**The Beartown Trilogy Ebook Collection** Fredrik Backman, 2022-12-27 Rediscover this “lyrical look at how a community heals, how families recover, and how individuals grow” (The Washington Post) with the complete Beartown trilogy in one unputdownable ebook from the #1 New York Times bestselling author Fredrik Backman. In the “beautifully told” (The New York Times Book Review) Beartown—which inspired the HBO series of the same name—a small town obsessed with the local junior hockey team is rocked by a shocking act of violence. As accusations and rumors fly, the town must grapple with its identity as never before. Tensions rise when it’s rumored that the Beartown hockey team will be disbanded in *Us Against You*. The entire future of the team and the town hinges on an upcoming game that could change everything forever. Finally, the series that “deftly explores recovery and rebirth” (Us Weekly) comes to an evocative conclusion with *The Winners*. In the two years since the events of Beartown, the residents must face difficult questions and determine just what they are willing to sacrifice for their home.

Beartown Fredrik Backman, 2021-03-23 Winning a junior ice hockey championship might not mean a lot to the average person, but it means everything to the residents of Beartown, a community slowly being eaten alive by unemployment and the surrounding wilderness. A victory like this would draw national attention to the ailing town: it could attract government funding and an influx of talented athletes who would choose Beartown over the big nearby cities. A victory like this would certainly mean everything to Amat, a short, scrawny teenager who is treated like an outcast everywhere but on the ice; to Kevin, a star player just on the cusp of securing his golden future in the NHL; and to Peter, their dedicated general manager whose own professional hockey career ended in tragedy. At first, it seems like the team might have a shot at fulfilling the dreams of their entire town. But one night at a drunken celebration following a key win, something happens between Kevin and the general manager's daughter--and the next day everything seems to have changed. Accusations are made and, like ripples on a pond, they travel through all of Beartown, leaving no resident unaffected. With so much riding on the success of the team, the line between loyalty and betrayal becomes difficult to discern. At last, it falls to one young man to find the courage to speak the truth that it seems no one else wants to hear.-

*The Winners* Fredrik Backman, 2022-09-27 A breathtaking new novel from the #1 New York Times bestselling author of *Anxious People* and *A Man Called Ove*, *The Winners* returns to the close-knit, resilient community of Beartown for a story

about first loves, second chances, and last goodbyes. Over the course of two weeks, everything in Beartown will change. Maya Andersson and Benji Oovich, two young people who left in search of a life far from the forest town, come home and joyfully reunite with their closest childhood friends. There is a new sense of optimism and purpose in the town, embodied in the impressive new ice rink that has been built down by the lake. Two years have passed since the events that no one wants to think about. Everyone has tried to move on, but there's something about this place that prevents it. The destruction caused by a ferocious late-summer storm reignites the old rivalry between Beartown and the neighboring town of Hed, a rivalry which has always been fought through their ice hockey teams. Maya's parents, Peter and Kira, are caught up in an investigation of the hockey club's murky finances, and Amat—once the star of the Beartown team—has lost his way after an injury and a failed attempt to get drafted into the NHL. Simmering tensions between the two towns turn into acts of intimidation and then violence. All the while, a fourteen-year-old boy grows increasingly alienated from this hockey-obsessed community and is determined to take revenge on the people he holds responsible for his beloved sister's death. He has a pistol and a plan that will leave Beartown with a loss that is almost more that it can stand. As it beautifully captures all the complexities of daily life and explores questions of friendship, loyalty, loss, and identity, this emotion-packed novel asks us to reconsider what it means to win, what it means to lose, and what it means to forgive.

**Us Against You** Fredrik Backman, 2020-08-04 From Fredrik Backman, New York Times bestselling author of Beartown, comes a heart-wrenching story of the ways loyalty, friendship, and love carry a small community through its darkest days. After everything that the citizens of Beartown have gone through, they are struck yet another blow when they hear that their beloved local junior hockey team will soon be disbanded. What makes it worse is the obvious satisfaction that all the former Beartown players, who now play for a rival team in Hed, take in that fact. As the tension between the two towns simmers, a surprising newcomer is handpicked to try to save the Beartown club. Soon a new team starts to take shape around Amat, the fastest player you'll ever see; Benji, the intense lone wolf; and Vidar, a born-to-be-bad troublemaker. But bringing this team together proves to be a challenge as old bonds are broken, new ones are formed, and the enmity with Hed grows more and more heated. As the big game between Beartown and Hed approaches, the not-so-innocent pranks and incidents between the communities pile up. By the time the last game is finally played, a resident of Beartown will be dead, and the people of both towns will be forced to wonder if, after all they've been through, the game they love can ever return to something simple and innocent. *Us Against You* is a declaration of love for all the big and small, bright and dark stories that form and colour our communities. Compelling and heartbreaking, it's a roller-coaster ride of emotions and a showcase for "Fredrik Backman's pitch-perfect dialogue and unparalleled understanding of human nature" (Shelf Awareness).
