John Paul Thomas

Saint Padre Pio Renzo Allegri, 2019-10-07 "Padre Pio was and is a man of hope. Throughout his life, in the midst of the most difficult trials, he always looked to the future with a spirit of optimism, faith, and love." Canonized on June 16, 2002, Padre Pio of Pietrelcina (1887-1968) was a Capuchin monk and mystic whose life was marked with miracles and wonders, but who said that his only desire was "to be a poor friar who prays." In this intimate biography, you will see the results of this humble Capuchin's prayers and discover for yourself the Source of his great hope. This updated edition contains five new chapters covering the years between beatification and canonization, St. Pio's continued work in people's lives, and the devotion of St. John Paul II to this extraordinary saint of our day.

Saints and Feasts of the Liturgical Year John Paul Thomas, 2023-12-10 If a list were made of the greatest human beings who have ever lived, those reflected upon in this four-volume series would be at the top of that list. Though historians often attempt to judge greatness from their own subjective perspective, there must be an objective criteria by which human

greatness is judged. The only Person Who is capable of establishing that criteria is God. The criteria that God has established are the virtues, as identified by Jesus and revealed by Him through the holy Gospels. The goal of this four-volume series is to present each saint found on the Catholic liturgical calendar (as a Solemnity, Feast, or Memorial) in such a way as to identify the Godly virtues that place them on the top of that list. Though their greatness has already been established and their heroic virtues confirmed by the Church, God chose the men and women found in these pages, not only for greatness in their lifetimes but also as models of holiness in ours. These men and women are gifts to you, given by God through the Church. Every saint is unique, but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need. Some saints were united to God through martyrdom, some through virginity and chastity, some through works of charity, and some through lives of intense prayer. The saints have come from every culture, every socio-economic background, every level of education, and every personality type. Through every saint, God shines forth, radiating His abundant mercy through the diversity of their lives. In the end, it is not their personality, preferences, gifts, or any other unique qualities that unite them as the one communion of saints. It is God and God alone Who floods their souls and forms them into a united song of praise of God's eternal glory. Why read about the saints? Why learn about their lives? Why ponder what they said and did? The answer is simple. You are called to be among their company. You are called to become as holy as they were, transformed by God's grace, and to radiate that grace in the world today. At first, the virtues of the saints might seem to be out of your reach. The saints can appear to be superhuman. The truth is that the saints became fully human by becoming who they were created to be. They rejected the deceptions of the devil, the seductions of the world, and the weaknesses of the flesh. Instead, they discovered the truths of God, sought out the riches of Heaven, and became filled with the strength of every virtue. As you read about the lives of the saints, ponder their words and actions, study their heroic virtues, and learn from their lives of prayer, allow yourself not only to be inspired by them but also to desire to imitate them. Nothing is stopping you from being counted among the saints in Heaven. God promises to lavish every grace upon you that you need to walk down that holy path. Only when you refuse His grace is that mission thwarted.

Millennial Missionaries Katherine Dugan, 2019 Millennials in the U.S. have been characterized as uninterested in religion, as defectors from religious institutions, and as agnostic about the role of religious identity in their culture. Amid the rise of so-called nones, though, there has also been a countervailing trend: an increase in religious piety among some millennial Catholics. The Fellowship of Catholic University Students (FOCUS), which began evangelizing college students on American university campuses in 1998, hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism. These millennial Catholics have personal relationships with Jesus, attend Mass daily, and know and defend papal teachings, while also being immersed in U.S. popular culture. With their skinny jeans, devotional tattoos, and large-framed glasses, FOCUS missionaries embody a hip, attractive style of Catholicism. They

promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth-century evangelical Protestants and the anxieties of middle-class emerging adulthood. Though this new generation of missionaries lives according to strict gender essentialism prescribed by papal teachings—including the notions that men lead while women follow and that biology dictates gender roles—they also support stay-at-home fatherhood and women earning MBAs. *Millennial Missionaries* examines how these young people navigate their Catholic and American identities in the twenty-first century. Illuminating the ways missionaries are reshaping American Catholic identity, Katherine Dugan explores the contemporary U.S. religious landscape from the perspective of millennials who proudly proclaim I am Catholic—and devote years of their lives to convincing others to do the same.

Padre Pio and America Frank M. Rega, 2005-12 The fascinating life story of Padre Pio, with emphasis on his life as a seminarian, young priest and his early years at San Giovanni Rotondo. From this small, remote mountain friary, he became world famous and exercised unbelievable influence on the entire world, though he was soon forbidden by his superiors to preach, to correspond or to write. Covers his early work with Mary Pyle, and with the American GIs who came to visit him during WWII when his part of Italy was liberated. Padre Pio developed a special love for America and Americans - to the point that he wished that all Americans would become his spiritual children. This book demonstrates his amazing sense of humor, his prayer and fasting, his uncanny knowledge of people (even before they visited), and his profound supernatural awareness. In sum, Padre Pio and America will instill a profound awe in readers over the impact a truly saintly priest can have on all who come into contact with him!

Who Do You Say I Am? Timothy M. Dolan, 2021-10-26 Inspiring reflections and meditations to quiet the noise of our everyday lives and draw us closer to Jesus—from Cardinal Timothy Dolan, one of the most compelling Catholic leaders of our time In the Gospels, Jesus asks what may be the most important question of our lives: “Who do you say I am?” In our bustling world, this can be a difficult question to answer; often we are distracted or believe we lack the time or presence of mind to fully explore how we feel. But just a few minutes devoted to God each day can go a long way toward keeping us centered and focused on what really matters. In *Who Do You Say I Am?*, Cardinal Timothy Dolan, Archbishop of New York, offers beautiful insights on the importance of Jesus and the Church in our day-to-day lives. With short daily reflections crafted to inspire anyone seeking to appreciate and deepen their faith, Cardinal Dolan explores the lessons of Jesus and offers fresh new understandings of the saints, prayer, the Bible, beauty, and the pursuit of God, especially in light of the often turbulent nature of faith itself. Whether at the start of each day, before retiring to sleep each night, or anytime during the day, readers can build a deeper and more personal relationship with God through this step-by-step devotional.

Lanterns on the Lanes George Abraham, 2020-12-28 “Religions must have evolved as a way of life, doctrines may fade as we move towards spirituality on the road to truth, which is bright as the day light” In this simple compilation I have thought

about a few lives, I hope have showed us some light to carry us through in the dark pervasive days of human lives. I believe in merciful God who sends his messengers to take up missions dedicated and delicate as they deal human minds. There are a many more in the shadows working earnestly, never seen or heard much about, only God and they know how valuable their beautiful selfless works prevail. Thoughts came to me in the daunting times of COVID 19; the need looming large in acts of mercy and co-existence. My mind wafted into thin air and took me to people who were the winds of change. It recalled the road we travelled along. Many inspirers, who were a guiding light as lanterns on the lanes were seen as beacons of hope, but will they fade away.... Deviating halfway down the journey, we need to ask: • “Did we travel on the right path?” • “Will we inspire good minds to join us in the journey and embrace the unreached?” • “Will we ever try to live by the laws of nature?” India has been blessed by Gita, the epic, in which Lord Krishna says, “If you walk in the path of Dharma, if you absorb and follow the path of righteousness, then you not only emerge as a true leader but also serve and bring about a stronger nation, stronger universe and a stronger world.” “Where there is neither Greek nor Jew, circumcised nor uncircumcised, barbarian, Scythian, bond nor free: but Christ is all, and in all.” Bible – Colossians, Chapter 3; Verse 11 In the Quran: “The term Advaita translated into Arabic would read ‘Wahdahu-la-Shareek’—the one who has no second...” The time has come for us to rethink and reset our way of lives, embrace life in its fullest potential, hear a Coherent answer, attain a peaceful world, and a meet a merciful God. In this journey we need your loving hearts, your caring hands and merciful deeds. We have seen some great simple men and women do that in these dark days of sufferings. We shall Overcome... and make it a shining little blue marble, our home.

Saints: 12 Heroes for All Times Special Collector's Edition Joseph J. Randazzo, 2024-01-30 Special Collector's Edition Grandpa had a vast collection of many books about Saints. He gathered from Italy written in Italian, where he then spent much time each evening reading stories before bedtime to Joseph about Saints that Grandpa had collected. As it was told in amazement to little Joseph very specific without missing details. Joseph then told his mother and father the Saint's life stories step-by-step. The parents were impressed as to the detail in storytelling by Joseph of such amazing content. However, mother was not happy with her father, Joseph's grandfather, speaking and telling the stories to young Joseph and Italian. Mother's fear was that little Joseph would go into first grade speaking broken English and mother's intuition was correct. For the young boy did have a challenging time in first grade understanding the Irish nun's English and thus he could not grasp reading or writing and was held back in the first grade. The relationship between Grandpa and the little boy just became stronger. The more mother complained and protested, Joseph looked up to his Grandpa. As he called him his Knight, his hero, and Grandpa in turn would tell the little boy over and over the real heroes are these incredibly special Saints, they are heroes for God and little Joseph believed his Grandpa. Grandfather would say the Saints have a secret code. They wake up each day and knowing they are born again to do honorable deeds and give service working for God. They are true heroes, they pray

each day and attend church and communion where they understand fasting and listening to the Holy Spirit who helps them grow their faith. Thus giving them special abilities to conduct miracles and many powerful and unexplainable things. Now, over a half of a century later, Joseph gives an impressive tribute to his grandfather for making his way as a 9-year-old little boy from a small boat from Italy to America without a passport and leaving his loving parents behind.

Healing You and Your Family Tree Father Christopher Ngozi Onuoha, 2022-08-01 Generational and family curses and bondage are real distressful experiences that plague and cause us suffering; they complicate and make personal and family life hard and unnecessarily burdensome. *Healing You and Your Family Tree* is written to address and counter this assault on families by evil forces, and their often hidden and unsuspecting agents. It outlines twelve comprehensive open doors to bondage and, gives insights on how to recognize the operations of demonic powers behind them, and the loopholes, mechanisms and tactics that lead to bondage. This well researched and detailed book is a useful guide to discern family curses that may be causing spiritual distress, the steps necessary to close the doors to evil, and how the power of prayer and intercession in the Spirit opens doors to grace and freedom through faith in the Holy Name of Jesus. Prayer is the antidote to evil, and the master key to healing. Prayer is the life of the soul as water is the life of fish. To pray well is to dwell and move in God. Saint Alphonsus Liguori said those who pray will be saved; those who do not pray will not be saved. The contemplative approach to healing has a special place for the prayer initiative as the gateway to freedom. God indeed governs the world, but prayer governs God. The prayer of faith that saves and heals rests on four solid pillars of prayer, penance, silence and solitude. We learn to pray by praying; when we do, we move mountains and overturn worldly kingdoms, GodaEUR(tm)s reign takes root in our hearts to make all things new in the love of the risen Christ. Christians born again and inserted into Christ by the Spirit in Baptism, united and strengthened in Him through Confirmation and the Sacraments, are prepared for victory in spiritual combat. This book equips readers with the knowledge and tools needed to succeed in battles against evils. It prepares believers to gain vital knowledge of self and God, and outlines principles for daily victories in spiritual warfare with the strength of self-knowledge grounded in the truth of GodaEUR(tm)s unconditional love for us, and the armor of light we need to stand firm in faith and to resist and overcome evil. Our senses, thoughts, feelings, and desires help us to navigate the challenging road of suffering due to generational curses. This book helps us to engage our reason and faculties and gifts to cooperate with GodaEUR(tm)s grace to receive healing. We are assured that the ultimate solution to generational suffering lies in the committed and intense relationship with Jesus Christ in a life of charity rooted in truth, humility, moral purity and personal holiness, for the one purpose of acquiring purity of heart, by which we see God. It emphasizes the supreme power and effectiveness of ChristaEUR(tm)s perpetual priestly sacrifice in setting all captives free, and alerts readers to the unseen but game-changing Spirit-inspired intercession of the contemplative approach to healing. Contemplation intensifies GodaEUR(tm)s fire-power in us through the Holy Spirit, we share in Divine intimacy, and are

enabled to fight the good fight against the crosses of bondage with a sure and humble resignation to God's Divine and always Victorious will.

The Catholic Church John L. Allen, 2014 Roman Catholicism stands at a crossroads, a classic "best of times, worst of times" moment. On the one hand, the Catholic Church remains by far the largest branch of the worldwide Christian family, and is growing at a remarkable clip. Yet the Church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy, and, even more devastating, the cover-up by the Church hierarchy. The decade-long crisis has taken a massive financial toll, but the blow to both the internal morale and the external moral standing of the Church has been even steeper. Today, the Church has enormous residual strength and exciting future prospects, but also faces steep internal and external challenges. The question of "whither Catholicism" is of vital public relevance, for believers and non-believers alike. In *The Catholic Church: What Everyone Needs to Know*, John L. Allen, Jr., one of the world's leading authorities on the Vatican, offers an authoritative and accessible guide to the past, present, and future of the Church. This updated edition includes a new chapter on the resignation of Pope Benedict XVI, the election of Pope Francis, and his extraordinary tenure thus far.

Catholic Prayers for All Occasions Edited by Jacquelyn Lindsey, 2017-02-04 A beautiful compilation of favorite prayers. The Second Hill Jon Gegenheimer, 2011-06-17 *The Second Hill* is a historical, futuristic novel that takes the reader from September 11, 2001 to June 7, 2043. The settings are Washington, D.C., London, San Francisco, New Orleans, Manhattan, and Paris. The unusual tale begins on that infamous day when terrorism reached America's shore and ends almost forty-two years later with a startling revelation about the Creator's reaction to (1) the carnage of 9/11 and (2) the evil that caused it.

The Second Hill examines the eternal conflicts between good and evil, theism and atheism, moral absolutism and moral relativism, individualism and collectivism, capitalism and socialism, and honesty and deceit conflicts that, in the final analysis, are about the same thing. The main characters speak and behave much unlike ordinary people. That is as it should be; extraordinary individuals do not carry on in ordinary fashion. The protagonists are uncommonly intellectual, but they are by no means elitist. They are not of the intelligentsia. Though danger and death continually threaten them, Christa Joyner, Jack Joyner, Alan John, and their cohorts never cower. They are as valiant as they are brilliant. They are as fearless as they are pure. The Second Hill is atypical of fiction in that it contains copious historical and expository endnotes. Endnotes are requisite here because the narrative is grounded in history, and explanation is absolutely necessary to help the reader understand the philosophical, theological, and political aspects of the plot. Essentially, The Second Hill is about Western civilization, Western values, and Western heroes. Hopefully, it will cause most of those who peruse its pages to think deeply about where the world is and where it most certainly will wind up if it continues down the slippery slope of relativism. Many will see this compelling novel as a conservative manifesto. That is what it is.
