

What Are Katniss And Peetas Childrens Names

Wikipedia contributors

Of Bread, Blood and The Hunger Games Mary F. Pharr, Leisa A. Clark, Donald E. Palumbo, 2012-07-12 This collection of fresh essays on Suzanne Collins's epic trilogy spans multiple disciplines. The contributors probe the trilogy's meaning using theories grounded in historicism, feminism, humanism, queer theory, as well as cultural, political, and media studies. The essayists demonstrate diverse perspectives regarding Collins's novels but their works have three elements in common: an appreciation of the trilogy as literature, a belief in its permanent value, and a need to share both appreciation and belief with fellow readers. The 21 essays that follow the context-setting introduction are grouped into four parts: Part I History, Politics, Economics, and Culture, Part II Ethics, Aesthetics, and Identity, Part III Resistance, Surveillance, and Simulacra, and Part IV Thematic Parallels and Literary Traditions. A core bibliography of dystopian and postapocalyptic works is included, with emphasis on the young adult category--itself an increasingly crucial part of postmodern culture. Instructors considering this book for use in a course may request an examination copy [here](#).

Katniss the Cattail Valerie Estelle Frankel, 2012 Bringing details from myths, herbal guides, military histories, and the classics, English professor and award-winning pop culture author Valerie Estelle Frankel sheds light on the deeper meanings behind Panem's heroes and villains in this hottest of YA trilogies.--Page 4 of cover.

War, Myths, and Fairy Tales Sara Buttsworth, Maartje Abbenhuis, 2016-12-26 This exciting new collection examines the relationships between warfare, myths, and fairy tales, and explores the connections and contradictions between the narratives of war and magic that dominate the ways in which people live and have lived, survived, considered and described their world. Presenting original contributions and critical reflections that explore fairy tales, fantasy and wars, be they real or imagined, past or present, this book looks at creative works in popular culture, stories of resistance, the history and representation of global and local conflicts, the Holocaust, across multiple media. It offers a timely and important overview of the latest research in the field, including contributions from academics, story-tellers and artists, thereby transcending the traditional boundaries of the disciplines, extending the parameters of war studies beyond the battlefield.

Race, Gender, and Sexuality in Post-Apocalyptic TV and Film Barbara Gurr, 2015-10-07 This book offers analyses of the roles of race, gender, and sexuality in the post-apocalyptic visions of early twenty-first century film and television shows. Contributors examine the production, reproduction, and re-imagination of some of our most deeply held human ideals

through sociological, anthropological, historical, and feminist approaches.

The Artemis Archetype in Popular Culture Susan Redington Bobby, Eileen M. Harney, 2016-02-17 Many female figures in recent fiction, film, and television embody the Artemis archetype, modeled on the Greco-Roman goddess of the hunt. These characters are often identified as heroines and recognized as powerful and progressive pop icons. Some fit the image of the tough, resourceful female in a science fiction or fantasy setting, while others are more relatable, inhabiting a possible future, a recent past, or a very real present. Examining both iconic and lesser-known works, this collection of new essays analyzes the independent and capable female figure as an ideal representation of women in popular culture.

Naming Your Little Geek Scott Rubin, 2020-08-04 The ultimate book of baby names for comic book nerds, sci-fi fans and more—with the meanings and stories behind more than 1,000 names! Having trouble finding a baby name that celebrates your favorite fandom? Whether you want your child's name to stand out in a crowd or fit in on the playground, Naming Your Little Geek is here to save the day! This ultimate guidebook is complete with every name a geek could want to give their baby—from Anakin and Frodo to Indiana and Clark; and from Gwen and Wanda to Buffy and Xena—plus their meanings, and a list of all the legends who have borne them. Naming Your Little Geek covers everything from comic book superheroes to role-playing game icons, Starfleet officers to sword and sorcery legends with characters who have appeared on film and TV, in novels and comic books, on the tabletop, and beyond. With nearly 1,100 names referencing more than 4,400 characters from over 1,800 unique sources, it's the perfect resource for parents naming a child or anyone looking for a super cool and meaningful new name.

Focus On: 100 Most Popular American Science Fiction Films Wikipedia contributors,

Heroes, Heroines, and Everything in Between Christopher J. Olson, CarrieLynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. *Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media* examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products (e.g., comic books, television shows, animated films, films, children's literature) meant for children (e.g., toddlers to teenagers). The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they explore these nontraditional representations and consider what they say about the current state of children's entertainment media, popular culture, and global acceptance of these gender identities and sexualities.

Radical Reads 2 Joni Richards Bodart, 2009-11-25 In *Radical Reads*, Joni Richards Bodart identified 101 young adult books that featured gritty, complex plots, focused on multidimensional characters, and tackled such difficult subjects as teenage pregnancy, dysfunctional families, gangs, prejudice, violence, drugs, or other provocative issues. Teen readers were drawn to such books because they could identify with both the characters and the situations depicted in these raw and edgy works of fiction. In *Radical Reads 2: Working with the Newest Edgy Titles for Teens*, Bodart continues where the first book left off, examining more than a hundred titles published since the previous edition. The books featured here are engaging and tough, yet well written and accessible to readers. For each novel, Bodart lists the main characters, major themes and subject areas, and offers a brief summary. Along with providing book report ideas, she cites the strengths of each work, excerpts important reviews, and lists any awards the book has received. Indexed by author, title, subject, curriculum area, reading level, interest level, and genre, *Radical Reads 2* is an indispensable tool for librarians, teachers, and parents alike, and will appeal especially to teens looking for relevant and topical fiction.

The Hunger Games (SparkNotes Literature Guide) SparkNotes, 2014-02-04 *The Hunger Games* (SparkNotes Literature Guide) by Suzanne Collins Making the reading experience fun! When a paper is due, and dreaded exams loom, here's the lit-crit help students need to succeed! SparkNotes Literature Guides make studying smarter, better, and faster. Final Girls, Feminism and Popular Culture Katarzyna Paszkiewicz, Stacy Rusnak, 2020-05-05 This volume examines contemporary reformulations of the 'Final Girl' in film, TV, literature and comic, expanding the discussion of the trope beyond the slasher subgenre. Focusing specifically on popular texts that emerged in the 21st century, the volume asks: What is the sociocultural context that facilitated the remarkable proliferation of the Final Girls? What kinds of stories are told in these narratives and can they help us make sense of feminism? What are the roles of literature and media in the reconsiderations of Carol J. Clover's term of thirty years ago and how does this term continue to inform our understanding of popular culture? The contributors to this collection take up these concerns from diverse perspectives and with different answers, notably spanning theories of genre, posthumanism, gender, sexuality and race, as well as audience reception and spectatorship.

Teaching towards Democracy with Postmodern and Popular Culture Texts Patricia Paugh, Tricia Kress, Robert Lake, 2014-11-26 This edited volume supports implementation of a critical literacy of popular culture for new times. It

explores popular and media texts that are meaningful to youth and their lives. It questions how these texts position youth as literate social practitioners. Based on theories of Critical and New Literacies that encourage questioning of social norms, the chapters challenge an audience of teachers, teacher educators, and literacy focused scholars in higher education to creatively integrate popular and media texts into their curriculum. Focal texts include science fiction, dystopian and other youth central novels, picture books that disrupt traditional narratives, graphic novels, video-games, other arts-based texts (film/novel hybrids) and even the lives of youth readers themselves as texts that offer rich possibilities for transformative literacy. Syllabi and concrete examples of classroom practices have been included by each chapter author

Hollywood High Bruce Handy, 2015-05-20 From a longtime Vanity Fair writer and editor, a delightfully entertaining, intelligent, and illuminating history and tribute to teen movies-from *Rebel Without a Cause* to *Fast Times at Ridgemont High*, and on to John Hughes, *Mean Girls*, *The Hunger Games*, and more-- Provided by publisher.

The Future of the Nineteenth-Century Dream-Child Amy Billone, 2016-06-10 This book investigates the reappearance of the 19th-century dream-child from the Golden Age of Children's Literature, both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today. Discussing Harry Potter as a reincarnation of Lewis Carroll's Alice and J.M. Barrie's Peter Pan, Billone goes on to examine the recent resurrection of Alice in Tim Burton's *Alice*, and of Peter Pan in Michael Jackson and in James Bond. Visiting trends that have emerged since the Harry Potter series ended, the book studies revisions of the dream-child in texts and films that have inspired mass fandom in the twenty-first century: Stephenie Meyer's *Twilight*, E.L. James's *50 Shades of Grey* and Suzanne Collins's *The Hunger Games*. The volume argues that the 21st-century desire to achieve dream-states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time. This current identification with the dream-child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age. This book not only explores how the dream-child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream-child opens up possibilities for new narratives where happy endings remain viable against all odds. It will appeal to scholars in a wide variety of fields including Childhood Studies, Children's/YA Literature, Cinema Studies, Cultural Studies, Cyberculture, Gender Studies, Queer Studies, Gothic Studies, New Media, and Popular Culture.

Agency in The Hunger Games Kayla Ann, 2020-02-05 For 21st-century young adults struggling for personal autonomy in a society that often demands compliance, the bestselling trilogy, *The Hunger Games* remains palpably relevant despite its futuristic setting. For Suzanne Collins' characters, personal agency involves not only the physical battle of controlling one's body but also one's response to such influences as morality, trauma, power and hope. The author explores personal agency

through in-depth examinations of the lives of Katniss, Peeta, Gale, Haymitch, Cinna, Primrose, and others, and through an analysis of themes like the overabundance of bodily imagery, social expectations in the Capitol, and problem parental figures. Readers will discover their own dandelion of hope through the examples set out by Collins' characters, who prove over and over that human agency is always attainable.

The Hunger Games (Movie tie-in) Suzanne Collins,2012-03-01 First in the ground-breaking HUNGER GAMES trilogy. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

Catching Fire (Hunger Games, Book Two) Suzanne Collins,2010-06-01 The second book in Suzanne Collins's phenomenal and worldwide bestselling Hunger Games trilogy. Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge.

The Hunger Games Suzanne Collins,2011-12 First in the ground-breaking HUNGER GAMES trilogy. In a vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. But Katniss has been close to death before. For her, survival is second nature.

Catching Fire Suzanne Collins,2009-09-01 Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. But there are rumors of rebel

Los Juegos Del Hambre / the Hunger Games Suzanne Collins,2012-03 In a future North America, where the rulers of Panem maintain control through an annual televised survival competition pitting young people from each of the twelve districts against one another, sixteen-year-old Katniss's skills are put to the test when she voluntarily takes her younger sister's place.
