Emma Griffin

The Year of the Witch Shannon Connor Winward, 2018-08-30 Poet Shannon Connor Winward divides the year into eight sections, ruled by eight pagan holidays, and provides rituals and poems that reflect these seasons.

Year of the Witch Temperance Alden, 2020-11-01 "In her much-needed and brilliant Year of the Witch, Temperance Alden guides readers to observe their own land, celestial cycles, seasonal cycles, and even their own biological cycles to inform their magickal year."-- Mat Aurnyn, author of *Psychic Witch: A Metaphysical Guide to Meditation, Magick, and Manifestation* When we think of the wheel of the year, the Wiccan wheel with its celebrations of the Yule, Beltane, Mabon, and Samhain come to mind. But what about a wheel of the year for the rest of us pagans and witches? As a witch living in sunny South Florida, longtime hereditary witch Temperance Alden has often felt at odds gearing up to celebrate Yule, for example, when it is 76 degrees and sunny outside. Year of the Witch will help readers create their own intuitive practices in harmony with the climate, culture, and local spirits where they live. It's of interest to witches coming off the Wiccan path and looking for a more personal approach to celebrating the rhythms of nature. Year of the Witch covers all aspects of this new, seasonal practice: The origins of the neo-pagan wheel of the year and why it is still so relevant today Culture, historical facts, and traditions associated with the major ceremonies Basic principles of land-based magick How to intuitively connect to the nature below your feet and the local gods Being a custodian to the land and its impact on our spiritual practice

The Witch's Herbal Apothecary Marysia Miernowska, 2020-01-14 The Witch's Herbal Apothecary is a magickal book of recipes, rituals, and materia medica for reconnecting with the power and healing of Earth Magick. Author Marysia Miernowska is the Director of one of California's most renowned herbal schools and named one of the "top 15 witches on Instagram" (@marysia_miernowska) by Huffington Post. Mother Earth is a living entity that holds great medicine to heal us physically and spiritually. However, in today's modern world, too many of us are separated from this source of nourishment. Using the wheel of the year as a framework, you'll begin to understand the currents of nature and how to weave yourself back into this great web of life. Using the plants, seasons, and cycles as your tools, you will be able to tap into the potent Earth Magick of life, death, renewal and rebirth. You will learn ways of growing medicine, harvesting from the wild or home garden, processing plants, and making remedies—all in harmony with the seasons. Each season opens a portal of magick that allows you to harvest the literal and spiritual gifts the Earth is offering at that time. The Witch's Herbal Apothecary will

awaken the Witch inherent in every wild soul and guide her into an empowered relationship of healing and magick with the natural world.

The Witch's Book of Simples Melusine Draco, 2022-03-25 Keep it Simple A Simple is a philtre derived from a single herb and was an important element among the natural resources of the parish-pump witch, wise-women and cunning-folk. Simples are common kitchen 'stuff' that have been handed down through generations of country people in the form of family cures for everyday ailments. Or as William Fernie wrote in his *Herbal Simples* (1897) The art of Simpling is as old with us as our British hills. It aims at curing common ailments with simple remedies culled from the soil, or got from home resources near at hand. These were no fancy recipes with magical formulae, and, often given as a tisane, the woman of the household was able to use the remedies to treat common ailments suffered by her family. And, this elementary form of domestic plant medicine can be as simple as a cup of chamomile tea made from flowers picked fresh from our own garden to aid sleep. This was the most elementary way to use medicinal plants since no fancy recipes or scientific acumen was needed. But this element of traditional witchcraft has long been in the shadows ...
