## Ann Cleeves

*Another Man's Poison* Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Landlord and politician Marcus Grenville wants to convert Ursula Ottway's beautiful cottage into a holiday residence. So when Ursula discovers that the illegal use of poisoned bait on Grenville's land has killed not only a rare bird of prey but her two beloved cats, she storms to his house and threatens revenge. The next morning, Molly Palmer-Jones arrives at her Aunt Ursula's house only to find her body slumped lifeless on the sofa. Shocked and saddened, Molly and her husband George decide to piece together a picture of Ursula's last days. And it soon becomes clear that, for many people on the estate, hers was a very convenient death. The Palmer-Joneses embark on a murder investigation but even their professional expertise doesn't prepare them for what is to follow. A lifetime's worth of secrets must surface before a killer can finally be brought to justice . . .

*The Healers* Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. News of the murder came to Inspector Stephen Ramsay early on Monday morning: isolated farmer Ernie Bowles was found lying on his kitchen floor, gruesomely strangled. Ramsey fears this case will not be simple. In his experience, most murders are straightforward: an explosion of family pressure, the loss of control in a fight. But Bowles seems to have kept himself to himself and had lived alone since his mother's death. A seemingly unconnected woman is then found strangled too—surely two such killings in the same locality are more than just chilling coincidence? When Ramsay hears of a third suspicious death, a very tenuous link between the victims takes on a new importance, for all were connected in some way to the Alternative Therapy Center in Mittingford. Could one of the healers be a killer?

*Murder in Paradise* Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Newlyweds Jim and Sarah are welcomed home from their honeymoon to the Scottish island of Kinness with a huge celebration. But the cheerful festivities take a dark turn when the groom's sister slips and tumbles to the perilous rocks below . . . and the whole island is present to witness the bitter end. But did Jim's younger sister Mary fall? Or was she

pushed? George Palmer-Jones, retired birdwatcher and amateur detective, suspects the latter. But proving it will be difficult—no one wants to upset the balance of the island’s ancient relationships. Kinness is a paradise lost, filled with hidden secrets, and it’s George’s job to piece together the unravelling threads.

**A Prey to Murder** Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. The huge and powerful hawk dominated the scene. Its talons pierced the woman’s flesh and the beak pointed towards her eyes . . . The sight is a particularly horrible shock for George Palmer-Jones, ornithologist and amateur detective, as he was an old friend of the victim Eleanor Masfield. George and his wife Molly are staying at Eleanor’s family-run hotel, but Molly can’t help but be suspicious of Eleanor. Is Eleanor a black widow—a ruthless manipulator of all those caught in her far-reaching web? Can Molly prove it in time to prevent another death?

**A Lesson in Dying** Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. Who hung the headmaster in the playground on the night of the school Halloween Party? Almost everyone in Heppleburn either hated or feared the viper-tongued Harold Medburn. Inspector Ramsay is convinced it was the headmaster’s enigmatic wife but Jack Robson, school governor and caretaker, is determined to prove her innocence. With the help of his restless daughter Patty, Jack digs into the secrets of Heppleburn, and uncovers a cesspit of lies, adultery, blackmail and madness . . .

**A Bird in the Hand** Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. In England’s birdwatching paradise, a new breed has been sighted—a murderer . . . Young Tom French is found dead, lying in a marsh on the Norfolk coast, with his head bashed in and his binoculars still around his neck. One of the best birders in England, Tom had put the village of Rushy on the birdwatching map. Everyone liked him. Or did they? George Palmer-Jones, an elderly birdwatcher who decides quietly to look into the brutal crime, discovers mixed feelings aplenty. Still, he remains baffled by a deed that could have been motivated by thwarted love, pure envy, or something else altogether. But as he and his fellow ‘twitchers’ flock from Norfolk to Scotland to the Scilly Isles in response to rumors of rare sightings, George—with help from his lovely wife, Molly—gradually discerns the true markings of a killer. All he has to do is prove it . . . before the murderer strikes again.

*The Sleeping and the Dead* Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote *The Sleeping and the Dead*, a vivid standalone psychological suspense novel—now in print in the US. Detective Peter Porteous is called to Cranwell Lake where the body of a teenager has been discovered. After trawling through the missing persons files, he comes to the conclusion that the corpse is Michael Grey, an enigmatic and secretive young man who was reported missing by his foster

parents in 1972. The news report that a body has been found leaves prison officer Hannah Morton in shock. Michael had been her boyfriend, and she had been with him the night he disappeared. And now the discovery is bringing back dreaded and long buried memories from her past . . .

**Sea Fever** Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. A rare and unrecorded sea bird captures all the birders attention while right under their noses the most fanatical birder of them all disappears . . . only for Greg Franks' corpse to later be found floating in the sea, the head bludgeoned. Had it not been for Greg, amateur detective George Palmer-Jones would not have been on the bird watching trip in Cornwall to the first place. Greg Franks' anxious parents had hired him to try and persuade their errant son to return home. George would have turned the case down flat but the offer of a free weekend of bird watching was too tempting to resist. Now, he must shoulder the burden of discovering why the young man had been murdered. Who hated Franks enough to kill him? It seems almost everyone on the trip has a motive and George has his work cut out for him.

**Come Death and High Water** Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. The picturesque privately owned island of Gillibry off the North Devon coast turns out to be the perfect site for a murder . . . A routine weekend visit by the Gillibry Bird Observatory Trust is made memorable by the owner's announcement that he is going to sell the island. A sale would mean the end of the Observatory, which makes life worth living for many of the birders on the island. Then a fire in Charlie Todd's cottage adds to their distress, followed by a fierce storm. The next morning, the birders find Charlie dead in a bird hide. Suddenly their pleasant September weekend assumes a dangerous new face. Charlie Todd's murder could have been the deed of any member of the Trust. And it falls to one of their own, George Palmer-Jones, to unravel the identity of a killer within their midst.

**The Baby-Snatcher** Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. Marilyn Howe and her mother Kathleen are an inseparable duo, until one night Kathleen doesn't come home . . . Fifteen-year-old Marilyn turns up alone and frightened on Inspector Ramsay's doorstep so he takes the young girl home to the isolated coastal community known as the Headland. And in the Howes' dark and cluttered kitchen they find Kathleen safe and apparently well, though acting strange. Six months later, Ramsay has more or less forgotten the incident, busy as he is on the trail of a local child abductor. Until he receives news that Mrs. Howe has disappeared once more. And for the second time he is drawn into the strange relationships of the families living on the lonely Headland . . . when a woman's body washes up on the beach.

**Murder in My Backyard** Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay

series featuring a talented, brilliant detective—now in print for the first time in the US. No one in Heppleburn has a bad word to say about Alice Parry . . . but here she is, murdered in her own backyard on a bitter St. David's Eve. When detective Stephen Ramsay starts asking questions in the village, a more ambiguous picture begins to emerge. Yes, old Mrs. Parry was loved by everyone, but sometimes her kindness had caused trouble. Yes, her two nephews were devoted to her, but they didn't really want her interfering in their rather complicated personal lives. Even among her neighbors, Alice Parry's helpfulness had sometimes misfired. And after her death, tension tight as a clenched fist grips the uneasy village. Meanwhile, the suspects keep rolling in, and Heppleburn's friendly neighborhood killer continues his nasty piece of work . . .

The Mill on the Shore Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Meg Morrissey refuses to believe that her husband James committed suicide. James was in high spirits after he'd finally completed his long-awaited autobiography. He didn't leave a suicide note. But even more suspicious: the record of his life's environmental achievement, his magnum opus, has gone missing. Troubled, Meg calls in amateur sleuths George and Molly Palmer-Jones to investigate. They soon uncover that life in the Morrissey family is not as idyllic as it seems—relations with James' ex-wife Cathy are not as friendly as Meg makes them out and James appears to have fallen for another woman. But the disappearance of his autobiography is most puzzling of all—did he uncover a secret so damaging that someone was prepared to kill for it? George and Molly must try to fit together the missing pieces of information to reveal who could have wanted James dead . . .

*Killjoy* Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. The youth theater cast are in their places but Gus Lynch's female lead, Gabriella, is missing—that is, until she's found in the boot of his car . . . Detective Inspector Stephen Ramsay and Sergeant Gordon Hunter are assigned to head the murder enquiry, meanwhile violence is escalating on the Starling Farm Estate as police battle to contain the latest outbreak of joyriding. Is Gabriella's death connected to the events at Starling Farm? When another body is found, Ramsey must find the link between the investigations that could have provoked someone to kill . . . and kill again.

Häger Ann Cleeves, 2022-06-03 Poliskommissarie Matthew Venn kallas till en spektakulär mordplats i en konstnärsateljé. Den före detta läkaren Nigel Yeo har huggits till döds med en sylvass glasskärva. Yeo framstår som ett osannolikt mordoffer. Trots det har någon velat honom ont, någon som inte drar sig för ytterligare dåd. Utredningen för Matthew in i en härva av lögn som gör balansgången mellan professionellt och privat allt svårare.

**Paperbound Books in Print ,1991**

As recognized, adventure as skillfully as experience just about lesson, amusement, as skillfully as deal can be gotten by just checking out a book **Ann Cleeves Matthew Venn S In Order** as a consequence it is not directly done, you could take even more in relation to this life, a propos the world.
