

Plato What Is Love

David A. White

Love and Friendship in Plato and Aristotle A. W. Price, 1989-01-26 This book fully explores for the first time an idea common to Plato and Aristotle, which unites their treatments - otherwise very different - of love and friendship. The idea is that although persons are separate, their lives need not be. One person's life may overflow into another's, and as such, helping another person is a way of serving oneself. The author shows how their view of love and friendship, within not only personal relationships, but also the household and even the city-state, promises to resolve the old dichotomy between egoism and altruism. - ; Friendship and desire in the *Lysis*; Love in the *Symposium*; Love in the *Phaedrus*; Perfect friendship in Aristotle; Aristotle on the varieties of friendship; The household; The City; Epilogue; Appendices; Homogeneity and beauty in the *Symposium*; Psychoanalysis looks at the *Phaedrus*; Plato's sexual morality; Aristotle on erotic love; List of modern works cited. -

Plato on Love Plato, 2006-06-15 This collection features Plato's writings on sex and love in the preeminent translations of Stanley Lombardo, Paul Woodruff and Alexander Nehamas, D. S. Hutchinson, and C. D. C. Reeve. Reeve's Introduction provides a wealth of historical information about Plato and Socrates, and the sexual norms of classical Athens. His introductory essay looks closely at the dialogues themselves and includes the following sections: Socrates and the Art of Love; Socrates and Athenian Pederastia; Loving Socrates; Love and the Ascent to the Beautiful; The Art and Psychology of Love Explained; and Writing about Love.

In Praise of Love Emile J. Piscitelli, Ph. D. Professor Emile J. Piscitelli, J., Professor Emile J. Piscitelli Ph. D., 2006-04 Where did our Western ideas of love come from? *In Praise of Love* is a conversation with Plato as Dialogue, *The Symposium*, the most influential literary and philosophical text on the nature of human love. In it Plato offers seven different views on the nature of love. The conversation starts from the question: Why did Plato put the speeches on love in the order we find them? Plato could not have put something this central to the dialogue in it without good reason. Most interpreters do not adequately account for the order of the speeches because they do not explain why it is not Socrates, the philosopher, but Alcibiades, a power politician, who is given the last word on love. The solution makes possible an illuminating and exciting interpretation of this classic work on the nature of human love.

The Meanings of Love Robert E. Wagoner, 1997-05-21 This introductory text offers a clear, concise look at the

philosophy of love. The author's presentation assumes no previous knowledge of philosophy, providing the humanities student with an insightful introduction to some of the most prominent writers and philosophers, both ancient and modern. From the dialogues of Plato to the writings of feminist philosopher Luce Irigaray, Wagoner presents six major ideas of love: erotic love, Christian love, romantic love, moral love, love as power, and mutual love. This study asserts that even though we have only one word for love, six fundamentally different meanings can be distinguished: erotic love, Christian love, romantic love, moral love, love as power, and mutual love. Wagoner identifies each of these ideas of love in terms of the special meaning it brings to experience. No one meaning is comprehensive. Each is shown to have a logic and legitimacy of its own. Why each view seems real and compelling is the focus of separate discussions, as well as the price that may be exacted by each idea. The extent to which these ideas throw light on actual experience is striking, but the book is not an empirical or psychological inquiry. How one self finds itself in another is first defined and then explored further to see how this shapes the rational and sexual aspects of life.

Platonic Love from Antiquity to the Renaissance Carl Séan O'Brien, John Dillon, 2022-09-01 Platonic love is a concept that has profoundly shaped Western literature, philosophy and intellectual history for centuries. First developed in the Symposium and the Phaedrus, it was taken up by subsequent thinkers in antiquity, entered the theological debates of the Middle Ages, and played a key role in the reception of Neoplatonism and the etiquette of romantic relationships during the Italian Renaissance. In this wide-ranging reference work, a leading team of international specialists examines the Platonic distinction between higher and lower forms of eros, the role of the higher form in the ascent of the soul and the concept of Beauty. They also treat the possibilities for friendship and interpersonal love in a Platonic framework, as well as the relationship between love, rhetoric and wisdom. Subsequent developments are explored in Plutarch, Plotinus, Augustine, Pseudo-Dionysius, Eriugena, Aquinas, Ficino, della Mirandola, Castiglione and the contra amorem tradition.

Plato's Exceptional City, Love, and Philosopher Nickolas Pappas, 2020-07-27 This book reconnoiters the appearances of the exceptional in Plato: as erotic desire (in the Symposium and Phaedrus), as the good city (Republic), and as the philosopher (Ion, Theaetetus, Sophist, Statesman). It offers fresh and sometimes radical interpretations of these dialogues. Those exceptional elements of experience – love, city, philosopher – do not escape embodiment but rather occupy the same world that contains lamentable versions of each. Thus Pappas is depicting the philosophical ambition to intensify the concepts and experiences one normally thinks with. His investigations point beyond the fates of these particular exceptions to broader conclusions about Plato's world. Plato's Exceptional City, Love, and Philosopher will be of interest to any readers of Plato, and of ancient philosophy more broadly.

True to Our Feelings Robert C. Solomon, 2007 Solomon illuminates the rich life of the emotions--what they are and how they give meaning to life. He shows that emotions are all essential to values, and to living happily, healthily, and well.

Platonic Studies Gregory Vlastos, 2021-03-09 This book consists of Gregory Vlastos' studies on a variety of themes in Plato's metaphysics, epistemology, ethics, and social philosophy. Although many of the essays have appeared in various philosophical and classical journals or symposia, new in the volume are two major studies. One is on Plato's theory of love, exploring its metaphysical dimension and its far-reaching implications for personal and political relations. The other centers on semantic and logical problems in the *Sophist*; it offers solutions to crucial difficulties in this fundamental Platonic work. In these essays the author presents ideas which are likely to provoke comment and may be discussed as vigorously in scholarly journals as has some of his earlier work. The other papers, some of them extensively revised, comprise virtually all the author's published work on Plato, with the exception of a few papers easily accessible elsewhere. This second edition includes three additional essays and extensive notes that were not included in the original edition.

The Nature of Love, Volume 1 Irving Singer, 2009-02-20 An analysis of concepts of bestowal, appraisal, imagination, and idealization followed by explorations into the writings of thinkers that include Plato, Ovid, and Martin Luther. Irving Singer's trilogy *The Nature of Love* has been called majestic (*New York Times Book Review*), monumental (*Boston Globe*), one of the major works of philosophy in our century (*Nous*), wise and magisterial (*Times Literary Supplement*), and a masterpiece of critical thinking [that] is a timely, eloquent, and scrupulous account of what, after all, still makes the world go round (*Christian Science Monitor*). In the first volume, Singer begins by studying love as appraisal and bestowal as well as imagination and idealization. He then examines the contrasting views of Plato, Aristotle, Plotinus, Ovid, Lucretius, Saint Augustine, Saint Thomas Aquinas, and Martin Luther. After having described the nature of erotic idealization, Singer analyzes the religious idealization in Judeo-Christian concepts of eros, philia, nomos, and agape. Medieval Catholicism sought to combine these four ideas of love in the *caritas* synthesis. Luther repudiated that attempt on the grounds that love exists only in God's agapastic bestowal of unlimited goodness upon humanity and all of nature. In relation to the different modes of theorizing, Singer explores the humanistic implications of each.

Plato and Freud Gerasimos Xenophon Santas, 1988

Phaedrus Plato, 2005-08-25 *Phaedrus* is widely recognized as one of Plato's most profound and beautiful works. It takes the form of a dialogue between Socrates and Phaedrus and its ostensible subject is love, especially homoerotic love. This new translation is accompanied by an introduction, further reading, and full notes on the text and translation that discuss the structure of the dialogue and elucidate issues that might puzzle the modern reader.

Rhetoric and Reality in Plato's "Phaedrus" David A. White, 1993-01-01 The *Phaedrus* is well-known for the splendid mythical panorama Socrates develops in his second speech, and for its graphic descriptions of erotic behavior. This book shows how the details of the myth and the accounts of interaction between lovers are based on a carefully articulated metaphysical structure. It follows the dialogue as narrated, showing how passages that may not appear relevant to

metaphysics have been deployed to heighten the vision of reality that Socrates develops in his second speech and concludes with an Epilogue in which the metaphysical principles adumbrated in the dialogue are ordered and briefly developed. This Epilogue helps illustrate the continuity between the Phaedrus and subsequent dialogues, such as the Parmenides, Sophist, Statesman, and Philebus, in which methodological and metaphysical concerns are dominant for Plato. As a result, new connections emerge between the metaphysical domain in Plato's thought and the more visible and vibrant areas of the psychology of eros and practical rhetoric. -- Back cover.

The Oxford Handbook of the Philosophy of Love Christopher Grau, Aaron Smuts, 2024 The Oxford Handbook of the Philosophy of Love offers a wide array of original essays from leading philosophers on the nature and value of love.

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beerte C.

Verstraete, Vernon L. Provencal, 2014-05-01 New and surprising insights into homoeroticism of times past In ancient times, the Greek god Eros personified both heterosexual and homosexual attractions. Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West explores the homosexual side of the vanished civilizations of Greece and Rome, and the resulting influence on the Classical tradition of the West. Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world. Iconography such as vase decoration and carved gemstones is presented in photographs, and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study. Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West lays to rest the myths generally accepted as truth about Greco-Roman views on homosexuality and brings fresh insights to philological and historical scholarship. This book provides nuanced, humanistic discussions on the common phenomena of same-sex desire. Topics include Greek pederasty and its origins, the Greek female homoeroticism of Sappho, homosexuality in Greek and Roman art and literature, and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century. The text is extensively referenced and includes helpful notation. Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West provides a comprehensive table of abbreviations, subject index, and index of names and terms. It discusses in detail: the integral role athletic nudity played in athlete-trainer pederasty the central role of pederasty in Greek history, politics, art, literature, and learning tracing the history of the Ganymede myth how the athletic culture of Sparta contributed to the spread of pederasty in Greece homosexuality in Boeotia in contrast to the rest of Greece the homoeroticism of Sappho dispelling generally accepted myths prevalent about Roman sexuality Roman visual representations of homosexuality as evidence of prevailing attitudes homoerotic connotations in literature and philosophy of the Italian Renaissance the effect of German classical philology on gay scholarship English Romantic poets and the importance of male love in their lives the Uranians' use of allusions and themes from ancient Greece the building of intellectual community through gay print

culture—through the use of Greece and Rome as models and more Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West is essential reading for Classicists, specialists in gender/sexuality studies, humanists interested in the classical tradition in Western culture, psychologists, and other social scientists in human sexuality.

Plato's Critique of Impure Reason D. C. Schindler, 2008 Plato's Critique of Impure Reason offers a dramatic interpretation of the Republic, at the center of which lies a novel reading of the historical person of Socrates as the real image of the good

Setting Plato Straight Todd W. Reeser, 2015-12-28 When we talk of platonic love or relationships today, we mean something very different from what Plato meant. For this, we have fifteenth and sixteenth-century European humanists to thank. As these scholars—most of them Catholic—read, digested, and translated Plato, they found themselves faced with a fundamental problem: how to be faithful to the text yet not propagate pederasty or homosexuality. In Setting Plato Straight, Todd W. Reeser undertakes the first sustained and comprehensive study of Renaissance textual responses to Platonic same-sex sexuality. Reeser mines an expansive collection of translations, commentaries, and literary sources to study how Renaissance translators transformed ancient eros into non-erotic, non-homosexual relations. He analyzes the interpretive lenses translators employed and the ways in which they read and reread Plato's texts. In spite of this cleansing, Reeser finds surviving traces of Platonic same-sex sexuality that imply a complicated, recurring process of course-correction—of setting Plato straight.

Conjunctions of Mind, Soul and Body from Plato to the Enlightenment Danijela Kambaskovic, 2014-09-25 This book examines the nexus between the corporeal, emotional, spiritual and intellectual aspects of human life as represented in the writing of the Middle Ages and the Renaissance. Authors from different fields examine not only the question of the body and soul (or body and mind) but also how this question fits into a broader framework in the medieval and early modern period. Concepts such as gender and society, morality, sexuality, theological precepts and medical knowledge are a part of this broader framework. This discussion of ideas draws from over two thousand years of Western thought: from Plato in the fifth century BC and the fourth century Byzantine dialogues on the soul, to the philosophical and medical writings of the early 1700s. There are four sections to this book: each section is based on where the authors have found a conjunction between the body and mind/soul. The work begins with a section on text and self-perception, which focuses on creative output from the period. The second conjunction is human emotions which are described in their social contexts. The third is sex, where the human body and mind are traditionally believed to meet. The fourth section, Material Souls, engages with bodies and other material aspects of existence perceived, studied or utilised as material signs of emotional and spiritual activity.

On the Nature of Love Marsilio Ficino, 2016 On the Nature of Love is a translation of Marsilio Ficino's commentary to Plato's Symposium. This edition makes Ficino's Tuscan version available to English readers for the first time. On November

7, 1468, nine men gathered at Careggi, outside Florence, to honour Plato's birthday. After the meal, the Symposium was read, and the guests - now reduced to seven - spoke on the nature of love. Ficino, who was also present, recorded what was said, and his report constitutes the text of his commentary. His work was eagerly taken up by court circles throughout Europe and became part of their standard fare for the next two centuries. In more recent times, Ficino's commentary has exercised the minds of theologians, philosophers, and psychologists.

Reexamining Love of Wisdom Juan Carlos Flores, 2016-09-30 What is philosophy? Why does it matter? How have philosophy and its relation to religion and science changed from the ancient to the medieval and modern periods and beyond? What are the central philosophical ideas, from Socrates to Nietzsche? Reexamining Love of Wisdom addresses these questions. It offers a new perspective by organizing the material under the theme of philosophical desire and shows the timeless importance of philosophy understood as the love of wisdom. Flores provides an historical introduction to philosophy suitable for college students that is a resource for more advanced students or scholars interested in the history and nature of philosophy.

The Dialogues of Plato Plato, 1993-08-25 R. E. Allen's superb new translation of Plato's Symposium brings this classic text to life for modern readers. Allen supplements his translation with a commentary that not only enriches our understanding of Plato's philosophy and the world of Greek antiquity but also provides insights into present-day philosophical concerns. Allen reveals the unity of Plato's intentions in the Symposium, explores the dialogue's major themes, and links them with Plato's other dialogues. His wide-ranging commentary includes discussions of Greek religious, social, and sexual practices, the conceptual connections between the Symposium and Freud, the influence of the Symposium on later writers, and recent scholarship on the dialogue. Allen's primary focus is philosophical, however, and he succeeds in explicating the doctrine of Eros in Plato's Symposium so that the reader can see how wish and desire relate to Plato's moral philosophy, epistemology, and metaphysics.

This is likewise one of the factors by obtaining the soft documents of this **Plato What Is Love** by online. You might not require more mature to spend to go to the books inauguration as capably as search for them. In some cases, you likewise reach not discover the revelation Plato What Is Love that you are looking for. It will categorically squander the time.

However below, bearing in mind you visit this web page, it will be suitably agreed simple to get as with ease as download lead Plato What Is Love

It will not allow many era as we tell before. You can complete it even if operate something else at house and even in your workplace. thus easy! So, are you question? Just exercise just what we come up with the money for under as with ease as review **Plato What Is Love** what you considering to read!

Plato What Is Love Introduction

In the digital age, access to information has become easier than ever before. The ability to download Plato What Is Love has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Plato What Is Love has opened up a world of possibilities. Downloading Plato What Is Love provides numerous

advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Plato What Is Love has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Plato What Is Love. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Plato What Is Love. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Plato What Is Love, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Plato What Is Love has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Plato What Is Love Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make

sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Plato What Is Love is one of the best book in our library for free trial. We provide copy of Plato What Is Love in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Plato What Is Love. Where to download Plato What Is Love online for free? Are you looking for Plato What Is Love PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Plato What Is Love. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Plato What Is Love are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along

with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Plato What Is Love. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Plato What Is Love To get started finding Plato What Is Love, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Plato What Is Love So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Plato What Is Love. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Plato What Is Love, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Plato What Is Love is available in our book collection an online access to it is set as public so you can download it instantly.

Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Plato What Is Love is universally compatible with any devices to read.
