[Encyclopedia of Mysticism and Mystery Religions](#) John Ferguson, 1982-01-01

An Illustrated Encyclopedia of Mysticism and the Mystery Religions John Ferguson, 1977 More than one thousand entries provide essential information on the manifold expressions of mysticism, ranging from Christian mystical theology to Oriental mysticism and from the ancient philosophers to the Cambridge Platonists.

Encyclopedia of World Religions Encyclopaedia Britannica, Inc., 2008-05-01 A guide to the religions of the world and to the concepts, movements, people, and events that have shaped them. It includes features such as: entries on religious movements and concepts, historical and legendary figures, divinities, religious sites and ceremonies; images that show sacred places, vestments, rituals, objects, and texts; and more.

A Course in Mysticism and Miracles Jon Mundy, 2018-03-01 In this book, Jon Mundy explores the tenets of mysticism and the teachings of A Course in Miracles, a book now regarded as a modern spiritual classic. Mysticism is the core of all true religions, and its teachings offer a way, or a path, to living in harmony with the Divine. The Course offers deep insight into the workings of the mind. When studied together, they provide spiritual awakening, clarity, and understanding. Both informative and inspirational, A Course in Mysticism and Miracles can motivate us to do the work required to develop a contemplative life. Its insights reveal that peace is available to us all.

Mysterium and Mystery William David Spencer,1992 A reprint of the first book on the topic of the cleric as a crime-solver in fiction. *Mysterium and Mystery* by William David Spencer is a primary reference of meticulous scholarship for anyone interested in mystery literature.

Nag Hammadi Bibliography 1970-1994 David Scholer,2020-10-26 This is a sequel to the immensely useful Nag Hammadi Bibliography 1948-1969, which was the first volume to appear in the Nag Hammadi Studies series. The volume provides a complete integration of Supplements I-XXIV to the Bibliography as published in *Novum Testamentum* 1971-1997, with additions and corrections. In total the update contains over 6092 entries. Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco-Roman world and for the study of the world of early Christianity, and the present bibliography provides an indispensable reference tool for work in these fields.

Lawrence Hall Dawson,2005-06-01 Through the years, I have felt a deep bewilderment regarding humankind's varied interpretations of God's Word and/or of those Spiritual teachings which have been attributed to the Messengers of God. I took a monumental leap of Faith and went beyond the boundaries of organized religion; I went to The Source Itself; The Source of all TRUTH, God, my Creator. It was only recently that I was privileged to be Given a Direct Line to TRUTH: a new Revelation on how to Commune directly with God, our Creator. As an analogy, God Served as the Master Storage Bank of all TRUTH; my mind became as the Terminal Computer and the Modem was The Christ or my At-ONement with God. No longer need I be dependent upon the word of humankind; through The Mediator, The Christ, I was now provided with an immediate, untarnished Access to God's Word. For those who do not believe that humankind today can have direct Access to God's Word, may I suggest re-reading with an open mind these verses attributed to Jesus, The Christ as written in the Holy Bible; St. John 14: 12-14: Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it. Does humankind Truly Believe as Jesus, The Christ did, I and my Father are One...? It was through my TRUE Self, The Christ Self, during my Communion with God Mind that all quoted material of Return to TRUTH was Given to me in Answer to my questions, my questions which were Seeking the TRUTH that will set humankind free. Remember: Understanding (that which is NEW), will need an openness of mind as that which is NEW tends to destroy that which is OLD. Openness means willingness to entertain NEW ideas. Amen.

Mysticism Bruno Borchert,1994-01-01 Mystical experience is not really understood in our modern Western culture, but we have a rich history and tradition that can be traced from remote ages to the present day. It is a phenomenon common to all religions and races, differing in manifestation, but sharing a similar foundation#8212the realization from personal experience that all things are interdependent, that the source is One. The mystical experience is often brief, immediate, maybe mysterious#8212a last experience that brings all-embracing emotion (love) into the bounds of concrete reality. Bruno

Borchert brings mysticism into sharp focus by exploring ideas and concepts from world religions and explaining Christian mystics in history, in perspective, and through art. He takes us from Zoroaster to European alchemists, explores the Hellenistic world, the feminine world-view, and the experience of God shared by saints and well-known mystics such as St. Theresa and St. Francis. Modern approaches explored by psychologists like Jung and Maslow, and the contemporary search for mystical love make this a necessary book for people who want to understand the spiritual path.

The Alexander Scriabin Companion Lincoln Ballard, Matthew Bengtson, 2017-06-27 This unique collaboration between a musicologist and two pianists – all experts in Russian music – takes a fresh look at the supercharged music and polarizing reception of the Russian composer Alexander Scriabin. From his Chopin-inspired miniatures to his genre-bending symphonies and avant-garde late works, Scriabin left a unique mark on music history. Scriabin's death centennial in 2015 brought wider exposure and renewed attention to this pioneering composer. Music lovers who are curious about Scriabin have been torn between specialized academic studies and popular sources that glamorize his interests and activities, often at the expense of historical accuracy. This book bridges the divide between these two branches of literature, and brings a modern perspective to his music and legacy. Drawing on archival materials, primary sources in Russian, and recently published books and articles, Part One details the reception and performance history of Scriabin's solo piano and orchestral music. High quality recordings are recommended for each piece. Part Two explores four topics in Scriabin's reception: the myths generated by Scriabin's biographers, his claims to synaesthesia or "color-hearing," his revival in 1960s America as a proto-Flower Child, and the charges of anti-Russianness leveled against his music. Part Three investigates stylistic context and performance practice in the piano music, and considers the domains of sound, rhythm, and harmony. It offers interpretive strategies for deciphering Scriabin's challenging scores at the keyboard. Students, scholars, and music enthusiasts will benefit from the historical insights offered in this interdisciplinary book. Armed with this knowledge, readers will be able to better appreciate the stylistic innovations and colorful imagination of this extraordinary composer.

Christianity and the Secret Teachings of the Masonic Lodge John Ankerberg, John Weldon, 2011-09-30 Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

Encyclopedia of New Age Beliefs John Ankerberg, John Weldon, 1996 This comprehensive, indexed volume includes

short, one-page listings of pertinent facts about a particular movement, its founder, how it claims to work, scientific evaluations done, and its potential dangers. Some topics covered are angels, visualization, shamanism, hypnosis, new age medicine and martial arts.

Mysticism and Alchemy through the Ages Gary Edson,2012-09-18 An in-depth look into the foundations of mysticism and alchemy, this book describes both physical and spiritual aspects of the various theories and practices of transformation, with attention to the beliefs of Buddhism, Christianity, Hinduism, Islam, Judaism, Sufism, Tantrism, Taoism and Yoga. The connection between early mystical pursuits and the development of alchemy from ancient China, India, and Egypt through Moorish Spain and into Latin Europe are illuminated, along with the activities of early alchemists. The book, which is heavily illustrated, describes the beliefs, experiments, and secret messages that drew the believers and dreamers of the world together in search of wealth and immortality.

Legacy of the Luoshu Frank Swetz,2008-06-16 A symbol of the Divine, a good luck charm, a cosmogram of the world order, a template for fengshui-through the ages, the luoshu, or magic square of order three, has fascinated people of many different cultures. In this riveting account of cultural detective work, renowned mathematics educator, Frank J. Swetz relates how he uncovered the previously h

Wicca A to Z Gerina Dunwich,2018-12-01 A must for the modern Wiccan's library, this comprehensive resource explores the fascinating world of Witchcraft from ancient legend to contemporary paganism. No aspect of Wicca is overlooked, with well over 500 entries and numerous illustrations on the traditions, rituals, folklore, amulets and talismans, herbs and gemstones, and pagan goddesses of the Wiccan lifestyle. This unique encyclopedia is an excellent guide for all who are interested in Goddess worship, folklore, the New Age, the occult sciences, and the Wiccan Craft as a positive spiritual path and way of life.

Cult Watch John Ankerberg,John Weldon,1991-01-01 A compilation of the entire Facts On series, Cult Watch gives you facts about the major cults and movements in a format you can use in counseling or witnessing.
