The Convoluted Universe: Book 1 Dolores Cannon, 2007 * Is it possible that you are living in other universes simultaneously with this one? * Do you travel back and forth between other dimensions without your conscious knowledge? * Could it be possible that you are only a splinter or fragment of a much larger soul? * Do parallel universes exist side-by-side with this one? * Are you living all your past and future lives at the same time? * What is the God Source? These questions and many more are explored in this long-awaited sequel to *The Custodians*. This information proceeded beyond abduction into complicated metaphysics, creating the need to explore more mind-expanding

Summary of Dolores Cannon's Jesus and the Essenes Everest Media, 2022-07-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 We can view our own bodies as a form of reincarnation. We know our bodies are ever changing. Cells are constantly dying and being renewed in a never-ending cycle. We don't have the same body we had ten, twenty, or thirty years ago. #2 The doctrine of reincarnation is a philosophy, and as such it does not conflict with any established form of religion. It enhances, makes it fuller. It is difficult for some people to accept, but they should try to live the best life they can through their own belief. #3 I began experimenting with hypnosis in 1979. I found subjects easily because there is an interest in this philosophical idea even if it is only from the standpoint of curiosity. #4 I planned to treat my method as a scientific experiment and see if it was repeatable. I wanted to use it on as many different types of people as possible. If the same results were obtained, this would add to the validity of the theory of reincarnation.

The Rise of the Kingdom of Heaven, Volume 1 (Paperback) Gerhard Alm,2008-10-25 Living in a Hippie Community in the Australian rainforest, I, in January 1992, started to write about my visions and spiritual experiences. I described ten places in our heads as homes of the human spirit. There are many publicly known people, who are involved in the move of the Earth to a higher dimension in 2013. More than 200,000 people live on Earth and at the same time on a parallel world, which is a home for immortal people. The evangelist John spoke with a Cross of Light. I believe that a new Cross of Light will appear on Earth soon. In July 1979 I met the devil and his wife on the inner-German border. I name some people, who have been the devil of previous Earth-like planets in older universes. Alex Collier wrote in '95 that since my 40th birthday (on 3/23/1994) vibrations leave all black holes of our (local) universe, changing its nature, lifting all planets into higher dimensions. I believe these frequencies come from the Immortals, living on Earth now, including me.

Dogs at Large Daniel Rose,2018-05-10 Dogs at Large weaves together the struggles of two women as they confront the slings and arrows of our Matrixed world. Because they live in the information age, they have turned to the Internet for guidance with their current conflicts. Here they discover a double edged sword for, although information may be powerful, too much can be overwhelming. They soon realize that a fine line exists in cyberspace ranging from the usual array of charlatans and false prophets to a remarkable community of like-minded people whose goal is to save the planet. It is to the later that this book is dedicated. On one level this is a story about how we go to bat for what we love the most. On another, it is as multi-dimensional as the changes that are in store for the human race. To sum it all up: God is truly alive; magic is truly afoot.

Humanity and the Earth itself are evolving now -- a lightening fast quickening -- and we are being offered the chance to take back our power and use it to create a New Earth. We are waist-deep in this transition and the road ahead may be rough for a time, but through foreknowledge, spiritual understanding and the release of the fear of change and the unknown, we will all be a part of the birth of a new consciousness.

Extraterrestrial Contact Kathleen Marden,2019-08-05 The essential guide for people who have experienced alien contact and for those who love them. It has been twenty years since the publication of *How to Defend Yourself Against Alien Abduction* by Ann Druffel. This new book by UFO researcher Kathleen Marden is the essential handbook for this generation. This is the fundamental reference and guide for those who have experienced contact with nonhuman intelligent (NHI) entities, families & friends of those "experiencers," and anyone interested in alien abduction and contact and UFOs. The ten chapters in this book are based on years of research and access to the files of MUFON and the Dr. Edgar Mitchel Foundation for Research into Extraterrestrial and Extraordinary Encounters. Chapters include: Am I an abductee, a contactee, or an experiencer? How to investigate your contact experiences When you discover that it isn't ET: ghosts and paranormal phenomena When you want it to stop: coping strategies and resistance techniques Wide-ranging, informative, and helpful, this is a book that will find a place as a crucial resource for anyone fascinated by visitations from other worlds. Praise for

Extraterrestrial Contact “Finally, there is a (much needed and long awaited) practical handbook for anyone looking for guidance on how to comprehend, evaluate, and digest alien abduction memories into the framework of life in the 21st century. . . . An eye-opening bridge for future generations, as it is predicted humanity will likely inhabit another planet by the end of the next century. If contact is inevitable, perhaps those who have been abducted will one day be honored as our evolutionary ambassadors.” —Jennifer W. Stein, Documentary Producer of Travis: The True Story of Travis Walton “Once again, author and investigator Kathleen Marden has made a remarkable contribution to the world of serious UFO literature. This wealth of practical, well-documented information contained in [Extraterrestrial Contact] will be invaluable to experiencers and abductees as well as to educators, mental health professionals, and to serious students of ufology worldwide.” —Peter Robbins, long-time assistant to pioneer UFO abduction researcher Budd Hopkins, author, and investigative writer

and reread, repeatedly redirected back to the one book providing the ultimate Spirit Communication A Course In Miracles. Grief - A Spiritual Journey to Enlightenment will take you on a personal journey of healing, self-discovery, clarity, enlightenment, transformation and guidance onto a direct path Home. Snoring Awoken Wide Awake Conrad Kirk, 2024-11-08 So busy struggling through life feeling somehow invisible doors when only half opened getting slammed shut. With the flash of a bright light going from an ordinary life to an extraordinary spiritual awakening which was so raw and intensifying is best described as a yo-yo spinning on the String of life, riding an emotional rollercoaster, navigating a spaghetti junction, inside a cosmic Rubix cube, drowning in a Waterfall of tears, whilst unconsciously and unknowingly deprogramming from a Matrix I never knew existed. Thrust into a Metaphysical Realm infused with parallel Dimensions, so Magical, so real and at times so dark. I dived with a bungee jump deep into my Heart that I haven’t yet touched the ground. I’m not opening Doors. Now I’m blowing them off the hinges. With a spark in my soul, a flame in my Heart and Tears in my eyes. This is my story through the Darkness to spread love and light to all the neglected and unawakened Divine Souls of this Earth. To then start your own journey of truth, unravelling the light of your inner child that has been trapped deep within a consciousness. Controlled, restricted and encased inside a hidden cocoon. Patiently waiting to be unshackled from its dormancy, and then begin to radiate its loving glow letting it shine outwards in every direction.

The Sum Of All Spiritual Paths Orest Stocco, 2014-12-08 Open your heart to God's love and you will get all the respite you need. It is not that difficult. Whenever I was down in the dumps I prayed. You don't pray because it is not in you to beg God for help; but you can open your heart to God and let God's love pour into you. That is the way of the open heart. Here's what you do: think of all the times you loved, and let your heart fill with those memories. Think of one time, one moment of love, and just let the love fill your heart again; that's the exercise. It is your prayer. Don't ask for anything more, because God's love is all there is. I am always with you, my dear friend. Chapter 35: Padre Pio's Promise
