The Complete Tony Caruso Mystery Series Trevor Scott,2015-05-01 The Complete Tony Caruso Mystery Series, including Boom Town, Burst of Sound, and Running Game: Boo Town: Private Investigator Tony Caruso lives out of his rolling office, an old Ford pickup truck, with his German-trained bomb-sniffing dog, Panzer, a Giant Schnauzer. Tony retired after twenty years in the Navy as an aviation ordnanceman, but this training might not be enough when he is hired by an old friend to look into a murder suicide in Bend, Oregon, a resort Boom Town in the high desert east of the Cascades. Was it a murder suicide as the local sheriff thinks? Or has this idyllic community been ripped apart by not only murder but scandalous sexual deviance, lust, jealousy and the quest for the almighty dollar? Follow Tony as he wades through a cast of characters as diverse as the Oregon landscape to solve this mystery. Burst of Sound: Still living out of the back of his Ford pickup truck in the Pacific Northwest, Tony Caruso is hired to find his old Navy buddy, missing for a week in the Puget Sound area of Washington. Tony is on the case for less than a day when someone blows up a forest service building, killing a man, and attracting the attention of FBI special agent Bob McCallum, Tony's old nemesis, who was now in charge of the Seattle office. Curious as usual, Tony goes to the fire site with his bomb-sniffing giant schnauzer, Panzer. McCallum suspects the Environmental Defense League, a radical group responsible for everything from setting fire to SUV lots to releasing animals from fur farms. But this is their first murder. When Tony suspects his Navy buddy might be involved, he is conflicted on how to proceed. As more EDL incidents occur across the Puget Sound, Tony has no choice but to ratchet up his investigation. And now his own life is in danger. Running Game: When Tony Caruso is hired to go undercover for the U. S. Fish and Wildlife Service, he has no idea that his life will change forever in the remote mountains of Oregon. He is tasked to track down an Asian ring of smugglers who are killing black bears for gallbladders and shooting elk and deer in velvet for their antlers. He narrowly escapes with his life, but follows the smugglers to Portland. Eventually, he ends up in the southern Cascades in the mushroom fields, where he must fight not only the Asian game smugglers, but Asian gangs from San Francisco and Seattle. As Tony tightens the noose around the smugglers, the case becomes personal. Now he must encounter these brutal killers in the remote forest, where his survival depends on his own military training and his favorite sidekick, Panzer, his giant schnauzer and former German military working dog.

Wembley and Beyond Barry Briggs, 2012-04-26 It started on a cold, frosty morning in 1951 in Christchurch, New Zealand, with a seventeen-year-old-boy, a crate of sheeps' kidneys and a dream. The boss of the city's Belfast meatworks, had arrived an hour early to set up for the day, when he noticed one of his workers packing up a crate on the countertop. The young lad was battling to move it so the boss went over to help. When asked what time he'd started, the boy replied 'Five o'clock this morning'. Stunned, and amused, the boss told him he'd be earning a good bonus at the end of the week, and wondered aloud what he'd spend it on. But the boy knew, and immediately replied, 'I'm going to race speedway in England.' And he did. That boy was Barry Briggs, and it was just the start of his great adventure. Little did he know he was soon to become the legendary speedway racer more commonly known as Briggo, and later as Barry Briggs MBE. From dangerous encounters in the jungles of Liberia to teaching Steve McQueen to slide a speedway bike, Briggo's incredible story is one of strength, determination and a life lived firmly in the fast lane.

Batting Stance Guy Gar Ryness, Caleb Dewart, 2010-05-11 Batting Stance Guy never expected he would become a YouTube celebrity, racking up more than two million views, landing profiles in The New York Times and USA Today, and even scoring an appearance on the Late Show with David Letterman. But when a friend and neighbor started capturing this man's unusual talents with a video camera, that's what happened. With uncanny precision, Batting Stance Guy can mimic any baseball player he's ever seen, and the results will take you back—to the game last night, or last year, or in 1980, or anywhere in-between.

No Glossing Over It Gary Edwards, 2011-08-04 Between 1964 and 1992, Leeds United won eleven fabulous trophies, but the team were runners-up just as often. They missed out on many more titles and cups, not least club football's greatest prize, the European Cup, in 1975. In *No Glossing Over It*, lifelong Leeds United fan Gary Edwards reveals why the club has dramatically lost out on victory in many of these competitions and how it has been the victim of a pattern of serial abuse by the footballing authorities - most recently seen in the unprecedented 15-point sanction meted out at the start of the 2007-08 season. Featuring the views of former Leeds players and managers, as well as top-flight referees and diehard fans, *No Glossing Over It* examines the injustices that have befallen Leeds United and sheds new light on the shocking events that have long rankled with the club's supporters.

A View From The Terraces - Part 2 Steve Wilson, 2011-09-05 Part two of a recollection of more than fifty years of watching professional sport across Britain and Europe. The memories in this volume cover hundreds of games of Football, Rugby League, Cricket and Ice Hockey.

No Spin Shane Warne, 2019-07-02 Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record

books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold.

Service Crew Caroline Gall,2009-02-05 Paris, 1975; Chelsea, 1984; Birmingham, 1985; Bradford, 1986; Bournemouth, 1990. Many of the most shocking incidents in British football history have involved the hooligan followers of one club: Leeds United. For 40 years they have run riot across the country, punching their way to international notoriety, yet they have remained the most secretive of all mobs. Journalist Caroline Gall spent two years interviewing participants from several generations to piece together the first ever history of the gangs, from the Shipley Skins to the youths of the present day. The apex of this hooligan army was the Service Crew, who adopted their name from the service trains they used instead of the heavily policed 'specials'. They emerged as the casual era dawned and, against the violent backdrop of the Miners' Strike, quickly became feared by their terrace foes. The police eventually launched Operation Wild Boar to take down the ringleaders, only to convict a small number of relative fringe players. Service Crew examines racism at Leeds, chronicles some of the worst incidents of football-related disorder in modern times, and charts the effects of drugs and the rave scene on the hooligans. It is the definitive story of football's most vilified fans.

Bill Brand Trevor Griffiths,2010

Hero in the Shadows David Tossell,2021-11-15 Don Howe is one of English football's great coaches, with an unrivalled record at international and club level. As right-hand man to three England managers, he helped his country to the 1990 World Cup and Euro 96 semi-finals. He helped to steer them through the 1982 World Cup unbeaten and to the quarter-finals four years later. Howe masterminded the 1970/71 double at Arsenal, where two spells as coach also brought European and further FA Cup glory. He was also an integral part of one of the greatest Wembley upsets when he helped Wimbledon's 'Crazy Gang' to victory over the mighty Liverpool in 1988. As a player at West Bromwich Albion, Howe won 24 international caps, but as a manager he failed to achieve the success he craved. Yet over a three-decade period, he won acclaim from many of England's finest players as a genius of the coaching profession. Through interviews with players, colleagues, friends and family, this book examines the triumphs and challenges of Don Howe's career and assesses his contribution to English football.

Congressional Record United States. Congress,2009 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Pro Football Guide Craig Carter, 2001 Everything a fan needs to know for the 2000 NFL season is in one easy-to-use reference book. The Pro Football Guide is packed with must-have information such as team schedules, a preview of the coming season, and a review of the 1999 campaign.

When Saturday Comes When Saturday Comes, 2006-08-03 The best chants, the funniest nicknames, the greatest headlines and enough little-known facts to keep the average football supporter entertained - and entertaining - for several seasons. This is the story of the greatest game on earth, from 'abandoned matches' to 'Yeovil Town', via celebrity fans, mascots, punditry and superstitions, written from the fan's point of view and with a separate entry for every club in the English and Scottish leagues. Who cares why, if Torquay United's strikers had been more prolific in the 1950s, England may never have won the World Cup; or where football hooliganism actually began; or who the hell Captain Henry Blythe Thornhill Wakelam is? We do. Because as every true student of the game knows: it's important.

Rowing News, 2002-06-07

Gaffers Trevor Keane, 2010-10 Did you know that an Irish manager did not pick the Irish football team until 1969? Do you know who that manager was? Contrary to popular opinion, Irish football management did not begin with Jack Charlton! From the early days when Irish footballers travelled across the Irish Sea on ships through to today's high-flying superstars, the role of the Irish soccer manager has changed and this book charts their experiences as both players and as managers in the dugout. The Irish Football manager is a high profile and prestigious position with many dramatic highs and lows. Including over 55 personal interviews from the key personalities and the people who knew them best, this book gives a long overdue insight into what it's like to be the manager of the boys in green. For lovers of statistics (and there are plenty!), the book lists results for all the managers during their time in charge as well as their win/loss ratio, so we can finally decide who was the greatest manager Ireland ever had.
