Thousand More Hindu Quotations For Speakers And Students London Swaminathan,2023-04-25 This is my second volume of 1000 more quotations mostly from Hindu scriptures. This is a Book of Quotations with a difference. I have included books from Sanskrit and Tamil languages. Most of the quotation books sold in India have more foreign quotations than Hindu quotes. It is very rare to see Kalidasa or Tamil Tiru Valluvar in such books. I have given quotations from Panchatantra, Hitopadesa, Kalhana's Raja Tarangini, Tamil poet Bharati, Sikh Gurus, Manu and Sanskrit dramas. The date of first posting in my blogs and the serial number are in all the posts. Last but not the least, I have divided them topic wise or subject wise.

The Purpose of Human Life Satbinder Kharay,2012-03-27 Based on a true story, this book is about an ordinary man whose destiny placed him on a spiritual path to God in order to contact and meet with him in this lifetime. It is filled with many wondrous experiences and visions that he encountered on the way including proving the existence of God on earth. His remarkable spiritual journey has enabled him to answer the burning questions of why we took human birth, what kind of life forms we actually are, where we came from and what we are all here for. A great read that unfolds the eternal source of all divine influence, knowledge and guidance.

Seeking Nanak Paramjeet Singh, Ishmeet Kaur Chaudhry, Charanjeet Kaur,2021-05-07 The eclectic mix of personal essays, poems and scholarly articles and the teachings of Guru Nanak that form this volume have come from contributors of not only the Sikh community in India, Pakistan and the diaspora, but also from people belonging to other faiths who have been touched by the mystique of the faith of Baba Nanak. By placing the personal records alongside with the scholarly insights into His teachings, what we have understood is that there is a Nanak for each one of us - a Nanak within each one of us - and it is this Nanak which abides in our consciousness and whom we need to seek out and discover. This book is, therefore, meant both for the initiated as well as the uninitiated. The lay readers will get a glimpse into the richness of thought and experience that an acquaintance with Guru Nanak brings with it. For the scholarly, the insights by the contributors who have dedicated their lives to an understanding of Sikhi will help in opening newer vistas of the Gurbani. The plurality of views expressed mirrors the free thinking and the respect for human beings and the upholding of human dignity that Nanakji propagated, practiced and stood for.

*Keep praying god is listening* Kritika Khetarpal Malik,2022-11-18 Being very much part of this material world , i find solace , comfort , peace with God. this book is about prayers ,Prayer is communicating with God as you would with a friend, parent , partner or with a sibling.God doesn't require us to come to Him with large words or fancy language. He longs to hear what our heart desires, our worries and what we're thankful for. The best part of building a bond with god is absence of judgment.. you can be yourself ..nothing is hidden from him.. he knows exactly how you are feeling .. when no body understands . He knows the causes, the reasons, the things that brought you to this point. He understands because he made you, and he sees the hurt in your heart like nobody else can. No human being has this ability And whatever you ask in prayer, you will receive, if you have faith. for all my worldly needs I only pray to God because asking from humans only brings

disappointment, but praying to God gets my material and worldly desires fulfilled. I got connected to guru Nanak Dev ji , through my grandmother (dadi ma) . It was my daily evening ritual during my teenage days to go to my grandmother while she was doing paath . It was through Gurbani and katha , I understood the preaching of Gurunank dev ji and power of Ardas ( prayers).Just as dirt is washed by soap , in the same way man's evil thoughts may be washed by prayer and meditation . Sinners have turned into saints through prayer. God is the helper of the helpless , the strength of the weak , the supporter of the fallen . As a human being We all make mistakes, we all slip up and make mistakes and that too on a daily basis. But no matter the storms you are facing , no matter your past God loves you and his love is perfect.I am writing this book while going through my toughest phase of life .. through this book I am encouraging my self and hoping to encourage millions of people to not loose patience and hope . While we may not like the hard circumstances we are stuck in we can have hope. A day will come when there will be no more tears and no more pain . It's a small nudge to have faith in power of prayers and God . God answers our prayer in four ways:- the first is "Yes". We ask for something; we pray to God, and he says, "Yes, my child. Here it is; I give you what you asked for." The second is "No". For a good reason God tells us, "No my child, I will not grant your prayer." The third is "Wait". It is as if God tells us that the time is not right for us to receive what we want. So, he tells us, "Wait. The time is not yet." The fourth is, "Here is something better." We have asked for one thing, but he grants us something else and says, "Here is something different, something better that I want to give you." So keep praying,because He hears you. God's listening right now, and He'll still be listening tomorrow. . "One of the main reasons that we lose our enthusiasm is because we become ungrateful, we let what was once a miracle become common to us." When God is our strength, we begin to not only see miracles in the lives of others, but in our lives as well. E'yen A Gardner, Chosen One. Sending my love, light and healing energy through this book .

**History of the Sikhs: The Sikh Gurus, 1469-1708** Hari Ram Gupta,1994 Illustrations: 3 Maps Description: History of the Sikhs is a five volume series dealing with all aspects-religious, philosophical, political, military, social, economic and cultural, and the contribution of Sikhism to world civilization, in particular to human rights, principles of liberty, equality and fraternity, and to the creed of democracy and secularism. The aim is to present a comprehensive view of the rise, growth and

development of Sikh thought and action almost in every direction. The entire series is based on original contemporary sources in English, Gurmukhi, Marathi, Persian and Urdu known to exist in India and abroad. This first volume gives the story of Ten Masters who provided leadership to the downtrodden people of the Punjab both in religious and political fields for about two centuries. Their aim was to remove the bitterness that had persisted between the rulers and their subjects for the past five hundred years. They wished to create a new society based upon mutual brotherhood, and freedom of thought, expression and action. It was under the circumstances almost an impossible task. But there is nothing like a dream to create the future. Utopia today, flesh and blood tomorrow. Man's onward march requires that the heights around him should be ablaze with noble and glorious deeds of valour and self-sacrifice to serve as guiding lights. Such evolutionary and revolutionary models were furnished by Guru Arjan, Guru Tegh Bahadur, Guru Gobind Singh, and his four sons-Ajit Singh (18 years), Jujhar Singh (14 years), Zorawar Singh (8 years), and Fatah Singh (5 years)-as well as by their numerous disciples like Bhai Mati Das, Sati Das and Dayal Das. The main features of this book are: A critical appraisal of Guru Nanak's Janam Sakhis, justification for celebrating Guru Nanak's birthday in November instead of in April, Guru Nanak's compositions, Mardana's death at Baghdad, how Amritsar developed into a Sikh centre, Guru Arjan's martyrdom, why Guru Hargobind took to militarism, Guru Har Rai's residence at Nahan, Hukam Namas of Guru Tegh Bahadur, Guru Gobind Singh's formula of five into five, his literary works and Hukam Namas, Emperor Bahadur Shah's pious fraud, eminent personalities and instructions, impact of Gurus'; teachings on Indian society, and why Jats became followers of Khatri Gurus.
