The Pineal Gland Manly P. Hall, 2022-03-07 Comprises Chapter XVI of Hall's *Man: The Grand Symbol of the Mysteries*. Scientists refer to the pineal gland as the atrophied third eye. Indeed, it, along with the pituitary, is the third eye chakra or energy center, but are more dormant than atrophied. According to Max Heindel's, in the distant past, man was in touch with the inner worlds through an activated pineal and pituitary gland. Considered the most powerful and highest source of ethereal energy available to humans, the third eye has always been important in initiating psychic powers (e.g. clairvoyance and seeing auras). Manly traces the historical significance of the gland and its spiritual value.

The Heart of "I AM" the Point of Divine Origin. Robyn Mary Edwards,2019-08-12 The Heart Of "I AM" The Point Of Divine Origin (Parts One, Two and Three), is an unfolding journey, a study into the path of realization of the Divinity of Mankind. It reveals the secrets of Divinity, the truth within the Self, God made Manifest as the diversity of all life and as your Immortal Being. The Heart Of "I AM" The Point Of Divine Origin (Parts One, Two and Three), is a journey of the soul's awakening evolution through Resurrection and Ascension. The soul's journey is taken through Alpha and Omega, the Body and Blood of the Self, as God's creation. With the remembrance of all aspects of the Self, we become the realization of the prosperity of the Heart, the understanding of the true Self; perfect creations, a manifestation of God's Heart, as seen through his Mind. This journey is the most comprehensive understanding of Alpha and Omega, starting from the Stargate of Father Mother God, through to the dimensions of Space formed forth as the Body through which the Blood, the knowing of the Self flows as Eternal Light. This unfolding fulfills the revelation of God, that all should know the truth of God.

The Black Grimoire Marlin Dujuan,2015-01-07 I'm so, so excited to be at the end of The Black Grimoire. It was extreme work to gather all the material and use it the right way for you to gain an understanding of it. This book is a magical text full of secrets being revealed. Wisdom and clarity and joy are the feelings you get when you open up The Black Grimoire. Before you open it up, make sure you are on a light, way fast, and extreme meditation. This book/grimoire is not the book you will find on a regular basis. It holds the key to the meaning of deeper knowledge of Lucifer as well as black. The Black Grimoire contains poetry, more research on melanin, Bible scriptures that you don't see like this, the mark of Cain, and the meaning of the soul power, amino acids, and the human body. There is also more on the house of the Lord as the temple is my Lord, encounters of the deceased, opening of gateways and portals, definitions from the black law dictionary, and more definitions pertaining to the etymology of words. I hope you enjoy this book as much as I enjoyed writing it. The Black Grimoire was inspired by the Am that resides in me. The love that I have for my people has increased since the writings. And the love of writings increased. I love people who love me. Marlin Dujuan, how can I hate the man who will show me love and respect? Marlin, that will be a form of ignorance and stupidity. Wisdom just inspired me to love self and respect self (self-love). Self-love is not just loving your own culture, but it's to love oneself as you. A person will not love his brother if he can't love his self, and if you disagree with this, where are you living at? What world are you existing in, my brother? We're not here to judge at all, only to love and to reveal. Love and peace to the gods!

Primordial Qigong Donald Rubbo,Cheryl Lynne Rubbo,2009-05-15

The Hidden Mystery of the Bible Jack Ensign Addington,1969-06-01 The Bible is the most important book ever published. It has had more influence on history and affected more lives than any other book. It divides nations and unites cultures. Some people read the Bible for its literal meaning while others read it for the implied meaning. To this day, it continues to shape the heart, soul, and minds of individuals, generations, and societies worldwide. How can this controversial

and profound book be the answer to the problems of the world? The first step is to look at how we perceive the Bible – is it a history book or guide book? For centuries, people have viewed the Bible as a bridge to the past, describing how humanity lived, survived, and died, while in truth it is actually shining the “Light of Truth” onto our present-day living to help us meet our personal and social problems. New Thought writer Jack Ensign Addington believes that once you discover the hidden meaning of the Bible, an infinite source of wisdom will be illuminated and revealed.

The Illuminati Jim Marrs, 2017-05-22 A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamses, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. Gnosticism, mystery schools, the Roshaniya, Knights Templar, assassins, Rosicrucians, Skull and Bones, Knights of Malta, whistle blowers, the revolutions in France, Russia, and America, and the structure, symbols, and theology of the Illuminati are all covered. Marrs takes a broad look at the group and their workings, investigating their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, and the Protocols—or procedures—for usurping national governments and gaining world domination, as well as the Illuminati symbolism found in today's international corporate logos. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to influential people, and their place in modern America. The Illuminati lifts the cloaks of secrecy protecting the powerful.

Christian Awakening Joellen Saddock, 2022-04-19 Although author Joellen Saddock was raised in a Christian household, she often found herself on the outside of religion looking in. In *Christian Awakening*, she narrates a coming-of-age story about the way she discovered answers to all her tough religious questions. More than anything, her story exemplifies how God's law actively works to multiply desires and assist in creating a life of possibilities. Her story is about man's mountain-

moving potential that has, until now, been obscured by religious hypocrites. Christian Awakening explores the deeper meanings of the Holy Bible, how it parallels other religions, and shares the message of a loving unity between all of God's people. Saddock prods you to set aside the idea that man begins and ends in the confines of his own skin and suggests a broader perspective of what it means that men—of all religious backgrounds—are “given one spirit to drink” (1 Corinthians 12:13). Through an intense scrutinization of many different biblical translations, interwoven between riveting personal experiences, a new message of religious tolerance emerges. Offering a fascinating perspective on Christ's death, Saddock leaves you at the crossroads of the divine, suggesting the time has come to take each other by the hand and greet the dawn of “a new earth in which righteousness dwells” together as one united people (2 Peter 3:13).

Alchemy of Christ: The Book of Revelations LaRoya,2017-07-10 It has been a long tradition among the Hebrews to use the pesher (dream interpretation code) which had encoded messages regarding two levels of information written within a story. One level was written as an allegory that told a message about morality. The other level was written about esoteric instruction and political events which mirrored inner growth. Each of the 22 chapters are inspired by the 22 Hebrew alphabet letters. In this book The Alchemy of Christ: The Book of Revelation I give a commentary on the Book of Revelations Apocalypse means revealing, and it is the revealing of the Christ within. The final battle of Armageddon takes place within us. This is an inner war that will transform us and bring us back to recovery to the state of Christ Consciousness. The political struggles within the world mirror the transformation of the individual. Just as we recover, the earth as a whole will recover as well leading to an enlightened Civilization.

God and His Children George Hayes, 2020-12-30 This book is the result of God's mysterious activities on George Hayes's behalf. George has been beholden to God throughout his life. He continues to return God's love with a second book, resuming the exposition of God and the Western World that divulged the works of God as He spread Christianity worldwide. The focus here is an understanding of mankind's advance to high intelligence and a comparison of man's technologies to God's technologies. God's technologies include dark matter, dark energy, DNA, and RNA. Included in this discussion are more details on the creation and sustenance of the universe. An example of the information discussed is the interplay of dark matter and dark energy just prior to and during the Big Bang. A discussion of the climate change problems we are experiencing is presented, including a list of major cities worldwide that may be submerged by a minimum two-hundred-foot rise in sea level. There is a presentation of changes to Earth as Pangea broke up eventually forming the continents we know, and how life on Earth changed as God affected evolution to bring mammals upon Earth and then manipulated DNA to give rise to modern man. A discussion of mankind's religions is conducted. Important findings in the garden continent of Africa regarding distribution of languages are discussed as well as a finding that may lead to the original language used by God to converse with Adam and Eve as well as used by God to direct dark matter and dark energy when He spoke our universe into existence. In conclusion, firstly, God's works from before the Big Bang until the coming of Jesus Christ is summarized. Secondly, a briefing on God's march through time is displayed as the word of Jesus Christ is spread worldwide. Thirdly, the efforts are listed for avoidance of leaving a badly damaged Earth with our coasts and their infrastructures becoming submerged. There are two distinct audiences for whom George has developed both books. The first is the scientific community. The second audience is the average person living on Earth, and there may be passages that confuse them due to technical detail. You may want to skip those passages, and you can. You will still have an engrossing read. But if you reread

them, you may develop a complete understanding of the marvels God Almighty has accomplished to bring Earth's human beings to the status we have reached today.
