**Legends of the Norse Kings** Isabel Wyatt,2013-02-21 Legends of the Norse Kings brings together two epic medieval sagas of brave kings and fierce dragons, perilous journeys and deadly battles, tales of love, magic and destiny. The two sagas in this book date from the twelfth to the fifteenth centuries. The Saga of King Ragnar Goatskin recounts the adventures of the famous Danish ruler who fought a dragon to win a princess's hand in marriage. The Dream of King Alfdan retells the legend of the heroic King who rescued princess Ragnild and her brother Guthorm and whose dream, of a son who would rule all of Norway, comes true. These stories of Norse kings are beautifully retold by the renowned storyteller Isabel Wyatt, drawing on the sagas recorded by the historian Saxo Grammaticus and other Scandinavian writers of the Middle Ages.

The Dragon's Beasts Fred A. Wilson, 2017-06-14 The book of Daniel 2 reveals by symbols the successive empires/kingdoms of the world with a statue of a human figure of a head of gold, chest of silver, thighs of bronze, legs of iron, and feet of a mixture of clay and iron. Daniel 7, which describes four beasts (a lion, a bear, a leopard, and a terrible beast with ten horns), covers the same period in world history as in chapter 2. While the king of Babylon saw the majestic power and grandeur of the Gentile empire/kingdoms, Prophet Daniel saw their real character, beastly conduct, wicked rule, and profligate government. All the beasts (empire/kingdoms) were destroyed by the Messiah, Immanuel (the Stone), who the builders of the nations of man rejected and who is the cornerstone of the holy nation of believers. Revelation 12 describes the great dragon thrown down, the age-old serpent that is called the devil and Satan, he who continually deceives and seduces the entire inhabited world. He was thrown down to the earth, and his angels were thrown down with him. This usurping dragon would form successive compacts with mankind for the dominion of the earth. Revelation 13 shows the final compact

between the nations of man and the man of sin, Satan (the dragons beasts), engulfing even the holy people (Israel, the church the woman on the beast in Revelation 17). When the stone finally destroyed the lawless kings of the nations/kingdoms, their rule was dispersed to the lots of nation-states created by the common people the rule of commoners. These are the nation-states of democratically elected commoners. Revelation 13 (and 17) shows the rebellion and apostasy of our Christendom/Queendom of Babylon, the great nation-states of man setting themselves up against the son of man, Immanuel. Why the stone is about to crush Christendom of Babylon the great! And the stone that smote the image became a great mountain or rock and filled the whole earth (Daniel 2:3435). Yes, he is the rock of ages!

*The Sorceress of Belmair* Bertrice Small, 2012-06-19 When Belmair's magical guardian forces her to marry Dillon, the son of the Domina of Hetar, Cinnia, a sorceress, finds the union allows her to use her magical gift to uncover the truth surrounding the disappearance of young women.

**The Bride Of Christ: The Bridegroom and His Bride** Christopher Hussey, 2017-08-11 Right from the very beginning in eternity past, God had planned history with His Son having a bride, a companion that would co-reign with Him and enjoy Him forever. That is the eternal purpose of God in creating a bride for His Son. If you read the Scripture from cover to cover, you would discover that God teaches us in a variety of different ways. Sometimes God uses powerful word pictures, sometimes He uses symbols, sometimes He uses examples of people both good and bad. Sometimes God uses a direct word, an authoritative word, sometimes He uses examples from nature, like a tree planted by the rivers of water that will not cease to bear fruit. This book highlights how God gave us an example of an ancient Jewish wedding ceremony that correlates with Christ, the Bridegroom, and His bride the church. From the father choosing a bride for his son, paying the bridal price, the bridegroom snatching his bride and bringing her to the bridal chamber, and then finally co-reigning with him in their household with him as the head. It is absolutely amazing the correlation between the two. What was a mystery to the Jews has been revealed. The mystery was that both Jew and Gentile called the church would be the bride of Christ. The bride of Christ is describing the kind of relationship we can have with Jesus. God is seeking willing lovers, who would voluntarily seek His heart, voluntarily surrender to Him, and voluntarily love Him with all their heart, soul and mind, and strength.

**The Marriage of the Bride of Christ** Sharon Hanson,2006-11-01 This book deals with the third major encounter that a believer can have with God through the person on Jesus Christ. The first encounter represents the way, the second the truth and the encounter in this book represents the life of one who overcomes the flesh.

**Heart of the Dragon's Realm** Karalynn Lee,2012-10-29 Princess Kimri is used to betrayal. Her brother sold her to a king in exchange for swords to defend his lands. King Tathan's reputation is as fierce as that of his mountain kingdom—where dragons are said to guard the castle walls—but the realms are unstable enough without angering the mountain-king, so Kimri reluctantly agrees to the union. When she arrives in Helsmont, the king promises her a year of courtship before marrying—or parting ways. Before long, Kimri thinks she may find comfort, and perhaps eventually love, with the stoic king. But the realms are more unsettled than Kimri realizes, and she soon finds herself caught in the middle of a war between the kingdoms. Can she count on her betrothed to take her side? Or will his loyalty to his kingdom come before his loyalty to her? 50,000 words

*Divine Knowledge* Brian Baumann,2008-02-15 In an original and compelling examination of traditional mathematics, this comprehensive study of the anonymous Manual of Mongolian Astrology and Divination (published by A. Mostaert in 1969) takes on the fundamental problem of the post-enlightenment categorization of knowledge, in particular the inherently problematic realms of religion and science, as well as their subsets, medicine, ritual, and magic. In the process of elucidating the rhetoric and logic shaping this manual the author reveals not only the intertwined intellectual history of Eurasia from Greece to China but also dismantles many of the discourses that have shaped its modern interpretations.
