**Corpora in the Foreign Language Classroom** Encarnación Hidalgo Tenorio,Luis Quereda Rodríguez-Navarro,Juan Santana,2007 The papers published in this volume reflect the latest developments that have taken place in the field of the teaching applications of text corpora, with a special emphasis on their use in the foreign language classroom. The book is divided into three main sections. The first section sets the scene for what this collection of essays aims to be. It deals with the issue of what corpus linguistics can do not only for the understanding of the nature of language itself but also for so

fundamental and miraculous a matter such as language learning and language acquisition. The second section tackles the issues of corpus design and corpus exploitation and provides the reader with a great variety of evidence in favour of corpora exploitation for the building of a successful teaching environment. The final section deals with practical applications of corpora in the foreign language classroom.
