Everything She Ever Wanted Ann Rule,1993-12 A true story of obsessive love, murder and betrayal.--Cover
Movies Made for Television Alvin H. Marill,2010-10-11 In 2005, Scarecrow published *Movies Made for Television*, 1964-2004, a five-volume reference set commemorating 40 years of every made for TV film since *See How They Run* debuted in 1964. These books provided a comprehensive listing of every television film and mini-series, detailing each film's original network, airdate, and length of broadcast. In this latest volume, Marill adds another five years of television films, providing information for an additional 400 works produced between 2005 and 2009. Along with a brief summary, entries also include extensive production credits (director, writer, producer, composer, director of photography, and editor) and a complete cast and character listing. With a chronology of the films, an appendix of movies adapted from other sources, and separate indexes for actors and directors, *Movies Made for Television*, 2005-2009 is a welcome addition to a resource highly regarded by scholars and historians of television and popular culture.

The Year in Television, 2009 Vincent Terrace,2014-01-10 This reference work is a chronicle of all the first run entertainment programs broadcast from January 1 to December 31, 2009. Included are series, TV movies, aired pilots, specials, miniseries and Internet series. Alphabetically arranged entries provide casts, storylines, production credits, networks, broadcast dates, and excerpts from newspaper reviews. New to this volume is a listing of the highlights of the year and coverage of all the unaired pilots produced for the 2008-2009 season.
