Women Jackson Emmet, 2014-12-15 Problems, Women, and Problems with Women is the autobiographical narrative of Jackson Emmet, a neurotic twenty-something ex-Jew. This creative nonfiction follows Emmet as he navigates the single social scene after ending his codependent relationship now living alone, Emmet questions how to once again relate to the opposite sex. Emmet's caustic but curious self treads through family changes, new and old relationships, late drunken Denver nights, and the journey from expectations of bachelorhood to the reality of a well-balanced individual. Mixing Sedaris, Hemingway, Faulkner, and Philip Roth, Jackson Emmet has given us a humorous retelling of a year of his life interspersed with past events that influenced the way things came to be. As this story is all true, the names have been changed, including the authors.

A Different Drummer Herb Wasserman, 2000 A book about being a jazz and commercial musician in New York, and the author's run-ins with crooks, cops, drugs, stars, and sex. If he were famous it would have no trouble selling a million copies. However, like the blurred picture, he is a famous unknown, an adventurous kid from Coney Island who managed to stumble into the world of music and make an original life for himself.
