Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

*Africa Speaks, America Answers* Robin D. G. Kelley, 2012-03-13 In Bedford-Stuyvesant, Brooklyn, pianist Randy Weston and bassist Ahmed Abdul-Malik celebrated with song the revolutions spreading across Africa. In Ghana and South Africa, drummer Guy Warren and vocalist Sathima Bea Benjamin fused local musical forms with the dizzying innovations of modern jazz. These four were among hundreds of musicians in the 1950's and '60's who forged connections between jazz and Africa that definitively reshaped both their music and the world. Each artist identified in particular ways with Africa's struggle for liberation and made music dedicated to, or inspired by, demands for independence and self-determination. That music was the wild, boundary-breaking exultation of modern jazz. The result was an abundance of conversation, collaboration, and tension between African and African American musicians during the era of decolonization. This collective biography demonstrates how modern Africa reshaped jazz, how modern jazz helped form a new African identity, and how musical convergences and crossings altered politics and culture on both continents. In a crucial moment when freedom electrified the African diaspora, these black artists sought one another out to create new modes of expression. Documenting individuals and places, from Lagos to Chicago, from New York to Cape Town, Robin Kelley gives us a meditation on modernity: we see innovation not as an imposition from the West but rather as indigenous, multilingual, and messy, the result of innumerable exchanges across a breadth of cultures.

**Beyond the Hedge of Thorns** John S. Barrett, 2022-12-16 Beyond the Hedge of Thorns recounts the small moments in the everyday life of a boy growing up in a Pennsylvania mining town during the vanished era when the butcher, grocer, and milkman delivered right to the house, television had not yet arrived, and kids played softball on vacant lots, cruised the woods, and got into more or less innocent trouble. Set against the backgrounds of the Second World War, illnesses not yet banished, and anthracite coal mining, with its machinery, scarred landscapes, profoundly influencing the town's inhabitants,

the boyhood described here was nevertheless a happy one, full of modest adventures in unlikely places. John S. Barrett brings it back to life in these pages with a unique voice and a grand gift for remembering the details, colors, and emotions of those times.

*Listening for Africa* David F. Garcia,2017-08-16 David F. Garcia examines the work of a wide range of musicians, dancers, academics, and activists between the 1930s and the 1950s to show how their belief in black music's African roots would provide the means to debunk racist ideologies, aid decolonization of Africa, and ease racial violence.

**The Concise Garland Encyclopedia of World Music: Africa ; South America, Mexico, Central America, and the Caribbean ; The United States and Canada ; Europe ; Oceania** Ellen Koskoff,2008 The critical importance of past for the present--of music histories in local and global forms--asserts itself. The history of world music, as each chapter makes clear, is one of critical moments and paradigm shifts.

*Washington Canoe Club* Christopher N. Brown,2020-10-26 The Washington Canoe Club has been a landmark on the Georgetown waterfront of the nation's capital for over a century. Its iconic Victorian boathouse, now listed in the National Register of Historic Places, has survived floods and fires as well as changing land uses along the Potomac shoreline. The canoe club is best known for its prowess and as a pioneer in national and international paddling competition, from introducing canoeing as an Olympic sport in 1924 to bringing women fully into competitive paddling. But the story is also one of the coming of age of outdoor recreation and social clubs in America's cities, where, post-Civil War, people came to enjoy new leisure time and physical culture in a wide variety of outdoor activities.

Noise Uprising Michael Denning,2015-08-18 A radically new reading of the origins of recorded music Noise Uprising

brings to life the moment and sounds of a cultural revolution. Between the development of electrical recording in 1925 and the outset of the Great Depression in the early 1930s, the soundscape of modern times unfolded in a series of obscure recording sessions, as hundreds of unknown musicians entered makeshift studios to record the melodies and rhythms of urban streets and dancehalls. The musical styles and idioms etched onto shellac disks reverberated around the globe: among them Havana's son, Rio's samba, New Orleans' jazz, Buenos Aires' tango, Seville's flamenco, Cairo's tarab, Johannesburg's marabi, Jakarta's kroncong, and Honolulu's hula. They triggered the first great battle over popular music and became the soundtrack to decolonization.

**Keyboard for Beginner Adults. 55 Traditional African Songs: Play by Letter** Helen Winter,2021-05-13 The African songs here are written using European notation, and we should understand that songs cannot be written as authentically as the music is played in its original form. African music does not implement temporality or major or minor chords. Therefore, the sheet music for African songs here is like a rough draft of the original music. You won't be able to play an African song by the sheet music alone. This is true for jazz and the blues, and it is just as true for African folk music. African music always assumes improvisation, adding variations and syncopation. Its main task is not to be reproduced, but to get everyone involved, since music, by definition, is the expression of emotional states with the help of sounds of a certain frequency and rhythm. This book was written for keyboard, but remember that traditional African music never involved or included a piano or other keyboard instrument. An indication of the country of origin of the song is an approximation because many traditional cultures cross current national borders. The language in which the song is sung is more important, and it can be used in various countries. Most songs have been simplified for beginners and letter names have been added under the musical notes to make it possible for you to confidently begin playing. Since African music assumes improvisation and variation, we recommend using this sheet music only as a guide. The most important thing is to listen and repeat the recordings linked to the QR code. The Girl From the Train Irma Joubert, 2015-11-03 Six-year-old Gretl Schmidt is on a train bound for Auschwitz. Jakób Kowalski is planting a bomb on the tracks. As World War II draws to a close, Jakób fights with the Polish resistance against the crushing forces of Germany and Russia. They intend to destroy a German troop transport, but Gretl's unscheduled train reaches the bomb first. Gretl is the only survivor. Though spared from the concentration camp, the orphaned German Jew finds herself lost in a country hostile to her people. When Jakób discovers her, guilt and fatherly compassion prompt him to take her in. For three years, the young man and little girl form a bond over the secrets they must hide from his Catholic family. But she can't stay with him forever. Jakób sends Gretl to South Africa, where German war orphans are promised bright futures with adoptive Protestant families—so long as Gretl's Jewish roots, Catholic education, and connections to communist Poland are never discovered. Separated by continents, politics, religion, language, and years, Jakób and Gretl will likely never see each other again. But the events they have both survived and their belief that the human spirit can triumph

over the ravages of war have formed a bond of love that no circumstances can overcome. Praise for *The Girl from the Train*: “A riveting read with an endearing, courageous protagonist . . . takes us from war-torn Poland to the veldt of South Africa in a story rich in love, loss, and the survival of the human spirit.” —Anne Easter Smith, author of *A Rose for the Crown* Full-length World War II historical novel International bestseller Includes a glossary

**Interjections, Translation, and Translanguaging** Rosanna Masiola, 2018-12-05 This book is about interjections and their transcultural issues. Challenging the marginalization of the past, the ubiquity of interjections and translational practices are presented in their multilingual and cross-cultural aspects. The survey widens the field of inquiry to a multi-genre and context-based perspective. The quanti-qualitative corpus has been processed on the base of topics of relevance and thematization. The range of examples varies from adaptation of novels into films, from Shakespeare, from Zulu oral epics to opera, from children’s narratives to cartoons, from migration literature to gangster and horror films and their audiovisual translation. The use of American Yiddish, Italian American, South African English, and Jamaican account for the controversial aspects of interjections as a universal phenomenon, and, conversely, as a pragmatic marker of identity in (post)colonial contexts.
