most encouraging or discouraging Their biggest obstacle to an effective youth ministry Their biggest concern in youth ministry Their answers revealed a dedicated group of professionals, concerned about the students in their ministries, but troubled with a variety of perplexing issues. And their answers form the backbone of Youth Ministry That Transforms, a comprehensive analysis of this groundbreaking study (funded by the Lilly Endowment) focusing on the hopes, frustrations, and effectiveness of today's youth workers. Spearheaded by Merton Strommen--one of America's most exemplary and influential thinkers and authors in youth and family ministry--the research-writing team is joined by Karen E. Jones and Dave Rahn of Huntington (Indiana) College's Link Institute for Faithful and Effective Youth Ministry, and acknowledged leader in the task of undergirding youth ministry with a research base. These three deliver thorough analysis and sound interpretation regarding the state of youth ministry at the dawn of the 21st century. Youth Ministry That Transforms belongs on the desks and in the classrooms of all who are concerned with this developing profession, including denominational and parachurch leadership, professors, youth ministry students, and thoughtful youth workers themselves. A Youth Ministry Crash Course Rick Bundschuh, E. G. Von Trutzschler, 1997-01-21 Youth ministry fundamentals at your fingertips! Or call it a light-hearted primer to a serious subject. A Youth Ministry Crash Course is 150 to-the-point entries on issues you face every week -- topics that are described, simplified, illustrated, and occasionally tweaked by a couple of veteran youth workers who've acquired a pragmatic streak alongside their compassion for teenagers. Inside you'll find shrewd insight with a wry twist: - On Curricula: You know your kids better than some editor working away in a cubical somewhere. Change material to suit your group, and chuck what doesn't fly. - On Recycling: Students cycle in and out of your youth group every three or four years -- so recycle your program themes and events that often too. On Rules: Never make one when you're tired or ticked off. - On Sacred Cows: Learn what they are and keep your kids away from them -- you'll add longevity to your job. E.g., no pew hurdling in the million-dollar sanctuary during youth night. - On Spiritual Growth: The kid that grows the fastest may not grow the deepest. Don't overlook the one who grows slowly but steadily. Whether you're new

to youth ministry, a Sunday school teacher of junior or senior highers, a volunteer, or a veteran with a novice staff -- in Crash Course you'll find instructions, motivation, and reminders of what the glorious, hectic calling of youth ministry is all about.
