**Year of the Chick series (Romantic Comedy boxed set)** Romi Moondi,2014-11-19 [NOTE: each novel in the boxed set is about 74,000 words for a total of approximately 850 printed pages] This three-book romantic comedy series is all about starting from nowhere (no dating skills, no passion for a corporate job, low self-esteem), and undergoing a big

transformation. The years go on, the landscapes change, and all along our heroine genuinely grows, as she moves past failures, achieves personal goals, becomes a better friend, and even gets the chance to fall in love. More specifically, there's Internet romance (or obsession? Fine line...), there's a meeting with the right guy at the wrong time, there's long-distance romance turmoil, and there's a life-changing journey to a totally different place. The stories are told in a bold narrative with punchy dialogue, to give this series a little more edge than your typical chicklit books. Throughout the series there's also an underlying tension caused by culture clash, when a strict Indian background brings up totally unpleasant scenarios (pressure to get married, pressure to get an ARRANGED marriage...you get the drift). ----- LENGTH: each romantic comedy is a full-length novel of about 74,000 words (or between 280-285 printed pages each) DISCLAIMER: the books contain occasional profanities and mild sexual references

What happens if people find out? What if Damson finds out. Tess blurted out. The Alliance will fall apart? Perri mumbles under his breath. Galina wiped her tears. Awen is still in there, that body is still hers. How can you trust her? Tess asked. I don't think it's a case of trust right now.... Ceri said as he got to his feet and walked to Galina and Sheriton. And once Maisie finds out, he's in for the biggest fight of his life. Good thing he never loses. This is the third book in the Sweet Dreams series and can be read as a standalone. Note from the author: In order not to get kicked out of the good (okay goodish.... fine, sometimes good) girls club, I'd like to point out that this is a steamy romcom and my characters use bad language (sometimes) and like to get it on. There's no cheating and all my books have a HEA.

**Willow Cove Series Bundle: Books 3-4** Theresa Paolo, 2023-06-12 Prepare to swoon for this box set of sizzling romances set in the small town of Willow Cove! Featuring a sizzling love story between a brother and his sister's best friend and a romance between a man whose childhood crush finally notices him after a one-night stand, this collection is sure to make you

fall head over heels. Complete Opposite She was everything he never knew he wanted. The oldest of four, Enzo Moretti has sacrificed his own needs for his family time and time again. Now that his siblings are on the right path, he's ready to find his own happiness. During his local morning coffee run, he's drawn to a redhead with a nice body. It's not until she turns around that he realizes the auburn bombshell is none other than the formerly blonde Cami, the owner of the coffee shop and his baby sister's best friend. Cami Martin seems to have her life together, which is what she's made everyone believe. In reality, she's tired, overworked, and unable to give up control on anything in her life. When she gets a flat tire, and her best friend's gorgeous older brother helps her out, she doesn't anticipate the single act to fuel a growing attraction to a man who has become a thorn in her side. As the two polar opposites spend more time together, they begin to discover that they have more in common than they ever imagined. But will the thing that brings them together be the very thing that tears them apart?

Childhood Dream His dream just became a reality... Now what? After drinking one too many glasses of champagne at a wedding and sleeping with her best friend's younger brother, Krissy Turner, does everything in her power to forget about the curly haired sex god. But after her business is vandalized, he offers his services to help paint the place and in return she agrees to sit for him as a portrait model. Up-and-coming artist, Tony Moretti, has been in love with his sister's best friend most of his life. Creatively blocked and his passion lost, he looks to Krissy to ignite that spark inside of him again. Giving into their growing desires is inevitable. But when someone continues to terrorize Krissy, and she relies on Tony to comfort her, their relationship goes deeper than the heated chemistry between them. When Tony's passion returns, and Krissy's enemy is revealed, their love will be tested, but will love be enough to set them free? This hot and steamy small-town romance is the newest installment in Theresa Paolo's Willow Cove Series set in the picturesque setting of coastal Maine.
