Devotions: A Read with Jenna Pick Mary Oliver, 2020-11-10 Tell me, what is it you plan to do with your one wild and precious life? -Mary Oliver, from *The Summer Day* Pulitzer Prize-winning poet Mary Oliver presents a personal selection of her best work in this definitive collection spanning more than five decades of her esteemed literary career. "No matter where one starts reading, *Devotions* offers much to love." —The Washington Post Throughout her celebrated career, Mary Oliver has touched countless readers with her brilliantly crafted verse, expounding on her love for the physical world and the powerful bonds between all living things. Identified as far and away, this country's best selling poet by Dwight Garner, she now returns with a stunning and definitive collection of her writing from the last fifty years. Carefully curated, these 200 plus poems feature Oliver's work from her very first book of poetry, *No Voyage and Other Poems*, published in 1963 at the age of 28, through her most recent collection, *Felicity*, published in 2015. At Blackwater Pond Mary Oliver, 2006-04-01 One of the astonishing aspects of Oliver's work is the consistency of tone over this long period. What changes is an increased focus on nature and an increased precision with language that has made her one of our very best poets. --Stephen Dobyns, New York Times Book Review Mary Oliver has published fifteen volumes of

poetry and five books of prose in the span of four decades, but she rarely performs her poetry in live readings. Now, with the arrival of *At Blackwater Pond*, Mary Oliver has given her audience what they've longed to hear: the poet's voice reading her own work. In this beautifully produced compact disc, Mary Oliver has recorded forty of her favorite poems, nearly spanning the length of her career, from *Dream Work* through her newest volume, *New and Selected Poems, Volume Two*. The package is shrink-wrapped so that the elegant clothbound audiobook can take its place on the poetry shelf. It also includes a fifteen-page booklet with an original essay, Performance Note, photos of the author at Blackwater Pond, and a full listing of the poems and their sources.

New and Selected Poems, Volume One Mary Oliver, 2005-11-15 When *New and Selected Poems, Volume One* was originally published in 1992, Mary Oliver was awarded the National Book Award. In the fourteen years since its initial appearance it has become one of the best-selling volumes of poetry in the country. This collection features thirty poems published only in this volume as well as selections from the poet's first eight books. Mary Oliver's perceptive, brilliantly crafted poems about the natural landscape and the fundamental questions of life and death have won high praise from critics and readers alike. In *The Summer Day*, she asks, Tell me, what is it you plan to do / with your one wild and precious life? Do you love this world? she interrupts a poem about peonies to ask the reader. Do you cherish your humble and silky life? She makes us see the extraordinary in our everyday lives, how something as common as light can be an invitation / to happiness, / and that happiness, / when it's done right, / is a kind of holiness, / palpable and redemptive. She illuminates how a near miss with an alligator can be the catalyst for seeing the world as if for the second time/the way it really is. Oliver's passionate demonstrations of delight are powerful reminders of the bond between every individual, all living things, and the natural world.

Long Life Mary Oliver, 2004-03-16 A collection of seventeen essays and ten poems.

New and Selected Poems Mary Oliver, 1992 One of the astonishing aspects of [Oliver's] work is the consistency of tone over this long period. What changes is an increased focus on nature and an increased precision with language that has made her one of our very best poets. . . . These poems sustain us rather than divert us. Although few poets have fewer human beings in their poems than Mary Oliver, it is ironic that few poets also go so far to help us forward.

A Poetry Handbook Mary Oliver,

Owls and Other Fantasies Mary Oliver, 2006-04-01 A perfect introduction to Mary Oliver's poetry, this stunning collection features 26 nature poems and prose writings about the birds that played such an important role in the Pulitzer Prize winner's life. Within these pages you will find hawks, hummingbirds, and herons; kingfishers, catbirds, and crows; swans, swallows and, of course, the snowy owl, among a dozen others-including ten poems that have never before been

collected. She adds two beautifully crafted essays, "Owls," selected for the Best American Essays series, and "Bird," a new essay that will surely take its place among the classics of the genre. In the words of the poet Stanley Kunitz, "Mary Oliver's poetry is fine and deep; it reads like a blessing. Her special gift is to connect us with our sources in the natural world, its beauties and terrors and mysteries and consolations." For anyone who values poetry and essays, for anyone who cares about birds, *Owls and Other Fantasies* will be a treasured gift; for those who love both, it will be essential reading. This book was published with two different covers. Customers will be shipped the book with one of the available covers.

Evidence Mary Oliver, 2009-04-01 Never afraid to shed the pretense of academic poetry, never shy of letting the power of an image lie in unadorned language, Mary Oliver offers us poems of arresting beauty that reflect on the power of love and the great gifts of the natural world. Inspired by the familiar lines from William Wordsworth, To me the meanest flower that blows can give / Thoughts that do often lie too deep for tears, she uncovers the evidence presented to us daily by nature, in rivers and stones, willows and field corn, the mockingbird's embellishments, or the last hours of darkness.

Winter Hours Mary Oliver, 2000-04-24 On the subject of writing poetry, Oliver is the most enlightened and enlightening author I have read. -Susan Salter Reynolds, Los Angeles Times From the winner of the Pulitzer Prize and the National Book Award comes *Winter Hours*, Mary Oliver's most personal book yet. And never more so than in this extraordinary and engaging gathering of nine essays, accompanied by a brief selection of new prose poems and poems. With the grace and precision that have won her legions of admirers, Oliver talks here of turtle eggs and housebuilding, of her surprise at an unexpected whistling she hears, of the thousand unbreakable links between each of us and everything else. She talks of her own poems and of some of her favorite poets: Poe, writing of our inescapable destiny, Frost and his ability to convey at once that everything is all right, and everything is not all right, the unmistakably joyful Hopkins, and Whitman, seeking through his poetry the replication of a miracle. And Oliver offers us a glimpse as well of her private and natural self—something that must in the future be taken into consideration by any who would claim to know me.

New and Selected Poems, Volume Two Mary Oliver, 2005-10-12 Understand, I am always trying to figure out what the soul is, and where hidden, and what shape- *New and Selected Poems, Volume Two*, an anthology of forty-two new poems-an entire volume in itself-and sixty-nine poems hand-picked by Mary Oliver from six of her last eight books, is a major addition to a career in poetry that has spanned nearly five decades. Now recognized as an unparalleled poet of the natural world, Mary Oliver writes with unmatched dexterity and a profound appreciation for the divergence and convergence of all living things. Mary Oliver is always searching for the soul of things. In poem after poem, her investigations go from the humble green bean that nourishes her and makes her wonder if something-/I can't name it-watches as I walk the/rows, accepting the gift of their lives/to assist mine to the vast, untouchable bliss of things you can't reach./But you can reach out to them, and all day long./The wind, the bird flying away./The idea of God. Oliver's search grows and is informed by experience, meditation,

perception, and discernment. And all the while, during her quest, she is constantly surprised and fortified by joy. This graceful volume, designed to be paired with *New and Selected Poems, Volume One*, includes new poems on birds, toads, flowers, insects, bodies of water, and the extraordinary experience of the everyday in our lives. In the words of Alicia Ostriker, 'Mary Oliver moves by instinct, faith, and determination. She is among our finest poets, and still growing.' In both the older and new poems, Mary Oliver is a poet at the height of her control of image and language.

A Thousand Mornings Mary Oliver, 2013-09-24 The New York Times-bestselling collection of poems from celebrated poet Mary Oliver In *A Thousand Mornings*, Mary Oliver returns to the imagery that has come to define her life's work, transporting us to the marshland and coastline of her beloved home, Provincetown, Massachusetts. Whether studying the leaves of a tree or mourning her treasured dog Percy, Oliver is open to the teachings contained in the smallest of moments and explores with startling clarity, humor, and kindness the mysteries of our daily experience.

Red Bird Mary Oliver, 2008-04-01 Mary Oliver's twelfth book of poetry, *Red Bird* comprises sixty-one poems, the most ever in a single volume of her work. Overflowing with her keen observation of the natural world and her gratitude for its gifts, for the many people she has loved in her seventy years, as well as for her disobedient dog Percy, *Red Bird* is a quintessential collection of Oliver's finest lyrics.

Rules for the Dance Mary Oliver, 1998 Pulitzer-prize winning poet and National Book Award winner, Mary Oliver, provides a graceful manual on the mechanics of poetical composition. True ease in writing comes from art, not chance, / As those move easiest who have learned to dance, wrote Alexander Pope. The dance, in the case of this brief and luminous book, refers to the interwoven pleasures of sound and sense to be found in some of the most celebrated and beautiful poems in the English language, from Shakespeare to Edna St. Vincent Millay to Robert Frost. With a poet's ear and a poet's grace of expression, Mary Oliver helps us understand what makes a metrical poem work--and enables readers, as only she can, to enter the thudding deeps and the rippling shallows of sound-pleasure and rhythm-pleasure. With an anthology of fifty poems representing the best metrical poetry in English, from the Elizabethan Age to Elizabeth Bishop.

Our World Mary Oliver, 2007-10-01 Mary Oliver, winner of the Pulitzer Prize for poetry, is one of the most celebrated poets in America. Molly Malone Cook, who died in 2005, was Oliver's partner for many years, a pioneer gallery owner and photographer. *Our World* weaves forty-nine of Cook's photographs and selections from her journals with Oliver's extended writings, both reminiscence and reflection, in prose and in poetry. The result is an intimate revelation of their lives and art. Within the art world, Molly Malone Cook made her reputation as an early advocate of photography as an art form; she was a champion of the work of now-famous photographers, including Edward Steichen, Eugene Atget, Berenice Abbott, Minor White, Ansel Adams, Harry Callahan, and W. Eugene Smith. There are famous faces here as well, captured by Cook's camera, among them Walker Evans, Robert Motherwell and Henry Geldzahler, the first curator of twentieth-century art at the

Metropolitan Museum. Cook and Oliver also lived among writers, and Cook caught several on film, including Lorraine Hansberry and Norman Mailer. Other artists and dozens of wonderful characters and scenes are also immortalized by Cook's unfailing eye for telling detail and composition. Oliver writes of Cook's work, the people they knew, and the places they visited or lived. The poet's beautiful text captures not only the vivifying qualities of her partner's work, but the texture of their shared world. In Mary Oliver's words, Cook taught the beginner poet to see, with searching attention and compassion.

Dream Work Mary Oliver, 2014-11-04 *Dream Work*, a collection of forty-five poems, follows both chronologically and logically Mary Oliver's *American Primitive*, which won her the Pulitzer Prize for the finest book of poetry published in 1983 by an American poet. The depth and diversity of perceptual awareness—so steadfast and radiant in *American Primitive*—continue in *Dream Work*. She has turned her attention in these poems to the solitary and difficult labors of the spirit—to accepting the truth about one's personal world, and to valuing the triumphs while transcending the failures of human relationships. Whether by way of inheritance—as in her poem about the Holocaust—or through a painful glimpse into the present—as in *Acid*, a poem about an injured boy begging in the streets of Indonesia—the events and tendencies of history take on a new importance here. More deeply than in her previous volumes, the sensibility behind these poems has merged with the world. Mary Oliver's willingness to be joyful continues, deepened by self-awareness, by experience, and by choice.
