Robert Cowen, Andreas M. Kazamias

International Handbook of Comparative Education Robert Cowen, Andreas M. Kazamias, 2009-08-22 A big project like this Handbook means that you incur debts, and not only to your authors and your publisher. As editors we, along with our colleague Elaine Unterhalter who edited the section on postcolonialism, would like to thank most warmly those authors who delivered on time, and who did not fuss but just got on and did a ? r- rate job. We would also like to thank all authors who did deliver - which was almost everyone we asked. We know that some of our authors worked in very dif? cult private circumstances as they were ? nishing their chapters and we hope the publication of the Volumes will, later, be for them a happy reminder of dif? culties and disasters overcome. The only sad theme is that some very close colleagues, with whom we were wo- ing and for whom we had the greatest respect and liking, became very ill (and died) while the volumes were being prepared. We decided to ask for copyright permissions to publish something of theirs. These permissions were graciously given by two major journals and with the agreement also of our publishers Springer, Rolland Paulston and Terry McLaughlin have examples of their writing in this Handbook.

Decálogo para la mejora escolar, El Gvirtz, Silvina, Abregú, Victoria, Paparella, Carla, 2015-10-08 El Decálogo para la mejora escolar es una invitación a todos aquellos inspectores, directores y docentes que creen que una escuela mejor es posible. Una invitación a “parar la pelota” y reflexionar sobre lo que estamos haciendo. El libro reúne algunas claves a considerar a la hora de emprender el camino de la mejora. Su producción es el resultado de un trabajo colectivo con diferentes actores educativos que nos han permitido conocer sus experiencias, sus vivencias cotidianas, sus problemas, su entusiasmo y sus saberes. Junto con ellos hemos ido construyendo materiales y herramientas que buscan acompañarlos en el camino de la gestión de sus instituciones. Los invitamos a apropiarse de las ideas que aquí compartimos para que las

completen y ajusten a la realidad de sus propias escuelas. El Decálogo no contiene verdades cerradas sino puntos de partida para pensar la tarea. Los animamos, con la lectura, a ensayar nuevos caminos. Esperamos que este libro les ofrezca herramientas prácticas para construir una escuela justa, en la que todos aprendan; en síntesis, la escuela que soñamos.
