Dare to Care Andi Sulistiadi, Anthesianz, Caring for others provides benefits that most people often don't experience at their day jobs. We all have a desire to feel needed and the role of caregiver does that, which is a great feeling. It also gives a greater meaning and purpose to our lives, helping us to refocus on the more important things in life - our relationships with the people we care about.

Faith and Fashion Julie Cole, Graham Cole, 2022-08-24 We all wear clothes. But are you concerned that your fashion choices are mere vanity or wasteful or environmentally harmful? The question is how to look our best in a responsible and wise way that avoids guilt, vanity, and immodesty. Jules and Graham Cole bring their expertise to bear on this question in this unique collaboration: Jules as a fashion designer and Graham as a theologian. This book pays attention to differences in body type and the challenge of best fit and does so in an environmentally sustainable way. In this work, you will find hints on how to dress and how to coordinate a wardrobe that is economically responsible and minimizes landfill. The book seeks to honor the God of the Bible who values beauty. The discussion culminates in considering the ultimate wardrobe change. Fashions come and go, but to be clothed with Christ is never out of date.

Black Women Shattering Stereotypes Kay Siebler, 2021-04-21 *Black Women Shattering Stereotypes: A Streaming*

Revolution focuses on the work, voices, and perspectives of Black women in popular film and television. Kay Siebler argues that within the past five years, in response to the digital age and the number of racist stereotypes being purported in dominant culture, Black women creators are making entertainment media that fights back against these racist and sexist narratives and celebrates the realities of being Black and being a woman in today's world. When Black women are behind the camera, writing, directing, and producing, Siebler finds, the representations of Black women change dramatically in empowering and important ways. Focusing on films and series produced since 2015 that are made by, for, and about Black women, Siebler analyzes the portrayals of Black women and their culture in *Bessie*, *Self Made*, *Hidden Figures*, *Harriet*, *Insecure*, *Being Mary Jane*, *Twenties*, and *Chewing Gum*, among others. Siebler intertwines these analyses with in-depth interviews with over one hundred Black women throughout the book, offering a variety of perspectives across the broad spectrum of demographics that are—and are not—being represented in mainstream media.

Also I hope it is entertaining for all my readers. Thank-You.

Sassy, Classy and Smart: the Path to Total Self Confidence Phyllis McNeal, 2017-09-15 I am writing this for every woman! As a woman, you should feel loved, special, and treasured. Many of us do not feel that way because we do not think of ourselves that way. We should shine our light on ourselves! Each of us is like a beautiful flower. When you look at a garden, it is beautiful because of the variety you see. You see the reds and the oranges, the yellows, and the pinks. Even those flowers of the same variety have a variation in themselves. Without the variety, it would lack interest and not be as beautiful to enjoy. Women are like the flowers. We are tall, short, blond, brunette, and many, many varieties. We are meant to be treated with the same care that we would give the flowers that we enjoy. I always treat myself to flowers, and my dining room table always graces a variety of blooms. I most certainly enjoy them, but I always give them the best of care. I make sure they have clean water and a beautiful vase to display their beauty. We need to give ourselves the same delicate care. It is about the enjoyment of you! I would love for every woman to love herself enough and cherish her femininity. Enjoy you! Loving you is the beginning of others loving you. Nothing makes a woman more beautiful than the belief that she is beautiful.

Very Classy Derek Blasberg, 2011-10-13 Derek Blasberg is back with more brilliant commentary on what makes a lady truly classy. With all the razor-sharp insights of Classy plus new, never-before-seen pages packed with Derek's signature wit and timeless tips, VeryClassy is the best - and the only - resource for the up-to-the minute, modern young woman. Today's fast-maturing youth culture is confounded by a whole slew of classy conundrums. Like, Is a funeral an acceptable place to

(No! Gyms are for exercise, not cleavage.) Even if you're so confident, you've been attracting guys like a honey-dipped man magnet for years - VeryClassy still has something for you. This illustrated volume is packed with advice for the girl who doesn't want to be a Relationship Chameleon, the girl who understands that skinny fat is worse than just plain fat, and the girl who needs a little help discovering the silver lining of a hangover. Very Classy is the ultimate guide for discerning this generation's ladies from the tramps.

What French Women Know Debra Ollivier, 2009-09-03 The Los Angeles Times bestseller! A Gallic prescription for living a life that is richer, more sensual, messier, and a lot more fun (Boston Globe) It's not the shoes, the scarves, or the

lipstick that gives French women their allure. It's this: French women don't give a damn. They don't expect men to understand them. They don't care about being liked or being like everyone else. They accept the passage of time, celebrate the immediacy of pleasure, embrace ambiguity and imperfection, and prefer having a life to making a living. In *What French Women Know*, Debra Ollivier goes beyond stale ooh- la-la stereotypes, challenging ingrained notions about sex, love, marriage, motherhood, and everything in between. With savvy, provocative thinking from French mistresses and maidens alike, Ollivier presents a refreshing counterpoint to the tired love dogma of our times, and offers realistic, liberating alternatives from the land that knows how to love.
