The Killing of the Unicorn Peter Bogdanovich, 1985-09-01

T.H. White's The Once and Future King Elisabeth Brewer, 1993 Malory's chivalric virtues are rejected in favour of White's own 20th-century values; the love affair of Lancelot and Guenever is interpreted in terms of modern psychology.

Picturing Peter Bogdanovich Peter Tonguette, 2020-07-21 In 1971, Newsweek heralded *The Last Picture Show* as the most impressive work by a young American director since *Citizen Kane*. Indeed, few filmmakers rivaled Peter Bogdanovich's popularity over the next decade. Riding the success of *What's Up, Doc?* (1972) and *Paper Moon* (1973), Bogdanovich became a bona fide celebrity, making regular appearances in his own movie trailers, occasionally hosting late-night television shows, and publicly advocating for mentors John Ford and Howard Hawks. No director of his era surpassed his ability to capture an audience's imagination. In *Picturing Peter Bogdanovich: My Conversations with the New Hollywood Director*, journalist and critic Peter Tonguette offers a film-by-film journey through the director's life and work. Beginning with a string of 1970s classics, Tonguette explores well-known films such as *Saint Jack* (1979), *They All Laughed* (1981), and *Noises Off* (1992), as well as the director's work on stage and television. Drawing on interviews conducted over sixteen years, Tonguette pairs his analysis with an extensive, previously unpublished series of Q&As with Bogdanovich. These exclusive interviews reveal behind-the-scenes details about the director's life, work, and future plans. Part memoir, part biography, this book offers a uniquely intimate portrait of one of Hollywood's most underappreciated directors.

Picture Shows Andrew Yule, 1992-01-01 The author of *Fast Fade* tells the fascinating story of one of the most important and controversial directors of our time. The man responsible for *The Last Picture Show*, and *Paper Moon* went on to Playboy model Dorothy Stratten. Illustrations.

The Poet Prince Kathleen McGowan, 2010-07-08 The third book in the Magdalene Line Trilogy takes Maureen to Florence, where she begins training in the secret teachings of The Order of the Holy Sepulcher. Under the guidance of her

new teacher, Destino, she discovers the fascinating story of Lorenzo de Medici - the godfather of the Renaissance and the greatest patron of the arts in history. But Lorenzo's obsession was not with culture alone. Instead, he worked carefully to create a body of work which would preserve a series of ancient secrets - secrets too powerful and dangerous to be committed to writing. But Maureen's most explosive discovery affects the person closest to her, as she realizes that her lover, Berenger, shares an extraordinary legacy with Lorenzo de Medici. Both men were born under the auspices of a prophecy found in the early writing of the Bloodline - the prophecy of the Poet Prince. But as Berenger and Maureen explore the daunting task of filling Lorenzo's place in the 21st Century, they find themselves the subject of an ancient vendetta hell-bent on destroying the heresy and ending Maureen's life in the process.

Iran After the Mongols Sussan Babaie,2019-11-28 Following the devastating Mongol conquest of Baghdad in 1258, the domination of the Abbasids declined leading to successor polities, chiefly among them the Ilkhanate in Greater Iran, Iraq and the Caucasus. Iranian cultural identities were reinstated within the lands that make up today's Iran, including the area of greater Khorasan. The Persian language gained unprecedented currency over Arabic and new buildings and manuscripts were produced for princely patrons with aspirations to don the Iranian crown of kingship. This new volume in "The Idea of Iran" series follows the complexities surrounding the cultural reinvention of Iran after the Mongol invasions, but the book is unique capturing not only the effects of Mongol rule but also the period following the collapse of Mongol-based Ilkhanid rule. By the mid-1330s the Ilkhanate in Iran was succeeded by alternative models of authority and local Iranian dynasties. This led to the proliferation of diverse and competing cultural, religious and political practices but so far scholarship has neglected to produce an analysis of this multifaceted history in any depth. Iran After the Mongols offers new and cutting-edge perspectives on what happened. Analysing the fourteenth century in its own right, Sussan Babaie and her fellow contributors capture the cultural complexity of an era that produced some of the most luminous masterpieces in Persian literature and the most significant new building work in Tabriz, Yazd, Herat and Shiraz. Featuring contributions by leading scholars, this is a wide-ranging treatment of an under-researched period and the volume will be essential reading for scholars of Iranian Studies and Middle Eastern History.

Unicorn's Blood Patricia Finney,1998-12-15 A tale narrated by a defrocked nun explores the realm-shattering possibility of a stolen journal kept by the young Princess Elizabeth falling into the wrong hands.

Tiren Sylvia Gillespie,2003-10 In a time of slavery for the wondrous creatures living on the planet of Tiren, the stars foretell of an old world creature that will lead the magical beasts to their freedom. This omen revives what little hope Dustin and his small army have of overthrowing the greedy king Angus. Eagerly they invite Silt, the Centaur and stargazer, to join

their army. For years Silt has been a slave to the cruel hearts of mankind. The omen brings her nothing but sadness, for she knows that the darkness cannot be contained forever. The terrible choice rests with her: to help start a war that will cost thousands of lives with only a small chance of freedom or to leave the creatures in slavery where they will slowly die. Her decision comes hard; the tiny chance of freedom leads her into a war against the great armies of the king.

The Book of Love Kathleen McGowan,2012-12-11 Once there was a gospel written in Christ's own hand: a treasure of almost unimaginable magnitude, referred to by the Cathars of medieval France as The Book of Love... Fresh from her successful search for the long-hidden scrolls written by Mary Magdelene, journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love. But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago, so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France, new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists, The Book of Love is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art, architecture and history, until a potentially fatal encounter reveals the Book of Love to her -- and to us.

The Unicorn's Secret Steven Levy,2016-11-08 The true story of Ira Einhorn, the Philadelphia antiwar crusader, environmental activist, and New Age guru with a murderous dark side. During the cultural shockwaves of the 1960s and '70s,

Ira Einhorn—nicknamed the Unicorn—was the leading radical voice for the antiwar movement at the University of Pennsylvania. At his side were such noted activists as Abbie Hoffman and Jerry Rubin. A brilliantly articulate advocate for peace in a turbulent era, he rallied followers toward the growing antiestablishment causes of free love, drugs, and radical ecological reform. In 1979, when the mummified remains of his girlfriend, Holly Maddux, a Bryn Mawr flower child from Tyler, Texas, were found in a trunk in his apartment, Einhorn claimed a CIA frame-up. Incredibly, the network of influential friends, socialites, and powerful politicians he'd charmed and manipulated over the years supported him. Represented by renowned district attorney and future senator Arlen Specter, Einhorn was released on bail. But before trial, he fled the country to an idyllic town in the French wine region and disappeared. It would take more than twenty years—and two trials—to finally bring Einhorn to justice. Based on more than two years of research and 250 interviews, as well as the chilling private journals of Einhorn and Maddux, prize-winning journalist Steven Levy paints an astonishing and complicated portrait of a man motivated by both genius and rage. The basis for 1998 NBC television miniseries *The Hunt for the Unicorn Killer*, *The Unicorn's Secret* is a spellbinding sociological/true crime study, revealing the dark and tragic dimensions of a man who defined an era, only to shatter its ideals (Publishers Weekly).

Cultural Cohesion: The Essential Essays Clive James,2013-04-01 Clive James presents the “prequel” to his celebrated *Cultural Amnesia*—forty-nine essays that form a cultural education in one brilliant volume. Six years after the much-heralded publication of *Cultural Amnesia*, Clive James presents his “prequel”—forty-nine essays that he has selected as the best of his half-century career. Originally appearing as *As of This Writing*, *Cultural Cohesion* examines the twisted cultural terrain of the twentieth century in one of the most accessible and cohesive volumes available. Divided into four sections—“Poetry,” “Fiction and Literature,” “Culture and Criticism,” and “Visual Images”—James comments on poets like W. H. Auden and Phillip Larkin, novelists like D. H. Lawrence and Raymond Chandler (not to mention Judith Krantz!), and filmmakers like Fellini and Bogdanovich. Throughout, James delights his readers with his manic energy and critical aplomb. This volume, featuring a new introduction, is a one-volume cultural education that few recent books can rival.
