Company of One Paul Jarvis, 2019 What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial start-up that wants to scale as soon as possible, but as a small business that is deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In Company of One, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own.

I Am the Wolf Mark Lanegan, 2017-08-15 A collection of lyrics and autobiographical commentary by singer Mark Lanegan, with a preface by John Cale and a foreword by Moby With a voice that Pitchfork has called as scratchy as a three-day beard yet as supple and pliable as moccasin leather, former Screaming Trees and Queens of the Stone Age vocalist Mark Lanegan draws frequent comparisons to masters like Nick Cave and Leonard Cohen. Lanegan's voice is one of the most distinct and recognizable in rock, but his talents aren't limited to his vocal skills. Lanegan's lyrics are on par with the best of them, exploring with Blake-like insight the stark and scorched emotional terrain that exists somewhere beyond sadness, addiction, trauma, and spiritual longing. With a body of work that now includes seven albums with the Screaming Trees, eleven acclaimed solo albums, three albums of duets with Belle and Sebastian's Isobel Campbell (including the Mercury Prize-shortlisted Ballad of the Broken Seas), and collaborative albums and singles with the likes of Queens of the Stone Age,

Moby, Soulsavers, Twilight Singers, and countless others, Mark Lanegan occupies a singular space in rock music. Now, for the first time ever, the reclusive singer presents a comprehensive look at his lyrics, the stories behind them, and the making of his albums. *I Am the Wolf* is a rare and candid glimpse into the inner workings and creative process of a legend.

Easy step-by-step instructions show how to make the perfect ice cream base from which you can create your own experimental flavours. This exciting ice cream collection is completed with Ben's recipes for cones, nests and baskets. Lush, inventive photography by Mike Cooper captures not only the artistry and fun at the heart of Ben's kitchen, but also the magic and wonder of ice cream in the most visually arresting book ever published on the subject. The essential science, ingredients and equipment behind ice cream are explored, as well as a personal history of the ice cream dynasty that Ben hails from. Winstones is one of the UK's longest running and most respected family ice cream producers, founded by Ben's great grandfather Albert Winstone in 1925 in the heart of the Cotswolds. All of the ice cream recipes in this book remain true to Albert's original base recipe, with flavours brought up to date by Ben.

Jeni's Splendid Ice Cream Desserts Jeni Britton Bauer,2014-05-27 In Jeni's Splendid Ice Cream Desserts, ice creams deliciously melt into hot brown Bettys, berry cobblers, sweet empanadas, and corn fritters. Her one-of-a-kind cakes and cookies are not only served with ice cream, they get crumbled on top and incorporated into the ice cream base itself. Sundae combinations dazzle with bold and inspired sauces, such as Whiskey Caramel and Honey Spiked with Chilies. And Jeni's crunchy "gravels" (crumbly sundae toppings)—such as Salty Graham Gravel and Everything Bagel Gravel—are unlike toppings anyone has ever seen before. Store-bought ice cream can be used for all the desserts in the book, but it will be hard to resist Jeni's breakthrough recipes for dairy-free ice cream, frozen custard, and soft-serve. Thirty brand-new flavors, including Cumin & Honey Butterscotch and Extra-Strength Root Beer Ice Cream, attest to the magic of this unique and alluring collection.
