

Book Series About Genghis Khan

Daniel S. Burt

[The Khan Series 5-Book Bundle](#) Conn Iggulden, 2012-04-23 From the co-author of *The Dangerous Book for Boys*, the Khan series is a triumph of historical fiction—a bold, epic account bursting with gritty realism and exhilarating action. Now this eBook bundle assembles the entire series—*Birth of an Empire*, *Lords of the Bow*, *Bones of the Hills*, *Empire of Silver*, and *Conqueror*—sparing no detail, from the Great Khan's first conquest and the heights of his unprecedented empire, to his brutal ancestral legacy and the rise of Kublai Khan. **GENGHIS: BIRTH OF AN EMPIRE** “Invigorating . . . zesty historical fiction, the kind with plenty of unbridled combat, accurate research, rampaging hordes and believable characters.”—USA Today Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters and driven by a singular fury: to survive in the face of death, to kill before being killed. Through a series of courageous raids, Temujin's legend grew until he was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a thousand warhorses, to subject all nations and empires to his will. **GENGHIS: LORDS OF THE BOW** “Readers who enjoy well-researched tales of historical adventure with an emphasis on political intrigue, exotic settings, and military conflict will enjoy the ride.”—Library Journal For centuries, primitive tribes have warred with one another. Now, under Genghis Khan, they have united as one nation to face the ultimate test: the great, slumbering walled empire of the Chin. In Yenking—modern-day Beijing—the Chin will make their final stand. But Genghis will strike with breathtaking audacity, never ceasing until the emperor himself is forced to kneel. **GENGHIS: BONES OF THE HILLS** “Page-turning . . . a sweeping historical saga [that] will appeal to fans of gritty combat fiction.”—Booklist As Genghis enters a strange new land of towering mountains and arid desert, he stirs an enemy greater than any he has met before. Shah Ala-ud-Din Mohammed has under his command thousands of fierce Arab warriors, teeming cavalry, and terrifying armored elephants. But another battle is taking shape—between two of Genghis's feuding sons. Soon the most powerful man in the world must choose a successor, touching off the most bitter conflict of all. **KHAN: EMPIRE OF SILVER** “Epic . . . alpha-male fiction . . . The book has much to teach about a time and a people long shrouded in legend.”—The Wall Street Journal The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Even as the sons of Genghis Khan maneuver for supremacy, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

CONQUEROR “A rip-roarin’ read, and inspiration to go and sack a few cities on your own.”—Kirkus Reviews A succession of ruthless leaders have seized power in the wake of the Great Khan’s death—all descendants of Genghis, but none with his indomitable character. It is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world.

Conqueror Conn Iggulden, 2011-12-27 For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan’s death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan’s age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. **BONUS:** This edition includes an excerpt from Conn Iggulden’s *The Blood of Gods*. “Conqueror is as real as military fiction gets. Conn Iggulden’s story of one of history’s most ferocious and brilliant warriors is full of lessons for our warfighters today.”—Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of *Shooter and Kill Zone: A Sniper Novel* “A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known.”—Sunday Express (U.K.) “A thrilling journey, rippingly told . . . Iggulden’s most satisfying to date.”—The Daily Telegraph (U.K.)

Genghis Conn Iggulden, 2009-02 The #1 bestselling author Conn Iggulden, coauthor of the international sensation *The Dangerous Book for Boys*, delivers a masterful novel of the mighty Mongol conqueror—as Genghis Khan sets out to unify an entire continent under his rule. For centuries, Mongol tribes had warred with one another. But now, under Genghis Khan, they have united as one nation, setting their sights on a common enemy: the great, slumbering walled empire of the Chin. Genghis will lead his warriors across the Gobi Desert and into a realm his people had never seen before—with gleaming cities, soaring walls, and canals. Laying siege to one fortress after another, he will crush each enemy in a different way—until his army faces the ultimate test of all. In the city of Yenking—modern-day Beijing—the Chin will make their final stand, setting a trap for the Mongol raiders, confident behind their towering walls. But Genghis will strike with breathtaking audacity, never ceasing until the Emperor himself is forced to kneel.

Khan: Empire of Silver Conn Iggulden, 2010-12-28 From the author of the bestselling *The Dangerous Book for Boys*

BONUS: This edition contains an excerpt from Conn Iggulden's *Conqueror*. The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Now, with the sons of Genghis Khan maneuvering for supremacy, the very qualities that united the fierce Mongol tribes threaten to tear them apart. Genghis's tough and canny heir, Ogedai, is on the verge of becoming the new Khan. Inexplicably, Ogedai has delayed his coronation to complete a project many deem a folly: the building of Karakorum, a magnificent city amid the wild plains. His decision emboldens his arrogant brother Chagatai to violently challenge him, leaving their noble sibling Tolui caught between them. Yet even as they clash, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

Empire of Silver Conn Iggulden, 2010 The eagerly awaited 4th novel in the bestselling *Conqueror* series, continuing the life and adventures of the mighty Khan dynasty.

Genghis Khan, Makers of History Series Jacob Abbott, 2022-01-29

Genghis: Birth of an Empire Conn Iggulden, 2007-05-01 From the author of the bestselling *The Dangerous Book for Boys* Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters migrating across the rugged steppe. Shaped by abandonment and betrayal, Temujin endured, driven by a singular fury: to survive in the face of death, to kill before being killed, and to conquer enemies who could come without warning from beyond the horizon. Through a series of courageous raids, Temujin's legend grew until he was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a thousand warhorses, to subject all nations and empires to his will. BONUS: This edition contains excerpts from Conn Iggulden's *Genghis: Lords of the Bow* and *Khan: Empire of Silver*.

Wolf of the Plains Conn Iggulden, 2007 Tells the story of the young warrior who conquered peoples from Baghdad to Beijing.

Genghis: Bones of the Hills Conn Iggulden, 2009-03-24 From the author of the bestselling *The Dangerous Book for Boys* BONUS: This edition contains an excerpt from Conn Iggulden's *Khan: Empire of Silver*. From Conn Iggulden, #1 bestselling author of six historical epics and coauthor of the international sensation *The Dangerous Book for Boys*, comes a magnificent new work of fiction. Here, the Mongol conqueror Genghis Khan, stalked by enemies seen and unseen and plagued by a divided family, leads a sprawling force of horsemen beyond the realm of their known world. He will bring a storm to Arab lands and face the armies of the shah in all their strength. From the fierce cold plains of Mongolia to the Korean Peninsula, Genghis's brothers, sons, and commanders have made emperors bow, slaughtering vast armies of fighting men. But as Genghis enters a strange new land of towering mountains and arid desert, he stirs an enemy greater than any he has met before. Under his command, Shah Ala-ud-Din Mohammed has thousands of fierce Arab warriors, teeming cavalry, and

terrifying armored elephants. When Genghis strikes, the Arabs prove their mettle. On the verge of defeat, Genghis is forced to leave his own vast encampment, and the women and children in it, in the path of an enraged, savage enemy. While the Mongols—men, women, and children—fight back, as secret assassins are sent into the night, another battle is taking shape. Two of Genghis's sons, Jochi and Chagatai, are steeped in enmity. Warriors choose between them, and a murderer commits an unspeakable crime. Soon the most powerful man in the world, who has brought devastation to this land, must choose a successor. And when he does, it will touch off the most bitter conflict of all. In a novel that ranges from the fertile lands of the Chin to the dust and rock of Afghanistan, Conn Iggulden weaves the epic story of history's most enigmatic conqueror —those who feared him, those who defied him, and those whose bones he left behind.

Lords of the Bow Conn Iggulden, 2008-01 The second in 'The Conqueror Series', this novel is an epic story of Genghis Khan continuing to dominate the scene as he matures from the young boy of 'Wolf of the Plains' to the great Conqueror.

Bones of the Hills Conn Iggulden, 2009

Genghis: Bones of the Hills Conn Iggulden, 2010-07-13 From the author of the bestselling *The Dangerous Book for Boys* From Conn Iggulden, #1 bestselling author of six historical epics and coauthor of the international sensation *The Dangerous Book for Boys*, comes a magnificent new work of fiction. Here, the Mongol conqueror Genghis Khan, stalked by enemies seen and unseen and plagued by a divided family, leads a sprawling force of horsemen beyond the realm of their known world. He will bring a storm to Arab lands and face the armies of the shah in all their strength. From the fierce cold plains of Mongolia to the Korean Peninsula, Genghis's brothers, sons, and commanders have made emperors bow, slaughtering vast armies of fighting men. Yet even as they clash, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

Bones of the Hills Conn Iggulden, 2008 The third of a new four book series focusing on an important historical event.

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A&E's Biography, best-selling autobiographies, and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures from scientists and writers, to political and military leaders, to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

Great Warrior Leaders/thinkers, 1994

Genghis Khan, Makers of History Series Abbott Jacob, 2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Conqueror: The Complete 5-Book Collection Conn Iggulden, 2013-03-28 Conn Iggulden's No.1 bestselling series, which tells the epic story of Genghis Khan, his warrior sons, and their fight to rule an empire, now in one complete eBook for the first time.

The History of Science and Technology in Yuan Dynasty Li Shi, The book is the volume of "The History of Science and Technology in Yuan Dynasty" among a series of books of "Deep into China Histories". The earliest known written records of the history of China date from as early as 1250 BC, from the Shang dynasty (c. 1600-1046 BC) and the Bamboo Annals (296 BC) describe a Xia dynasty (c. 2070-1600 BC) before the Shang, but no writing is known from the period The Shang ruled in the Yellow River valley, which is commonly held to be the cradle of Chinese civilization. However, Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River. These Yellow River and

Yangtze civilizations arose millennia before the Shang. With thousands of years of continuous history, China is one of the world's oldest civilizations, and is regarded as one of the cradles of civilization. The Zhou dynasty (1046–256 BC) supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule. The central Zhou government began to weaken due to external and internal pressures in the 8th century BC, and the country eventually splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture, literature and philosophy first developed during those troubled times. In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin, marking the beginning of imperial China. However, the oppressive government fell soon after his death, and was supplanted by the longer-lived Han dynasty (206 BC – 220 AD). Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912, routine administrative tasks were handled by a special elite of scholar-officials. Young men, well-versed in calligraphy, history, literature, and philosophy, were carefully selected through difficult government examinations. China's last dynasty was the Qing (1644–1912), which was replaced by the Republic of China in 1912, and in the mainland by the People's Republic of China in 1949. Chinese history has alternated between periods of political unity and peace, and periods of war and failed statehood – the most recent being the Chinese Civil War (1927–1949). China was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population. Between eras of multiple kingdoms and warlordism, Chinese dynasties have ruled parts or all of China; in some eras control stretched as far as Xinjiang and Tibet, as at present. Traditional culture, and influences from other parts of Asia and the Western world (carried by waves of immigration, cultural assimilation, expansion, and foreign contact), form the basis of the modern culture of China.

Encyclopedia of Time H. James Birx, 2009-01-07 With a strong interdisciplinary approach to a subject that does not lend itself easily to the reference format, this work may not seem to support directly academic programs beyond general research, but it is a more thorough and up-to-date treatment than Taylor and Francis's 1994 *Encyclopedia of Time*. Highly recommended. —Library Journal STARRED Review Surveying the major facts, concepts, theories, and speculations that infuse our present comprehension of time, the *Encyclopedia of Time: Science, Philosophy, Theology, & Culture* explores the contributions of scientists, philosophers, theologians, and creative artists from ancient times to the present. By drawing together into one collection ideas from scholars around the globe and in a wide range of disciplines, this *Encyclopedia* will provide readers with a greater understanding of and appreciation for the elusive phenomenon experienced as time. Features Surveys historical thought about time, including those ideas that emerged in ancient Greece, early Christianity, the Italian Renaissance, the Age of Enlightenment, and other periods Covers the original and lasting insights of evolutionary biologist Charles Darwin, physicist Albert Einstein, philosopher Alfred North Whitehead, and theologian Pierre Teilhard de Chardin

Discusses the significance of time in the writings of Isaac Asimov, Samuel Taylor Coleridge, Fyodor M. Dostoevsky, Francesco Petrararch, H. G. Wells, and numerous other authors Contains the contributions of naturalists and religionists, including astronomers, cosmologists, physicists, chemists, geologists, paleontologists, anthropologists, psychologists, philosophers, and theologians Includes artists' portrayals of the fluidity of time, including painter Salvador Dali's The Persistence of Memory and The Discovery of America by Christopher Columbus, and writers Gustave Flaubert's The Temptation of Saint Anthony and Henryk Sienkiewicz's Quo Vadis Provides a truly interdisciplinary approach, with discussions of Aztec, Buddhist, Christian, Egyptian, Ethiopian, Hindu, Islamic, Navajo, and many other cultures' conceptions of time Key Themes Biography Biology/Evolution Culture/History Geology/Paleontology Philosophy Physics/Chemistry Psychology/Literature Religion/Theology Theories/Concepts

Book Series About Genghis Khan

Introduction

In the digital age, access to information has become easier than ever before. The ability to download Book Series About Genghis Khan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Book Series About Genghis Khan has opened up a world of possibilities. Downloading Book Series About Genghis Khan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Book Series About Genghis Khan has democratized knowledge. Traditional books and academic journals can be

expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Book Series About Genghis Khan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Book Series About Genghis Khan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Book Series About Genghis Khan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Book Series About Genghis Khan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online

platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Book Series About Genghis Khan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
