*The Misquotable C.S. Lewis* William O'Flaherty, 2018-03-16 C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1. Falsely Attributed Quotes: Expressions that are NOT by him. 2. Paraphrased: Words that are ALMOST what he said. 3. Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn't stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

*The Message of Love* Patrick Mitchel,2019-09-19 Love - such a deceptively simple and popular little word. It is universally agreed that we need love to live and flourish as human beings; and yet, within our contemporary culture, there are numerous confusing, competing and evolving ideas about what 'love' is. There are few greater subjects in Christian theology than love,

yet it is a surprisingly complex and challenging concept to understand, let alone live out faithfully. Patrick Mitchel's conviction is that Christians need to be thinking about, and practising, love in compelling and authentic ways. Our task is not only to articulate what love is, but also to show to the world what true Christian love looks like in practice. 'The only thing that counts is faith expressing itself through love' (Gal. 5:6 NIV). Mitchel's exposition explores love in the Old Testament, how the love of God is supremely revealed in the mission and death of Jesus Christ, love in the life and teaching of Jesus and the church's calling to be a community of love. He helps us to grasp afresh the breadth, depth, scope and radically counter-cultural nature of the Bible's teaching on love. With a fully integrated study guide, suitable for both individuals and groups, *The Message of Love* will help you to see how the Bible's unified teaching on this vital theme can impact your life today.

**The Four Loves** C. S. Lewis,2023-11-20 The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: GOD is love, says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God.

*Love Letters to God* Devon Spencer,Katherine Willis Pershey,2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief; suffering and rejoicing; death, loss, and baptism; and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

Lewis' Little Book of Wisdom: If God had granted all the silly prayers I've made in my life, where should I be now? Surely arrested development consists not in refusing to lose old things, but in failing to add new things... Do not dare not to dare. We are mirrors whose brightness is wholly derived from the sun that shines upon us. I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity.

*Marked by Love* Tim Stevens, 2018-10-01 What does it mean to be Marked by Love? The more I peel away the rules and expectations and exhausting obligations, the more I find the love of Jesus. These things don't peel away easily—more like a price tag that you pick off in a million tiny pieces. But with every scrap removed there is exposed a treasure of love that was there the whole time—disguised and hidden by religion. -- Tim Stevens ### Jesus said the one thing that would set his disciples apart from others...they would be known by their love for each other. No tattoo. No uniform. No team colors or logos or code words. The one thing that would mark the followers of Jesus—love. Consider. . . How would I treat someone who I disagree with in a political discussion if I ran everything I said through a filter of love? How would I treat the family member who drives me crazy if I were marked by love? What would be different about my social media posts or comments if I really loved the people I was responding to or writing about? How would I talk about or act toward the LGBTQ community if I was actually following in Jesus' steps? This is real life stuff. Join seasoned author Tim Stevens as he walks you through 31 story-driven chapters that will challenge and encourage you to filter every thought, behavior, word, and action through a lens of love. If you've ever been discouraged by Christianity—whether you're a lifelong churchgoer or you gave up on religion a long time ago—Marked by Love will be a game-changer in your faith journey.
