**Divine Magic** Doreen Virtue,2015-08-04 *The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed!* You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called Hermetics, were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called *The Kybalion*. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in *Divine Magic*, Doreen Virtue presents a clear, edited version of *The Kybalion*, written in understandable and modern

language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.

**Religions in Play** Philippe Borne, Maya Burger, 2012-01-01 Often dismissed as not serious, the notion of play has nevertheless been at the centre of classical theories of religion and ritual (Huizinga, Caillois, Turner, Staal, etc.). What can be retained of those theories for the contemporary study of religions? Can a study of play or game bring new perspectives for the study of religions? The book deals with the history of games and their relation to religions, the links between divination and games, the relations between sport and ritual, the pedagogical functions of games in religious education, and the interaction between games, media and religions. Richly illustrated, the book contributes to the study of religions, to ritual, game and media studies, and addresses an academic as well as a general public. Philippe Borne, Dr. Phil., born in 1977, is Lecturer in the Study of Religion at the Faculty of Lettres of the University of Lausanne, with focus on the history of interrelations between India and Europe. Maya Burger is Professor of Indian Studies and History of Religions at the Faculty of Arts of the University of Lausanne, Department of South Asian Languages and Civilizations.
