Straighten Up, America Marian Olivia Heath Griffin, 2021-10-06 Fighting for justice in America is a struggle for a lifetime. It is not just a struggle for a moment, a day, a month, a year. A moral voice must be heard for the quest for equality and must be relevant to an entire new generation of Americans - Black, White, Asians, Latinos and Native Americans. There is no such thing as perfection for all situations because the challenges are too great. Many unforeseen things are coming, but with the Creator's help, we will prevail, we will not fail. Our Creator has given us air to breathe, love, and substance to live by and our very existence is a gift. Our talents are based on our faith and willingness to let God's power work in us. We must make a concerted effort to value each other as we all have the Creator's finger print on us. We are a community, a nation, America!

Rest for the Justice-Seeking Soul Susan K. Williams Smith, 2019-11-12 Susan K. Williams Smith is a minister and activist

who has been on the front lines of social and racial justice for many years. As she has marched shoulder-to-shoulder to resist systematic oppression, she has heard the same question over and over: “How are we going to get through this?” Rest for the Justice-Seeking Soul was birthed out of those cries. Here is a soul-care manual for social justice-seeking believers who stand in constant vigilance against all forms of racial, class, and gender oppression. The fight for justice and equality is an exhausting daily grind—and the work is never over. That’s why it is incumbent upon all who speak and advocate for the less fortunate to practice self-care. You can’t fight when your tank is empty. In response to the many calls and emails she has received from friends, clergy, and strangers who are in utter despair and even deep depression, she has created ninety daily devotions to provide a daily spoonful of hope and encouragement, a healing balm to “strengthen your feeble arms and weak knees” (Hebrews 12:12). Lift your gaze upward toward a better future by allowing God to restore harmony and focus in your soul and justice in your community. Our God is bigger than whoever is oppressing you. As the old hymn states, “Earth has no sorrow that heaven cannot heal.”

What Did I Learn Today? Lessons on The Journey to Unconditional Self-Love Akosua Dardaine Edwards, 2013-08 It's a funny thing when you take responsibility for your life and tell the absolute and brutal truth. What's the famous saying? The truth will set you free? Yes, it sure does. The time had come to be brutally honest, to tell the truth, to take responsibility. This is my story, the journey of how I discovered love for me, unconditionally.

A Womanist Pastoral Theology Against Intimate and Cultural Violence Stephanie M. Crumpton, 2014-10-02 This book is about Black women's search for relationships and encounters that support healing from intimate and cultural violence. Narratives provide an ethnographic snapshot of this violence, while raising concerns over whether or not existing paradigms for pastoral care and counseling are congruent with how many Black women approach healing.

Familiar Echo's Evan Hawkins, 2009-05 This is a story of dysfunctional families and the effects encountered by one young woman who has been in a state of denial for decades. When the winds of change slowly blow in her direction-- this woman is reminded and convinced that her life has been a difficult one at best. She is forced to search her scattered and fragmented memories in an attempt to survive the unrelenting devastating blows of a difficult reality. The reality of her past begins to reveal its haunting qualities early one morning after a disturbing dream and continues to grow while she survives one devastating blow after another. And through a persistent state of depression with a mutilated spirit and her amputated muse she begins therapy with a compassionate miracle worker. Her journey is a long one--as her therapist guides her through a maze of suppressed and repressed memories into recognition. And with recognition is a set of new eyes viewing and evaluating all of her choices while living in a life of denial that she created for existence. Surviving as a damaged person can dictate how a soul will evolve. An important component is the disposition of the person. A person's character dictates how the damaged person lives/survives and they usually know how to survive; it can be a negative or a positive life of survival. Survival depends strongly upon the individual, the boundaries and environment that they create to support his or her life. With the support of her family and friends she finds acceptance of her reality and purges her soul of a mistaken life style of fantasies.

Prime Time Marilyn Hughes Gaston, Gayle K. Porter, 2003 Today seven million African American women are living in their prime, experiencing the joys and challenges of middle age. Now, at last, here is the book that addresses our total health needs—physical, emotional, and spiritual. Written by a distinguished physician and a clinical psychologist, *Prime Time* is the first complete guide that empowers us to take charge of our lives and attain the well-being we deserve. In many ways, it's true that we are better off today than our foremothers were: We earn more money, command more respect. Yet in spite of these advances, we still experience more chronic health problems, endure more stress, and live shorter lives than women of other races. That's why *Prime Time* is both urgent and essential. This groundbreaking book not only lays out a detailed, practical plan for overall healing and for maintaining wellness, it also addresses the underlying attitudes and assumptions that lead so many of us to neglect ourselves and undermine our own health. *Prime Time* will help you • Reframe priorities to put yourself and your own health needs first • Interpret the latest medical findings on the Big Four killers and how they affect black women in middle age • Profile your current health with worksheets, quizzes, and assessment tools • Renew sex

at midlife by eliminating restricting myths and taboos and finding new paths to pleasure • Reduce anger and “attitude” that block you from attaining good health • Identify the nontraditional signs of depression and anxiety common to African American women Comprehensive, straight-talking, and grounded in science and spiritual truth, Prime Time is at once a guide to total health in middle age and a celebration of the strength, wisdom, and beauty of African American women in their second half of life.
