**Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection** Stan H. McCarley, 2024-02-02

Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation, reflection, and inspiration.

**Vision Quest** Peter James Ford, 2023-12-13 "VISION QUEST" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid explosions in his mind of 'seemingly' past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. The source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title "MYSTICISM IN NEWBURYPORT" with an eighth bonus/companion book called "MYSTIC". Now you are holding his new writings in your hands. Peter laughingly calls himself "An Unlikely Messenger" as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

**Mysticism in Newburyport** Peter James Ford, 2023-06-11 MYSTICISM IN NEWBURYPORT is a seven-book series

revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

*Magic and Divination at the Courts of Burgundy and France* Jan R. Veenstra,1998 This volume presents a critical edition of Laurens Pignon's treatise Contre les devineurs (1411) and examines its literary and historical context of courtly magic and astrology in Burgundy and France during the reign of Charles VI.

*Reflections* Peter James Ford,2024-03-27 Peter James Ford, The Unlikely Messenger, is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."

Texting Faith, Hope, and Love JoAnn Willoughby Hays,2023-05-22 I started writing down favorite scriptures, quotes, and sayings in fifth or sixth grade. I taught children's Bible classes for 42 years and public school classes for 29 years and I

always found a way to use many of the quotes and sayings in all my classes. I still get excited when I see a great quote in a book or magazine, or even on a T-shirt. I have four grandchildren I adore, and I don't get to see them as often as I did when they were children, or during the pandemic. Cale is a graduate of Oklahoma Christian University and is busy with his career. Mackenzie will be a senior at the University of Oklahoma. Tate is a newlywed and is attending the Oklahoma State University's Fire Academy to become a firefighter, and our youngest, Danny, is a 6'4 basketball player who will be a junior at Edmond Memorial High School. I found a quote a few years ago from the gymnast, Gabby Douglas. She said, By now, you've probably caught on to something: my mother is always standing by with just the right scripture or inspirational saying to get me through any tough situation. I was so blessed to have my grandchildren living in the same town when they were growing up and all four of them were in my sixth grade Sunday school class. I think all of us who are grandmothers want to be like Timothy's grandmother, Lois. I read Gabby's quote and realized how important that was to her. I can't stand by my grandchildren, but I thought I can text scriptures and quotes to them. Also, Corrie ten Boom's book, The Hiding Place came out when my girls were babies. I read it during their nap times. I also watched as many of her interviews as I could. She and her family were Christians in Holland and hid hundreds of Jews being smuggled to safety in a secret hiding place in their combination home and watch and clock repair store. Her entire family was caught by the Nazis and sent to concentration camps. They weren't allowed Bibles, so they taught people using the scriptures they had memorized. I heard her tell a story of finding a broken piece of pencil and writing scriptures down on little scraps of paper and giving them to people to give them hope. That inspired me to memorize more scriptures, so I could always have a Bible close to me. I started texting scriptures and different quotes to my grandkids group once or twice a week. I prayed that this would keep them in the Word and remind them their words and actions need to glorify God. One night I needed to send a new text and it took me about thirty minutes to write one and send it. I remember thinking I wish I could go online or go to Mardel's store to find a book that had the type of devotionals I wanted. My next thought was why don't I write one. I'm retired and I already have over thirty devotionals finished. I could just add about a hundred more and I would have a book of devotionals. I said a prayer and started compiling my devotion lesson plan book the next day.

**Destiny** Peter James Ford, 2024-03-04 "DESTINY" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of 'seeming' past life experiences and powerful insights. Peter wrote a seven-book series under the title "MYSTICISM IN NEWBURYPORT" then the eighth and ninth bonus/companion books called "MYSTIC" & "VISION QUEST." Then "SHAMBHALA'S GHOSTS" was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself "An Unlikely Messenger" as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

**The Poems of Alexander Pope** Alexander Pope, 1688-1744 A splendid presentation of Pope's poems, excluding only his translations of Homer, this is the only one-volume edition that can lay claim to completeness and accuracy of text. It presents the corpus of Pope's poetry as printed in the highly praised Twickenham Edition, except for the 1712 version of *The Rape of the Lock* and other early versions of phrases preserved in the critical apparatus of the six-volume work. Pope's own notes to his poems are included, as well as a generous selection of the copious annotation in the Twickenham text. This reduced version of the unsurpassed standard edition of Pope will be of great value to all students and teachers of English literature. John Butt, Regius Professor of Rhetoric and English Literature at Edinburgh University, is general editor of the Twickenham Edition. The publishers are surely right in claiming that 'this should for long remain the standard one-volume edition of Pope's poems.' The Twickenham edition . . . has been a splendid achievement, and Professor Butt's distillation of the long labours of his fellow-editors is most commendable.—Times Literary Supplement.
